

Otterease SZT08

Otterease Vanity Desk with LED Lighted Mirror & Power Outlet

Model: SZT08

Brand: Otterease

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Electrical Safety:** Do not touch LED lights with wet hands. Avoid overloading power outlets. Ensure proper grounding.
- **Assembly Safety:** Assemble with care to avoid injuries from sharp edges or pinch points. It is recommended to follow every step in the instructions.
- **Stability:** Ensure the vanity desk is placed on a flat, stable surface.

2. PRODUCT OVERVIEW

The Otterease Vanity Desk, Model SZT08, is designed to provide a functional and organized space for personal grooming. It features an LED lighted mirror with adjustable settings, integrated power outlets, and ample storage solutions.

Key Features:

- **LED Lighted Mirror:** Equipped with 12 adjustable LED bulbs offering 3 lighting modes (cold white, warm white, warm yellow) and adjustable brightness.
- **Ample Storage:** Features 5 large drawers and 3 open storage shelves for cosmetics, accessories, and personal items.

- **Integrated Power Outlet:** Includes 2 standard sockets and 2 USB ports for convenient charging of devices and use of hair tools.
- **Hair Dryer Holder:** A dedicated holder keeps your hair dryer accessible.
- **Storage Stool:** A cushioned stool with hidden storage space is included.
- **Durable Construction:** Made with FSC-Certified engineered wood for stability and longevity.

3. PACKAGE CONTENTS

The Otterease Vanity Desk package includes all necessary parts, detailed assembly instructions, and tools required for setup. Please verify all components are present and undamaged upon receipt.

4. ASSEMBLY INSTRUCTIONS

Detailed assembly instructions are included with the product. Please refer to the provided manual for step-by-step guidance. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

Assembly Overview:

1. **Unpack and Identify:** Carefully unpack all components and hardware. Match them against the parts list in your instruction manual.
2. **Assemble the Base:** Construct the main desk frame according to the diagrams.
3. **Install Drawer Slides:** Attach the drawer slides to the desk frame and drawer components.
4. **Assemble Drawers:** Construct the 5 drawers and attach the gold handles.
5. **Attach Mirror Unit:** Secure the LED lighted mirror unit to the desk. Connect the LED light wiring as instructed.
6. **Install Shelves:** Place the 3 open storage shelves.
7. **Assemble Stool:** Construct the cushioned storage stool.
8. **Connect Power:** Plug in the LED mirror and charging station to a suitable power source.

6. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth.
- **Electrical Components:** Ensure all electrical connections are secure. Do not attempt to repair electrical components yourself.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. Lubricate if necessary with a silicone-based spray.

7. TROUBLESHOOTING

- **LED Lights Not Working:**

- Check if the power cord is securely plugged into a working outlet.
- Ensure the control panel is properly connected and the power button is pressed.
- Verify that the individual LED bulbs are securely twisted into their sockets.

- **Power Outlets/USB Ports Not Functioning:**

- Confirm the main power plug for the vanity is connected to a live electrical outlet.
- Check if the device you are trying to charge or power is working correctly.
- Avoid overloading the outlets with high-power devices simultaneously.

- **Drawers Sticking or Not Closing Properly:**

- Ensure the drawer slides are correctly aligned and free from obstructions.
- Check that the drawer contents are not interfering with closure.
- Verify that all assembly screws for the drawer slides are tightened.
