Assembly Instructions

Assembly is simple and typically takes about 15 minutes. Follow the detailed graphic instructions provided in the package. No special tools are required beyond the included wrench.

1. **Step 1: Attach Casters to Base Frame.** Secure the four 360° rotating casters to the bottom frame of the cart. Ensure the two casters with brakes are positioned on the same side for easy locking.
2. **Step 2: Assemble the Vertical Frame.** Connect the vertical metal tubes to the base frame and then to the middle and top frames, ensuring all connections are secure.
3. **Step 3: Install Shelves.** Place the engineered wood shelves onto the designated frame levels. The shelves are designed to fit snugly.
4. **Step 4: Attach Wine Rack and Glass Holders.** Secure the wine rack and glass holder attachments to the top shelf frame as shown in the diagrams. These can be disassembled if not desired.
5. **Step 5: Add S-shaped Hooks.** Hang the 6 S-shaped hooks onto the side bars for additional storage of small utensils.

Operating Instructions

- **Moving the Cart:** To move the cart, unlock the casters by flipping the brake levers upwards. Use the handle to guide the cart to your desired location.
- **Securing the Cart:** Once in position, push the brake levers downwards on the two locking casters to prevent the cart from rolling.
- **Loading Items:** Place bottles in the wine rack, hang wine glasses in the designated holders, and arrange other items on the shelves. Ensure heavier items are placed on lower shelves for stability.
- **Wine Rack Use:** The wine rack is designed to hold wine bottles horizontally, keeping corks moist.

Maintenance

- **Cleaning:** Wipe down the engineered wood shelves and metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Hardware:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Casters:** Keep casters free of debris to ensure smooth rolling.

Troubleshooting

- **Wobbly Cart:** Ensure all screws are tightened. Check that the cart is on a level surface.

- **Casters Not Rolling Smoothly:** Check for any hair or debris caught in the wheels. Clean as necessary. Ensure casters are unlocked.
- **Difficulty Assembling:** Refer to the detailed graphic instructions. Ensure you are using the correct parts for each step. Do not force parts together.
