SERWALL B0DFBYZC56

SERWALL Outdoor Bench Instruction Manual

Model: B0DFBYZC56

INTRODUCTION

Thank you for choosing the SERWALL Outdoor Bench. This manual provides essential information for the safe assembly, operation, and maintenance of your new bench. Crafted from durable High-Density Polyethylene (HDPE) and featuring 304 stainless steel hardware, this bench is designed for long-lasting outdoor use, offering comfort and resilience against various weather conditions.

SAFETY INFORMATION

- **Weight Limit:** Do not exceed the maximum weight capacity of 660 lbs (approximately 300 kg).
- **Cleaning:** Clean the bench with a damp cloth to maintain its integrity. Avoid harsh chemicals that may damage the material.
- **Storage:** Consider storing the bench indoors or covering it during extreme weather conditions to prolong its lifespan.
- **Assembly:** Ensure all parts are securely fastened according to the assembly instructions before use.

PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present and undamaged. The package typically includes:

- Bench Seat
- Backrest
- Armrests (Left and Right)
- Leg Supports
- Connecting Bars
- 304 Stainless Steel Hardware (screws, bolts, washers)
- Assembly Tools (e.g., Allen wrench)
- Instruction Manual

SETUP AND ASSEMBLY

The SERWALL Outdoor Bench is designed for straightforward assembly. All necessary hardware and tools are included. For best results, follow these steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Verify against the package contents list.
2. **Assemble Legs:** Attach the leg supports to the connecting bars using the provided hardware.
3. **Attach Seat:** Secure the bench seat to the assembled leg structure.
4. **Install Backrest and Armrests:** Fasten the backrest and armrests to the main bench structure. Ensure all screws are tightened securely.
5. **Final Check:** Double-check all connections to ensure stability and safety before using the bench.

MAINTENANCE

The SERWALL Outdoor Bench is designed for low maintenance due to its HDPE material. To keep your bench in optimal condition:

- **Cleaning:** Regularly wipe the bench with a damp cloth to remove dust and dirt. For more stubborn stains, a mild soap solution and water can be used. Rinse thoroughly with water.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or bleach, as these can damage the HDPE material.
- **Seasonal Care:** While the bench is all-weather resistant, covering it during prolonged periods of extreme weather (heavy snow, intense sun) can help preserve its appearance over time.

TROUBLESHOOTING

If you encounter any issues with your SERWALL Outdoor Bench, consider the following common solutions:

- **Bench feels wobbly:** Ensure all bolts and screws are fully tightened. Re-tighten any loose fasteners.
- **Difficulty with assembly:** Review the assembly instructions and video carefully. Ensure you are using the correct hardware for each step. A second person can often assist with aligning parts.
- **Surface stains:** Refer to the maintenance section for cleaning recommendations. Most stains can be removed with mild soap and water.
- **Missing parts:** Contact SERWALL customer support immediately if any parts are missing from your package.

SPECIFICATIONS

Product Dimensions	22.72"D x 48.82"W x 35"H
Material	High Density Polyethylene (HDPE)
Frame Material	High Density Polyethylene (HDPE)
