IAMJOY UFO5

IAMJOY Bluetooth Headset UFO5 User Manual

Dual-Mic V5.4 Wireless Bluetooth Earpiece

1. Product Overview

The IAMJOY UFO5 Bluetooth Headset is designed for clear communication and comfortable all-day wear. Featuring advanced Dual-Mic ENC (Environmental Noise Canceling) technology, it effectively reduces up to 96% of background noise, ensuring crystal-clear calls even in noisy environments. Equipped with Bluetooth V5.4, it offers swift, stable, and seamless wireless connectivity with a wide range of devices.

2. What's Included

Your IAMJOY UFO5 Bluetooth Headset package contains the following items:

- IAMJOY UFO5 Bluetooth Headset
- User Manual

- Charging Cable (Type-C)
- 2 x Replaceable Lithium Polymer Batteries (140mAH each)

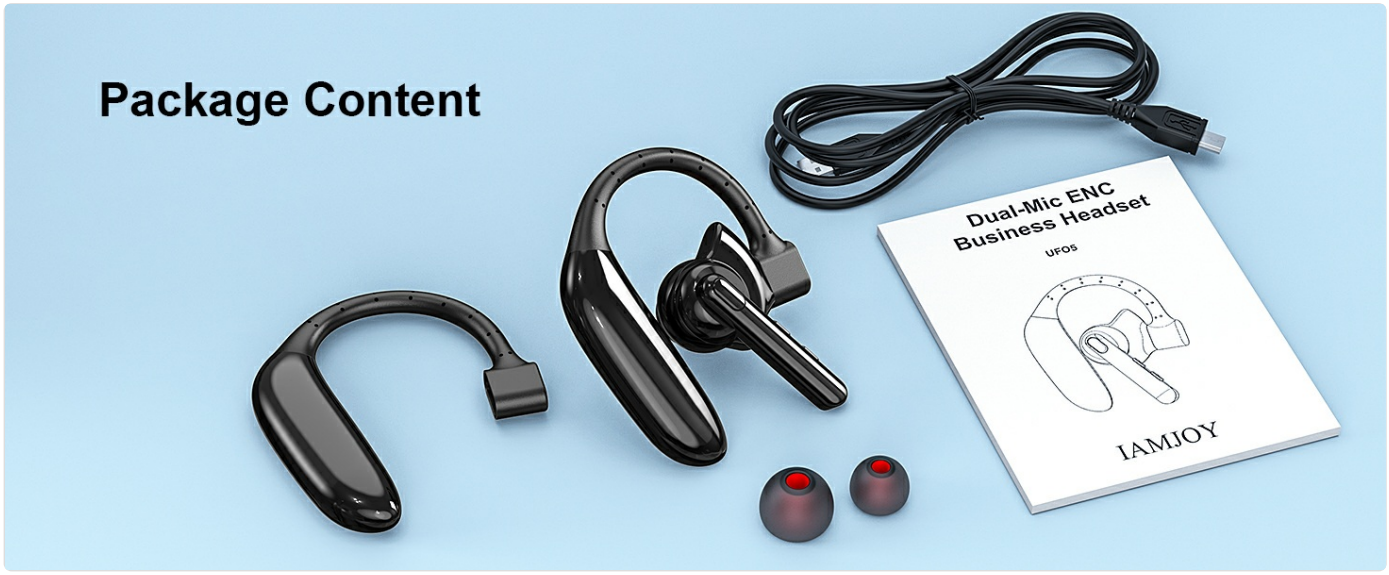

Image: Contents of the IAMJOY UFO5 package, including the headset, charging cable, and user manual.

3. Setup

3.1 Charging the Headset

Before first use, fully charge your headset. The headset features a detachable design for charging. Simply pull off the earpiece part to reveal the Type-C charging port. Connect the provided Type-C cable to a power source.

- **Charging Time:** Approximately 1.5 hours for a full charge.
- **Indicator Light:** The indicator light will be BLUE when charging and will turn OFF when fully charged.
- **Battery Life:** Enjoy up to 14 hours of talk time and 28 hours of music playback on a single charge. The headset offers an impressive 140 hours of standby time.

3.2 Pairing with Your Device

The IAMJOY UFO5 headset offers one-step auto pairing for quick and easy connection.

1. Ensure your headset is charged.
2. Turn on the headset by holding the MFB button for 3-5 seconds.
3. Activate Bluetooth on your smartphone, tablet, or computer.
4. Search for "UFO5" in the list of available Bluetooth devices and select it to connect.
5. Once connected, the headset will automatically pair with your device in the future when in range.

With Bluetooth V5.4 technology, you can enjoy high-speed transmission, no latency, and a stable connection up to 33 feet (10 meters).

4. Wearing the Headset

The IAMJOY UFO5 is designed for maximum comfort and versatility, allowing wear on either the left or right ear. Its ultralight design (only 0.42 oz) ensures comfort for extended periods.

- **Ergonomic Design:** The flexible ear hook and soft earbud provide a secure and comfortable fit without causing discomfort or strain.
- **Microphone Adjustment:** The microphone arm is 120° rotatable, allowing you to position it optimally for clear voice pickup, regardless of which ear you wear the headset on.

Image: Instructions on how to wear the headset on both left and right ears, and how to adjust the 120° rotatable microphone for optimal positioning.

5.3 Noise Cancellation

The IAMJOY UFO5 features a Dual-Mic ENC noise-canceling microphone, which effectively eliminates up to 96% of environmental noise. This ensures that your voice is picked up clearly and distinctly, providing a more focused and efficient communication experience in various settings.

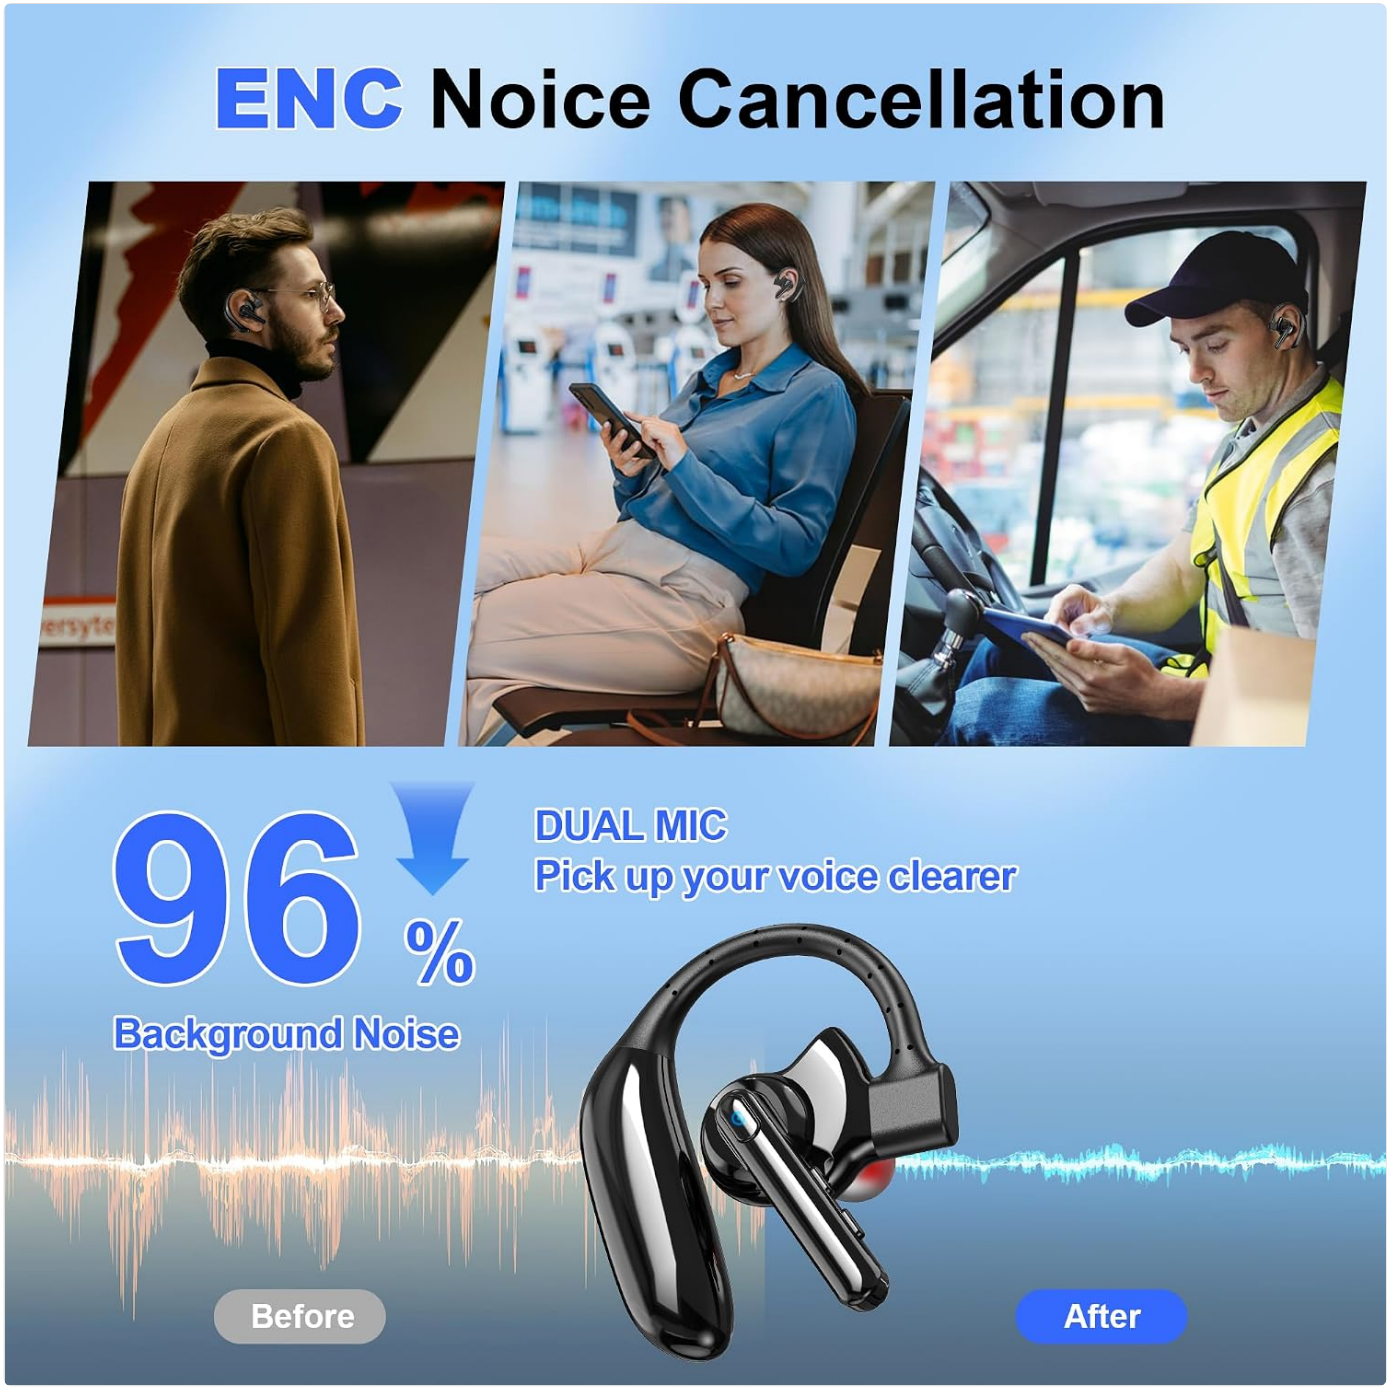

Image: Visual demonstrating the effectiveness of the ENC noise cancellation, showing a significant reduction in background noise for clearer calls.

6. Compatibility

The IAMJOY UFO5 Bluetooth Headset is widely compatible with most Bluetooth-enabled devices, including:

- iPhone series
- Samsung, HTC, LG, SONY, and other Android cell phones
- PC, Laptops, and Tablets

Connect your mobile device or tablet through Bluetooth and move freely with up to a 33 ft (10 m) range.

7. Maintenance

To ensure the longevity and optimal performance of your IAMJOY UFO5 Bluetooth Headset, please follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the headset. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the headset in a cool, dry place away from extreme temperatures and direct sunlight.
- **Water Resistance:** Please note that this headset is **Not Water Resistant**. Avoid exposure to water, rain, or excessive moisture to prevent damage.
- **Battery Care:** For optimal battery health, avoid fully discharging the battery frequently. Charge the headset regularly, even if not in constant use.

Noise Control	Adaptive Noise Cancellation (Dual-Mic ENC)
Earpiece Shape	In-ear, Ear-hook
Item Weight	3.52 ounces
Water Resistance Level	Not Water Resistant
Compatible Devices	Cellphones, iPhone series, PC, iPad, Android, Laptop

9. Troubleshooting

If you encounter any issues with your IAMJOY UFO5 headset, please refer to the following common problems and solutions:

- **Headset not turning on:**
  Ensure the headset is fully charged. Connect it to the charging cable and check the indicator light.
- **Unable to pair with device:**
  Make sure Bluetooth is enabled on your device and the headset is in pairing mode (usually indicated by a flashing light). Ensure the headset is within the 10-meter range. Try turning both the headset and your device's Bluetooth off and on again.
- **No sound or low volume during calls/music:**
  Check the volume levels on both the headset and your connected device. Ensure the headset is selected as the audio output device on your phone or computer. *When making a call, please pay attention to whether you are connecting to a Bluetooth headset or a speaker to play the sound to prevent the call volume from being too low.*
- **Poor call quality or excessive background noise:**
  Ensure the microphone is positioned correctly and not obstructed. The Dual-Mic ENC technology is designed to reduce noise, but extreme noise environments may still affect clarity. Try moving to a quieter location.
- **Intermittent connection:**
  This could be due to interference. Move away from other wireless devices or strong electromagnetic fields. Ensure the headset is within the effective Bluetooth range of your device.

10. Warranty & Support

IAMJOY is committed to providing high-quality products and excellent customer service.

- **Warranty Service:** Your IAMJOY UFO5 Bluetooth Headset comes with a 365-day warranty service from the date of purchase. Please retain your proof of purchase for warranty claims.
- **Customer Support:** For any questions, technical assistance, or warranty inquiries, please contact our 24/7 online customer support. Refer to the contact information provided on the product packaging or our official website.
