AKONE AK-ZG-01M

AKONE AK-ZG-01M Portable Outdoor Bluetooth Speaker

User Manual

1. INTRODUCTION

Thank you for purchasing the AKONE AK-ZG-01M Portable Outdoor Bluetooth Speaker. This manual provides essential information for the safe and efficient operation of your device. Please read it thoroughly before use and retain it for future reference.

2. SAFETY INFORMATION

- Do not expose the speaker to extreme temperatures, direct sunlight, or open flames.
- Avoid dropping or subjecting the speaker to strong impacts.
- Do not disassemble, repair, or modify the speaker yourself. Contact qualified service personnel for any repairs.
- Ensure the charging port cover is securely closed when using the speaker near water to maintain its IP67 water and dust resistance.
- Keep the speaker away from medical devices.
- Use only the provided or certified charging cables and adapters.

3. PACKAGE CONTENTS

Please check that all items are present in your package:

- AKONE AK-ZG-01M Portable Outdoor Bluetooth Speaker
- USB Charging Cable
- User Manual

4. SETUP

4.1 Charging the Speaker

Before first use, fully charge the speaker. Connect the USB charging cable to the speaker's charging port and to a compatible USB power adapter (not included). The charging indicator will show the charging status and turn off when fully charged. The speaker features a 10000mAh battery for extended playtime.

Image: The AKONE AK-ZG-01M speaker is designed for extended playtime, offering up to 20 hours of audio on a single charge thanks to its integrated 10000mAh battery.

4.2 Powering On/Off

- To power on: Press and hold the Power button until the indicator lights illuminate.
- To power off: Press and hold the Power button until the indicator lights turn off.

4.3 Bluetooth Pairing

1. Ensure the speaker is powered on and in Bluetooth pairing mode (indicated by a flashing Bluetooth light).

2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "AKONE AK-ZG-01M" from the list of devices.
4. Once connected, the Bluetooth indicator light will become solid, and you will hear a confirmation sound.

4.4 True Wireless Stereo (TWS) Pairing

For an enhanced stereo experience, you can pair two AKONE AK-ZG-01M speakers together.

1. Ensure both speakers are powered on and not connected to any Bluetooth device.
2. On one speaker, press the TWS button. It will enter TWS pairing mode.
3. The speakers will automatically search for and connect to each other. A confirmation sound will indicate successful pairing.
4. Once TWS paired, connect your device to one of the speakers via Bluetooth as described in section 4.3. Both speakers will then play audio in stereo.

5. OPERATING INSTRUCTIONS

5.1 Basic Controls

- **Play/Pause:** Press the Play/Pause button once.
- **Volume Up:** Press the Volume + button.
- **Volume Down:** Press the Volume - button.
- **Next Track:** Press and hold the Volume + button.
- **Previous Track:** Press and hold the Volume - button.

5.2 Light Modes

The speaker features unique breathing lights around the diaphragms and rhythm lights on the handle that synchronize with music. Press the Light button to cycle through different light modes or to turn the lights off.

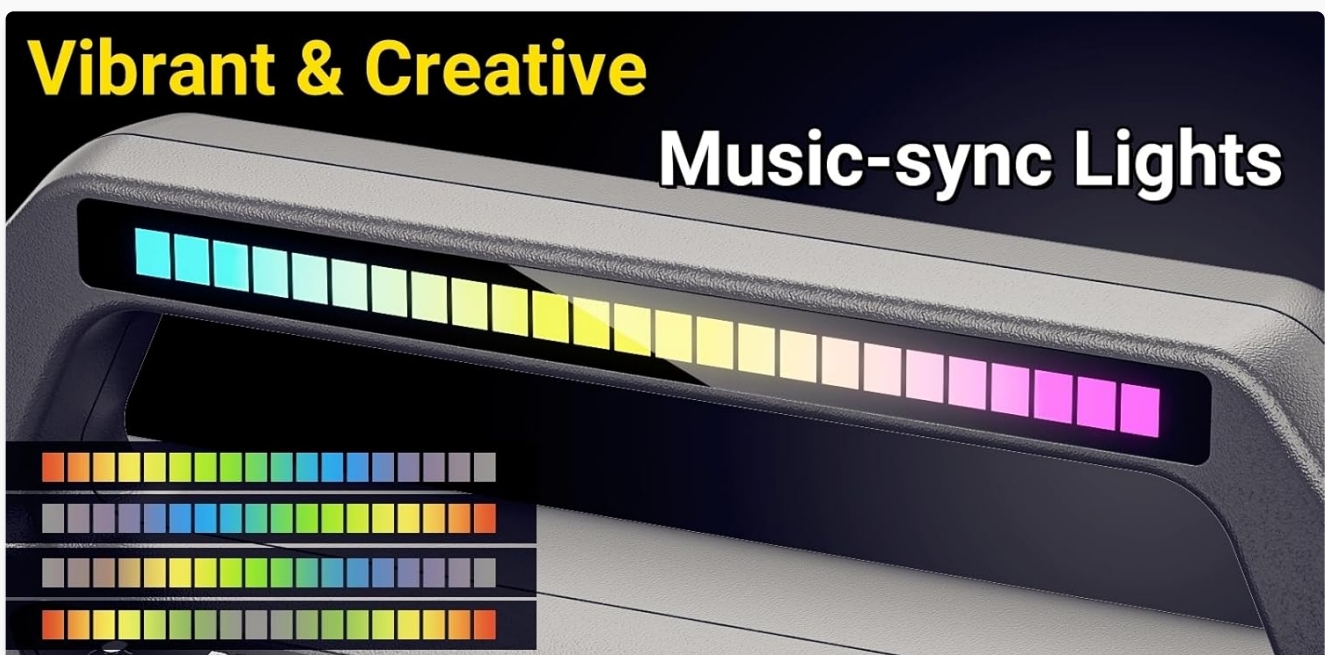

Image: The AKONE AK-ZG-01M speaker features vibrant, music-syncing lights and an intensified bass pulse for an immersive audio-visual experience.

5.3 Bass Boost Function

Activate the Bass Boost feature by pressing the dedicated Bass button to enhance low-frequency audio output for a deeper sound experience.

5.4 Using as a Power Bank

The AKONE AK-ZG-01M speaker includes dual charge out ports, allowing you to charge your smartphone or other compatible devices using the speaker's internal battery.

6. MAINTENANCE

6.1 Cleaning

Wipe the speaker with a soft, damp cloth. Do not use abrasive cleaners or solvents. Ensure the charging port cover is sealed before cleaning with water.

6.2 Storage

Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures. If storing for an extended period, charge the battery to approximately 50% every few months to prolong battery life.

6.3 Water and Dust Resistance (IP67)

The AKONE AK-ZG-01M is rated IP67, meaning it is protected against dust ingress and can withstand immersion in water up to 1 meter for 30 minutes. Ensure all port covers are securely closed before exposure to water or dust. After exposure to water, dry the speaker thoroughly before charging.

WATER & DUST RESISTENT

Excellent Outdoor Adaptability

Image: The AKONE AK-ZG-01M speaker demonstrating its IP67 water and dust resistance, making it suitable for various outdoor conditions.

7. TROUBLESHOOTING

- **No Power:** Ensure the speaker is charged. Connect it to a power source and try again.
- **No Sound:** Check the volume levels on both the speaker and your connected device. Ensure the device is properly paired via Bluetooth.
- **Bluetooth Pairing Issues:** Make sure the speaker is in pairing mode. Turn off Bluetooth on your device and turn it back on. Try unpairing and re-pairing the speaker. Ensure no other devices are connected to the speaker.
- **TWS Pairing Issues:** Ensure both speakers are fully charged and not connected to any other Bluetooth device before initiating TWS pairing. Try resetting both speakers.
- **Distorted Sound:** Reduce the volume on both the speaker and your device. Ensure the speaker is not too far from your device.
