5. MAINTENANCE

To ensure the longevity and hygiene of your activity cube, follow these maintenance tips:

- **Cleaning:** Wipe the surface of the toy with a soft, damp cloth. Use mild soap if necessary, then wipe with a clean, damp cloth to remove any soap residue.

- **Drying:** Allow the toy to air dry completely before storing or allowing children to play with it again.
- **Storage:** Store the toy in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or strong detergents, as these can damage the toy's materials and paint.

6. TROUBLESHOOTING

If you encounter any issues with your Vanvimen 20-in-1 Toddler Busy Board Activity Cube, consider the following general advice:

- **Non-responsive parts:** Check if any movable parts are jammed or obstructed. Gently try to free them.
- **Unusual sounds:** If the toy makes unexpected noises, inspect for any loose components or foreign objects.
- **Damage:** If the toy is visibly damaged, discontinue use to prevent injury.

For persistent issues, please refer to the Warranty and Support section.
