Merax Merax

Merax Full Size Bamboo Platform Bed User Manual

Model: Merax | Brand: Merax

INTRODUCTION

Thank you for choosing the Merax Full Size Bamboo Platform Bed. This manual provides essential information for the assembly, use, and maintenance of your new bed frame. Designed with a mid-century modern aesthetic, this bed frame features solid bamboo construction, wood slat support, and a tall headboard, offering both durability and style without the need for a box spring.

SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use.

- **Weight Limit:** Do not exceed the maximum weight limit of 500 pounds.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Keep small parts away from children during assembly to prevent choking hazards.
- Assemble the bed frame on a soft, clean surface to prevent damage to the product or your flooring.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Headboard
- Footboard
- Side Rails (2)
- Wood Slats
- Center Support Bar (Metal)
- Support Legs (Metal)
- Assembly Hardware (Screws, Bolts, Allen Wrench)
- Assembly Instructions

SETUP & ASSEMBLY

The Merax Bamboo Platform Bed is designed for easy and quick assembly. Follow these steps for a smooth setup.

Step-by-Step Assembly:

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface. Refer to the parts list to ensure everything is present.
2. **Assemble Headboard:** Attach the headboard panels together using the provided hardware. Ensure all connections are secure.
3. **Attach Side Rails to Headboard:** Connect the side rails to the headboard using the mortise and tenon structure. This interlocking design ensures a sturdy connection.
4. **Attach Side Rails to Footboard:** Similarly, connect the side rails to the footboard.
5. **Install Center Support Bar:** Position the metal center support bar and attach it to the designated points on the side rails. Secure the metal support legs to the center bar.
6. **Place Wood Slats:** Lay the wood slats across the bed frame. The slats are designed with a Velcro system for easy placement and to prevent shifting, ensuring a noise-free experience.
7. **Final Check:** Double-check all connections to ensure they are tight and secure before placing your mattress.

OPERATING & USAGE

Your Merax Bamboo Platform Bed is designed for optimal comfort and convenience.

- **Mattress Compatibility:** This platform bed is designed to support latex, memory foam, or spring mattresses directly, eliminating the need for a box spring.
- **Under-Bed Storage:** Utilize the 8-inch clearance beneath the bed for convenient storage of excess items, helping to keep your bedroom tidy.
- **Noiseless Design:** The slatted support system is engineered to minimize noise, ensuring a quiet and undisturbed sleep experience.
- **Tall Headboard:** The 42.5-inch high headboard provides comfortable backrest support, reducing muscle stress in the neck and back when sitting up in bed.

MAINTENANCE

Proper care will extend the life and beauty of your Merax Bamboo Platform Bed.

- **Cleaning:** Wipe down the bamboo surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Dusting:** Regularly dust the bed frame to prevent buildup.
- **Tighten Connections:** Periodically check all bolts and screws and re-tighten them as needed to maintain stability and prevent squeaks.
- **Under-Bed Cleaning:** The 8-inch clearance allows for easy access for vacuum cleaners or sweeping robots, facilitating routine cleaning under the bed.

TROUBLESHOOTING

If you encounter any issues with your Merax Bamboo Platform Bed, refer to the following common solutions:

- **Squeaking Noises:**

- Ensure all assembly hardware is securely tightened. Loose connections are a common cause of squeaks.
- Check that the wood slats are properly seated and not rubbing against the frame. The Velcro design should minimize this.

- **Instability/Wobbling:**

- Verify that the bed frame is on a level surface.
- Re-check all connections, especially those at the headboard, footboard, and side rails, to ensure they are fully engaged and tightened.
- Confirm the metal center support bar and its legs are correctly installed and providing adequate support.

- **Parts Not Fitting:**

- Review the assembly instructions carefully to ensure you are using the correct parts for each step and orienting them correctly.
- Do not force parts together. If a part does not fit, re-examine the instructions and the part itself.

If troubleshooting steps do not resolve the issue, please contact Merax customer support for further assistance.

SPECIFICATIONS

Feature	Detail
Brand	Merax
Model Number	Merax
Size	Full
Product Dimensions	78"L x 58"W x 42.5"H
