3. SETUP (ASSEMBLY)

Assembly is required for this product. It is recommended that two adults assemble the bed. Please follow these general steps and refer to the detailed instructions included in your package for specific part identification and assembly sequence.

Preparation:

1. Unpack all components and hardware from the boxes.
2. Verify that all parts listed in the included parts list are present and undamaged.
3. Clear a spacious area for assembly, preferably near the final placement of the bed.
4. Keep children and pets away from the assembly area to prevent accidents.

Assembly Steps:

1. Begin by assembling the main bed frame structure according to the numbered steps in your specific

manual.

2. Attach the L-shaped desk components to the main frame.
3. Assemble the wardrobe section and integrate it with the bed frame.
4. Construct the storage stairs. Note that the stairs can be installed on either the left or right side as per your preference.
5. Install the USB charging ports and LED light strip, ensuring all connections are secure.
6. Securely attach all guardrails to the upper bunk.
7. Once fully assembled, double-check all bolts and screws to ensure they are tightly fastened.

4. OPERATING INSTRUCTIONS

Using the Bed:

- Access the upper bunk using the integrated storage stairs.
- Ensure the mattress is properly placed within the guardrails.

Using the L-Shaped Desk:

The spacious L-shaped desk provides an area for studying, working, or creative activities. Position your computer, books, and other essentials as needed.

USB Charging Ports:

Connect your electronic devices (e.g., smartphones, tablets) to the integrated USB ports for convenient charging. Ensure the bed is connected to a power source for the USB ports to function.

LED Light Strip:

The LED light strip provides ambient lighting. Locate the control switch (if applicable) to turn the lights on/off or adjust settings. Ensure the bed is connected to a power source for the LED lights to function.

5. MAINTENANCE

Cleaning:

- Wipe the metal frame and wooden surfaces with a dry cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- For spills, wipe immediately with a damp cloth and dry thoroughly.

Regular Checks:

- Periodically inspect all bolts, screws, and connections to ensure they remain tight. Re-tighten as necessary.
- Check the integrity of the bed frame, guardrails, and stairs for any signs of wear or damage.
- Ensure the USB ports and LED light strip are functioning correctly and that their wiring is intact.

6. TROUBLESHOOTING

Common Issues:

- **Bed feels wobbly:** Check all assembly bolts and screws. Re-tighten any loose connections. Ensure the bed is on a level surface.
- **USB ports not charging:** Verify that the bed's power cord (if applicable) is securely plugged into a working electrical outlet. Check the USB cable and device.
- **LED light strip not working:** Ensure the bed's power cord is connected. Check the light strip's connection and any inline switches.
- **Missing parts during assembly:** Carefully re-check all packaging. If parts are still missing, contact customer support immediately.
