- **Cleaning:** Wipe the PU leather surfaces with a soft, damp cloth. For stubborn stains, use a mild soap solution and dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Pillow Care:** The velvet lumbar pillow can be spot cleaned. For deeper cleaning, refer to the care label on the pillow.
- **Hardware Check:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary.
- **Caster Cleaning:** Remove any hair or debris that may accumulate around the casters to ensure smooth rolling.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the PU leather to fade or crack.
