DICTAC VDFX-01

DICTAC Makeup Vanity Desk with Sliding LED Lighted Mirror (Model: VDFX-01) Instruction Manual

Comprehensive guide for assembly, operation, and maintenance.

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your DICTAC Makeup Vanity Desk with Sliding LED Lighted Mirror. This vanity desk features a sliding LED mirror with adjustable lighting, RGB glass cabinets, ample storage, and a built-in charging station. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

Important Safety Information

- **Anti-Tip Device:** This product includes an anti-tip device for the vanity mirror to prevent it from tipping over. Please follow the instructions provided with the product to install and use the anti-tip device properly.
- Ensure all connections for the charging station are secure before use.
- Do not overload electrical outlets.
- Keep liquids away from electrical components.
- Assembly should be performed by adults. Keep small parts away from children.

Package Contents

Your DICTAC Makeup Vanity Desk package includes all necessary hardware and components for assembly. Please verify all parts are present before beginning assembly. Refer to the detailed instructions included in your package for a complete

list of parts.

Note: The vanity desk is typically shipped in two separate boxes, which may arrive on different days.

Setup and Assembly

Assembly of the DICTAC Makeup Vanity Desk requires careful attention to detail. It is recommended to follow every step in the provided instructions. A power drill can significantly speed up the process.

1. **Unpack and Organize:** Carefully unpack all components and lay them out. Verify all parts against the included parts list. Each panel is numbered, and hardware is bagged and labeled for easy identification.
2. **Assemble Drawers:** Begin by assembling the drawers. Attach the sides to the front and back panels using the provided screws. Ensure all connections are tight.
3. **Construct Base Frame:** Assemble the main base frame of the vanity desk, including the side cabinets and the central desk area.

4. **Install Drawer Slides:** Attach the metal drawer slides to the inside of the cabinet frames and to the sides of the assembled drawers. Ensure they are aligned for smooth operation.
5. **Attach Top Panel:** Secure the main desktop panel to the assembled base.
6. **Assemble Upper Storage Unit:** Construct the upper storage unit, including the shelves and the RGB glass cabinet.
7. **Install Sliding Mirror:** Carefully place the LED lighted mirror into its sliding track on the upper unit.
8. **Mount Upper Unit:** With assistance, lift and secure the upper storage unit onto the main desktop.
9. **Install Charging Station:** Place the charging station into its designated slot and connect the power cable.
10. **Attach Hairdryer Rack:** Secure the hairdryer rack to the side of the vanity.
11. **Install Anti-Tip Device:** For safety, install the anti-tip device by securing it to the back of the vanity and to a wall stud.
12. **Final Touches:** Insert all drawers, ensuring they slide smoothly. Place the upholstered stool in position.

Operating Instructions

1. LED Lighted Mirror

The mirror features integrated LED lighting with adjustable settings.

- **Power On/Off:** Touch the power button icon on the mirror surface to turn the LED lights on or off.
- **Change Light Color:** Tap the power button icon to cycle through three light colors: Warm, Natural, and Cool Daylight.
- **Adjust Brightness:** Long press the power button icon to adjust the brightness level from 0% to 100%. Release when the desired brightness is reached.

2. RGB Glass Cabinet Lights

The glass cabinet is equipped with RGB lighting, offering a wide range of colors and modes.

- **Control Methods:** The RGB lighting can be controlled via a physical switch or through a dedicated mobile application.
- **Color and Mode Selection:** Use the switch or app to select from over 60,000 colors and various lighting modes.
- **Music Synchronization:** The system can synchronize lighting effects with music when controlled via the mobile app.

3. Sliding Mirror and Hidden Storage

The LED mirror slides horizontally to reveal additional storage shelves behind it.

- **Accessing Hidden Storage:** Gently slide the LED mirror to the left or right to access the shelves and metal hooks located behind it.
- **Storage Capacity:** These shelves are ideal for storing skincare products, perfumes, and jewelry on the integrated

metal hooks.

4. Charging Station and Hairdryer Rack

The vanity desk includes a convenient charging station and a dedicated hairdryer rack.

- **Charging:** Utilize the 2 standard plug sockets and 2 USB ports to charge your electronic devices.
- **Hairdryer Storage:** The attached rack provides a secure and accessible place to store your hairdryer or curling iron.

5. General Storage Features

The vanity desk offers extensive storage solutions to keep your items organized.

- **Drawers:** The desk includes five storage drawers (two large, three deep) with smooth metal slides and elegant metal handles for easy access.
- **Shelves:** Open top space, a wide desktop, and two side shelves provide additional areas for display and storage.
- **RGB Glass Cabinet:** The glass cabinet offers three layers of storage space, ideal for cosmetics or decorative items.

Maintenance

- **Cleaning Surfaces:** Wipe down all surfaces with a soft, damp cloth. Avoid abrasive cleaners that may damage the finish.
- **Mirror Care:** Clean the LED mirror with a glass cleaner and a microfiber cloth. Do not spray cleaner directly onto the mirror to prevent liquid from entering electrical components.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If needed, apply a small amount of silicone lubricant.
- **Electrical Components:** Ensure all electrical connections are dry and free from dust. Do not attempt to repair electrical components yourself.

Troubleshooting

Problem	Possible Cause	Solution
LED mirror lights not turning on.	Power cable disconnected; power outlet issue; mirror light switch off.	Check if the vanity is plugged in securely. Ensure the power switch for the mirror is activated. Test the outlet with another device.
RGB cabinet lights not working.	Power connection issue; app not connected; physical switch off.	Verify power connection. Check the physical switch for the RGB lights. If using the app, ensure it's correctly paired and updated.
Drawers are stiff or wobbly.	Improper assembly of drawer slides; loose screws; debris in slides.	Recheck assembly instructions for drawer slides. Tighten any loose screws. Clean debris from the slides and apply silicone lubricant if necessary.
Charging station not working.	Power switch off; device not compatible; power surge.	Ensure the charging station's power switch is on. Verify your device is compatible. If issues persist, contact customer support.

Specifications
