## RiceBlock RB0107

# RiceBlock City Fire Rescue Plane Building Set

Model: RB0107

## INTRODUCTION

---

Thank you for choosing the RiceBlock City Fire Rescue Plane Building Set. This manual provides detailed instructions for assembling, operating, and maintaining your new building set. Please read through this manual carefully before beginning assembly to ensure a smooth and enjoyable building experience.

The complete RiceBlock City Fire Rescue Plane Building Set, including the plane, drone, and satellite rescue station.

## SETUP AND ASSEMBLY

Your RiceBlock City Fire Rescue Plane Building Set contains 691 pieces designed for ages 6 and up. Follow the step-by-step instructions provided in the separate assembly guide included in your package. Ensure all pieces are accounted for before starting. If any parts are missing, please refer to the 'Warranty and Support' section.

### Key Assembly Tips:

- Sort pieces by color and type to streamline the building process.
- Pay close attention to the orientation of each brick as shown in the diagrams.
- Ensure all connections are firm to maintain structural integrity.

## OPERATING INSTRUCTIONS

---

Once assembled, your Fire Rescue Plane and Satellite Rescue Station offer various interactive features for realistic firefighting play.

### Fire Rescue Plane Features:

- **Water-Drop Function:** The plane is equipped with a mechanism to simulate water drops. Load the blue 'water' elements into the designated compartment on top of the fuselage. Press the lever at the rear of the plane to release the elements.
- **Movable Parts:** The plane features movable propellers and landing gear for dynamic play.
- **Detachable Drone:** A small drone can be detached from the plane for additional rescue scenarios.

### Satellite Rescue Station:

- The station includes a command post with a rotating radar dish and storage areas for firefighting equipment.

# Command post

The Satellite Rescue Station, featuring a control tower and equipment storage.

## MAINTENANCE

---

To ensure the longevity and continued enjoyment of your RiceBlock building set, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to gently wipe down the bricks and assembled models. For stubborn dirt, a slightly damp cloth can be used, but ensure all parts are thoroughly dried afterward. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the building set in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic. Keep small pieces in a container to avoid loss.
- **Handling:** Handle the assembled models with care to prevent pieces from detaching or breaking.

## TROUBLESHOOTING

---

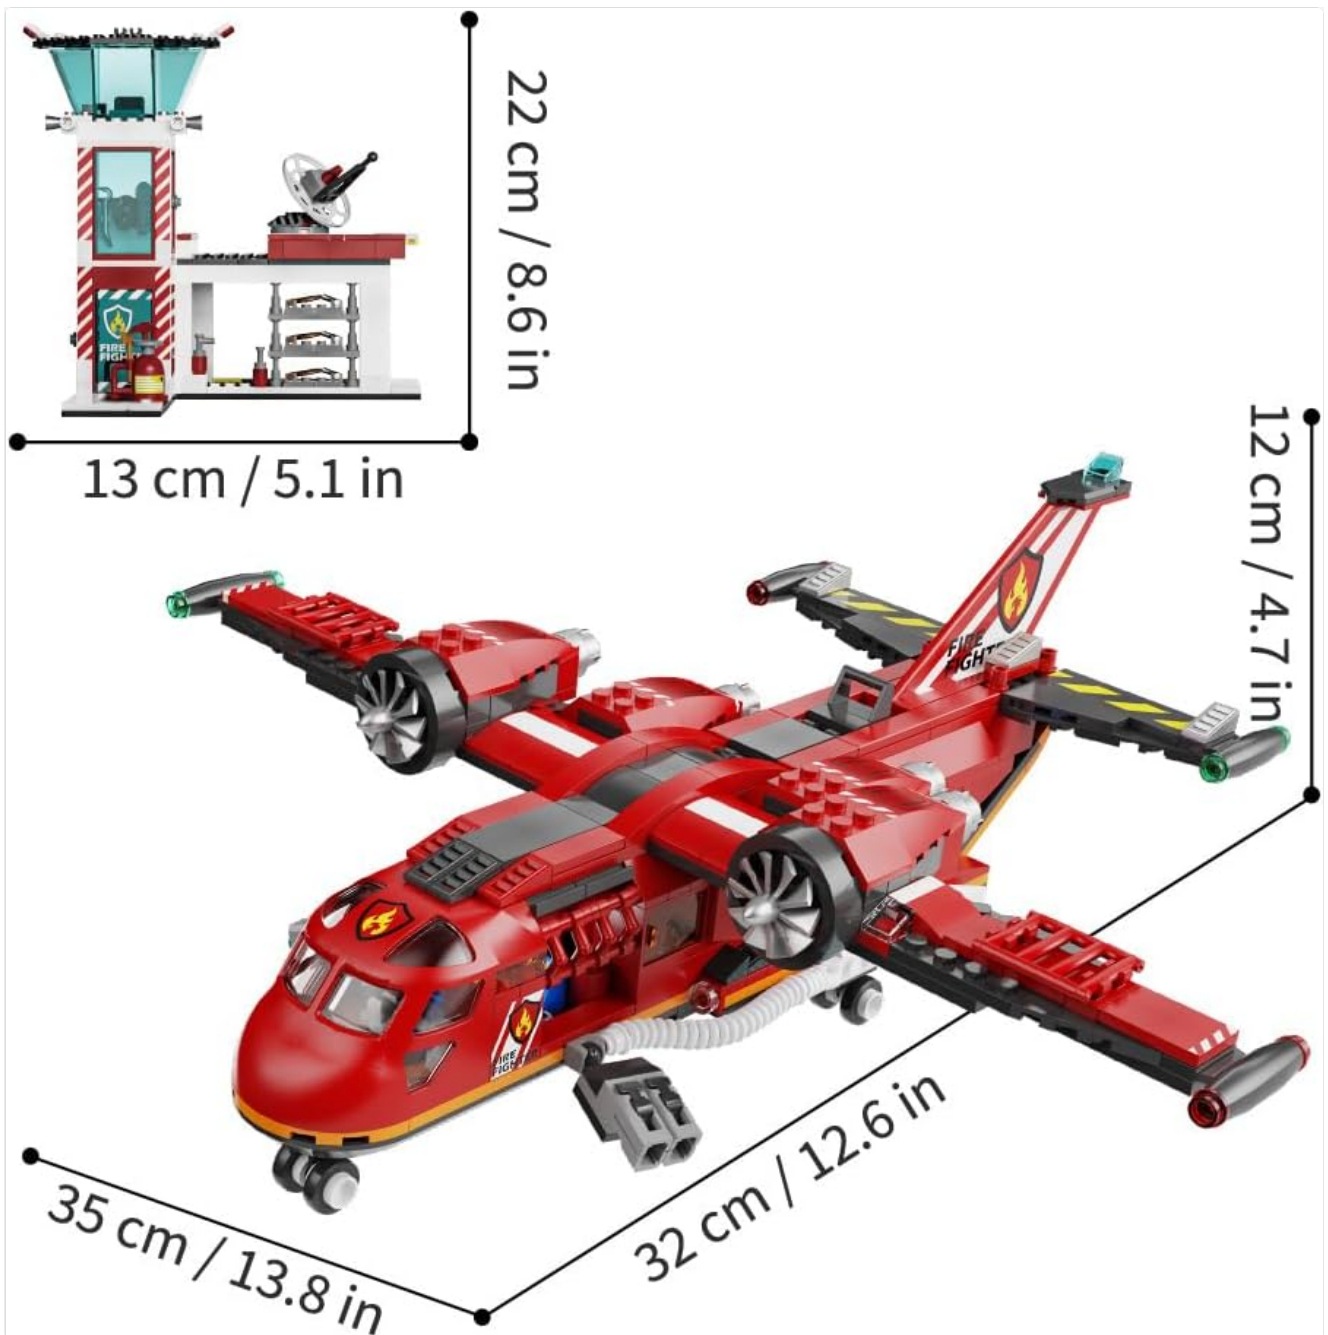

If you encounter any issues with your RiceBlock City Fire Rescue Plane Building Set, please refer to the following common solutions:

Problem	Possible Cause	Solution
Missing pieces upon opening	Manufacturing error or packaging oversight.	Contact RiceBlock customer service for prompt reissuance of missing components. Refer to 'Warranty and Support' section.
Model unstable or parts detach easily	Pieces not fully pressed together during assembly.	Carefully review the assembly guide and ensure all bricks are firmly connected. Apply gentle, even pressure.
Water-drop function not working	Mechanism obstructed or elements not loaded correctly.	Check the compartment for any obstructions. Ensure the 'water' elements are placed correctly and the lever mechanism moves freely.

## SPECIFICATIONS

---

Feature	Detail
Product Dimensions	11 x 8.2 x 2.75 inches
Item Weight	2.07 pounds
Item Model Number	RB0107
Manufacturer Recommended Age	16 years and up (Note: Product description suggests 6+ for play)
Number of Pieces	691
