Lamshaw IDW15 Smartwatch Band 19mm

Lamshaw IDW15 Smartwatch Band: 19mm Elastic Silicone Replacement Straps User Manual

Comprehensive guide for installation, features, and care.

1. INTRODUCTION

Thank you for choosing the Lamshaw 19mm Elastic Silicone Hollowed Out Replacement Straps for your IDW15 Smartwatch. This manual provides detailed instructions to ensure proper installation, usage, and maintenance of your new watch band. Please read this guide carefully before use.

2. PRODUCT FEATURES

- **Material:** Crafted from premium soft elastic silicone, designed to be skin-friendly, breathable, and comfortable for daily wear. It is also durable, waterproof, and dirt-proof.
- **Design:** Features a stylish narrow, thin, and hollowed-out design, making the band lighter and less bulky. The metal classic clasp ensures security and stability.
- **Easy Installation:** Equipped with smart watch lugs at both ends for accurate and secure attachment to your smartwatch. Simple, direct installation and one-click removal.

Elegance · beauty coexist

3. COMPATIBILITY

These 19mm replacement straps are compatible with the following smartwatch models:

- Fitpolo IDW15 1.8" Smart Watch
- GAXIWILO Smartwatch
- Parsonver Smartwatch
- TMHAI Smartwatch
- WMK Smartwatch
- Quican Smartwatch
- VERYFIT Smartwatch
- Aeac IDW15 Smartwatch

Please ensure your watch model is listed above or has a 19mm lug width before installation.

4. INSTALLATION GUIDE

Follow these steps to install or replace your smartwatch band:

1. Locate the spring bars on your smartwatch. These are small pins that hold the current band in place.
2. If replacing an old band, gently push the spring bar inwards to release one side of the band from the watch lug. Repeat for the other side.
3. Take one half of your new Lamshaw band. Insert one end of the spring bar into the corresponding hole on the watch lug.
4. While holding that end in place, push the other end of the spring bar inwards and align it with the opposite hole on the watch lug. Release the spring bar to secure the band.
5. Gently tug on the band to ensure it is securely attached before wearing. Repeat the process for the other half of the band.
6. To adjust the length of the hollowed-out band, you may need to add or remove individual links. Carefully detach links by pushing out the small pins connecting them, and reattach as needed to achieve your desired fit.

Your browser does not support the video tag.

Video: This video demonstrates how to connect and disconnect the individual links of the hollowed-out silicone band, which is essential for adjusting its length and assembling the strap.

5. SIZING INFORMATION

The Lamshaw slim elastic silicone bands are designed to fit wrists with a circumference ranging from 5.6 inches to 7.1 inches (140mm-180mm). The 19mm band width is specifically for compatible smartwatches.

Image: A hand holding a smartwatch with the band attached, illustrating the band's length and how it fits on a wrist.

6. CARE AND MAINTENANCE

To ensure the longevity and hygiene of your Lamshaw smartwatch band, follow these care instructions:

- **Cleaning:** The silicone material is dirt-proof and waterproof. You can clean the band with mild soap and water. Rinse thoroughly and dry completely before reattaching to your smartwatch.

- **Avoid Harsh Chemicals:** Do not expose the band to strong chemicals or solvents, as this may damage the silicone or the metal clasp.
- **Storage:** Store the band in a cool, dry place away from direct sunlight when not in use to prevent material degradation.

7. SPECIFICATIONS

Brand	Lamshaw
Model	IDW15 Smartwatch Band (19mm Elastic Silicone Hollowed Out Replacement Straps)
Material	Elastic Silicone
Band Width	19mm

8. TROUBLESHOOTING

If you encounter any issues with your watch band, please refer to the following common solutions:

- **Band not attaching securely:** Ensure the spring bars are correctly seated in the watch lugs. Sometimes, a slight wiggle or pressure is needed to fully engage the pin.
- **Discomfort or irritation:** Ensure the band is not too tight. Clean the band regularly to prevent buildup of sweat or debris that could cause irritation.
- **Band appears loose after adjustment:** Double-check the adjustment mechanism to ensure it is firmly locked in place.

9. WARRANTY AND SUPPORT

For warranty information or further support, please refer to the product packaging or contact the seller directly through the platform where the purchase was made. Keep your proof of purchase for any warranty claims.
