

PayLessHere Counter Height Bar Stools

PayLessHere Bar Stools Set of 2 Instruction Manual

Model: Counter Height Bar Stools | Brand: PayLessHere

1. INTRODUCTION

Thank you for choosing the PayLessHere Bar Stools Set of 2. These modern, height-adjustable swivel bar stools are designed to provide comfort and style to your kitchen, bar, or dining area. This manual provides essential information for safe assembly, operation, and maintenance of your new bar stools. Please read it thoroughly before use and retain it for future reference.

2. SAFETY INFORMATION

- **Maximum Weight Capacity:** Do not exceed the maximum weight recommendation of **250 pounds (113 kg)** per stool. Exceeding this limit may result in injury or damage to the product.
- **Stability:** Always ensure the stool is placed on a stable, level surface to prevent tipping. Avoid standing on the stool.
- **Assembly:** Ensure all components are securely fastened before use. Do not use the stool if any parts are loose or damaged.
- **Children:** Keep children away from the assembly area. Do not allow children to play with the stools unsupervised, especially during height adjustment.
- **Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer, birth defects, or other reproductive harm.

3. PACKAGE CONTENTS

Please check that all parts are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 2 x Seat with Backrest
- 2 x Gas Lift Cylinder

- 2 x Footrest Ring
- 2 x Base Plate
- Assembly Tools (Hex Key, Screws)

4. ASSEMBLY INSTRUCTIONS

Assembly is required for these bar stools. Please follow these steps carefully.

1. **Prepare the Base:** Place the large round base plate on a flat, stable surface. Ensure the rubber ring on the bottom of the base is properly seated to protect your floor.
2. **Insert Gas Lift:** Insert the gas lift cylinder into the center hole of the base plate. Ensure it is firmly seated.
3. **Attach Footrest:** Slide the footrest ring over the gas lift cylinder.
4. **Attach Seat:** Carefully align the mounting plate under the seat with the top of the gas lift cylinder. Press down firmly until the seat is securely attached to the gas lift.
5. **Final Check:** Once assembled, gently test the stability of the stool before full use. Repeat for the second stool.

5. OPERATING INSTRUCTIONS

5.1. Height Adjustment

The bar stools feature a gas lift mechanism for easy height adjustment.

- **To Raise:** While standing, pull the gas lift handle upwards. The seat will automatically rise. Release the handle at the desired height.
- **To Lower:** While seated, pull the gas lift handle upwards. The seat will lower under your weight. Release the handle at the desired height. If the mechanism feels stuck, sit firmly on the stool and operate the lever.

5.2. 360-Degree Swivel

The seat of the bar stool can rotate 360 degrees, allowing for flexible movement and interaction.

HIGH QUALITY BAR STOOL Has Stable Bearing Capacity

Smooth PU leather
water resistance, easy for cleaning

Comfortable foot, can relieve leg
fatigue, comfortable and firm

Enlarge the chassis, stabilize the
support, upgrade the rubber band,
protect the floor

6. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your bar stools.

- **Cleaning:** The PU leather surface is easy to clean. Wipe with a damp cloth and mild soap if necessary. Avoid harsh chemicals or abrasive cleaners, as these can damage the material.
- **Spills:** Clean spills immediately to prevent staining.
- **Frame Care:** The chrome metal frame can be wiped clean with a soft, dry cloth. Avoid scratching the chrome finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Floor Protection:** Ensure the rubber ring on the base remains intact to prevent scratches on your floor and reduce noise when moving the stool.

Comfortable Seat Cushion

The swivel bar stool's seat cushion is comfortable and covers the PU leather

- High density sponge
- Excellent resilience
- Comfortable & breathable

7. TROUBLESHOOTING

If you encounter any issues with your bar stools, please refer to the following common solutions:

- **Stool is Wobbly:** Ensure all assembly screws are tightened. Check that the base is on a flat, even surface.
- **Height Adjustment Not Working:** If the gas lift mechanism is stiff or not responding, try sitting firmly on the stool while pulling the lever to lower it, or stand up and pull the lever to raise it. Ensure no obstructions are preventing movement.
- **Squeaking Noises:** Check for loose connections and tighten any screws. A small amount of silicone spray

on moving parts (avoiding the seat material) may help.

If problems persist, please contact customer support for further assistance.

8. SPECIFICATIONS
