PACKAGE CONTENTS

Before starting assembly, verify that all components are present. The Mould King Ocean Explorer Ship Building Kit 10134 includes:

- 380 building block pieces, organized in numbered bags.
- One comprehensive, full-color instruction guide.
- Sticker sheet for detailed decorations (if applicable).

If any parts are missing or damaged, please refer to the "Warranty & Support" section for assistance.

ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included full-color manual. The building process is divided into stages, with pieces organized in numbered bags to simplify identification and assembly.

1. **Preparation:** Unpack all contents and lay out the numbered bags. Keep the instruction guide open to the current step.
2. **Step-by-Step Building:** Begin with Bag 1 and follow the visual instructions. Each step clearly illustrates which pieces are needed and where they should be placed.

3. **Component Integration:** Pay close attention to the assembly of specific features such as the transmission tower, fishing boat cabins, and the control panel.
4. **Detailing:** Apply any included stickers as indicated in the manual to enhance the model's appearance.

The assembly process is designed to be straightforward, ensuring an enjoyable experience. If you encounter difficulty, double-check the previous steps and ensure all pieces are correctly oriented.

OPERATING INSTRUCTIONS

The Mould King Ocean Explorer Ship is designed for display and imaginative play. While it is a static model, its intricate details allow for various interactive scenarios.

- **Display:** Position the assembled ship on a flat, stable surface. Its substantial size makes it a visually striking display piece.
- **Imaginative Play:** Engage with the ship's features, such as the swiveling crane and the detailed cabin interior, to create exploration narratives.
- **Movable Parts:** The model includes a swiveling crane and a signal receiver. Handle these parts gently during interaction.

DEVELOPS HANDS-ON BUILDING SKILLS

MAINTENANCE

To ensure the longevity and appearance of your Mould King Ocean Explorer Ship, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model carefully, especially when moving it, to prevent pieces from detaching.

TROUBLESHOOTING

If you encounter any issues during assembly or with the finished model, consider the following:

- **Missing Pieces:** Carefully check all packaging and bags. If a piece is genuinely missing, contact customer support as detailed in the "Warranty & Support" section.
- **Difficulty Connecting Blocks:** Ensure the blocks are correctly aligned and apply firm, even

pressure. Some connections may require a bit more force. Refer to the instruction guide for correct orientation.

- **Model Instability:** Re-examine the base and core structure steps in the instruction manual to ensure all connections are secure.
