Bestier P300151SUS-RST-R

Bestier 10 Gallon Fish Tank Stand with Power Outlet - Model P300151SUS-RST-R Instruction Manual

Model: P300151SUS-RST-R | Brand: Bestier

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Bestier 10 Gallon Fish Tank Stand. Designed for 5-10 gallon aquariums, this stand features a robust metal frame, adjustable storage shelves, and an integrated power outlet for convenience. Please read this manual thoroughly before assembly and use to ensure safe and proper operation.

2. PRODUCT FEATURES

- **Sturdy Support:** Engineered with a robust metal frame and 6-leg support system, providing superior stability for 5-10 gallon aquatic habitats with a total weight capacity of up to 264 lbs.
- **Integrated Power Outlet:** Includes 3 AC outlets and 2 USB ports, creating a centralized hub for aquarium accessories and reducing cord clutter.
- **Compact Industrial Design:** Features a Rustic Brown wood finish and Sandy Black metal frame, blending with various home decors. P2-grade water-resistant boards ensure durability.
- **3-Tier Adjustable Storage:** Two adjustable panels allow customization for storing filters, fish food, and water conditioners.
- **Space-Saving Design:** The 20.3 x 10.6 inch tabletop is sized for 10-gallon aquariums, ideal for small spaces, apartments, bedrooms, or offices.
- **Enhanced Stability:** 6 support legs and X-shape reinforcement ensure zero-wobble performance.
- **Adjustable Leveling Feet:** Equipped with 4 adjustable leveling feet to balance the stand on uneven surfaces, preventing stress on the aquarium glass.
- **Dual-Side Assembly:** Power outlets and adjustable shelves can be installed on either the left or right side to adapt to room layout and power source location.
- **Versatile Use:** Suitable for reptile and turtle tanks, providing a stable base for terrariums or hermit crab habitats.
- **Quick Assembly:** Comes with all necessary tools and clear instructions for quick setup, including anti-tip hardware for safety.

3. SPECIFICATIONS

Attribute	Detail
Brand	Bestier
Model Number	P300151SUS-RST-R
Product Dimensions (L x W x H)	20.3 x 10.6 x 30.3 inches
Item Weight	18.3 pounds
Load Capacity	264 Pounds
Material	Engineered Wood, Metal
Color	Rustic Brown
Finish Type	Powder Coated
Assembly Required	Yes
Power Outlet	3 AC Outlets, 2 USB Ports

4. SETUP AND ASSEMBLY

The Bestier 10 Gallon Fish Tank Stand is designed for quick and straightforward assembly. All necessary tools and clear instructions are included in the package. Please follow the step-by-step guide provided with your product for detailed assembly.

- Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the instruction manual are present and undamaged.
- Assemble Frame:** Connect the metal frame pieces according to the diagrams. Ensure all screws are tightened securely.
- Install Shelves:** Place the engineered wood shelves into their designated positions. Note that the adjustable shelves can be configured on either the left or right side to suit your needs.
- Attach Power Outlet:** Secure the integrated power outlet unit to the designated section of the stand.
- Adjust Leveling Feet:** Once assembled, place the stand in its desired location. Adjust the 4 leveling feet at the bottom to ensure the stand is perfectly balanced and stable on any floor surface.
- Install Anti-Tip Hardware:** For maximum safety, especially in households with children or pets, attach the provided anti-tip hardware to secure the stand to the wall.

5. OPERATING INSTRUCTIONS (POWER OUTLET)

The integrated power outlet provides convenient access to power for your aquarium equipment.

- 1. Connect to Wall Outlet:** Plug the main power cord of the stand into a standard wall outlet.
- 2. Connect Devices:** Utilize the 3 AC outlets for devices such as aquarium lights, heaters, or filters. The 2 USB ports can be used for charging or powering smaller USB-compatible accessories.
- 3. Cable Management:** Arrange cables neatly to prevent tangles and ensure safe operation. The dual-side assembly option allows for optimal cable routing based on your setup.

6. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your fish tank stand.

- **Cleaning:** The water-resistant surfaces can be easily wiped clean with a damp cloth. Avoid abrasive cleaners that may damage the finish.
- **Check Stability:** Periodically check the tightness of all screws and the stability of the leveling feet to ensure the stand remains level and secure.
- **Power Outlet Care:** Ensure the power outlets are kept dry. Disconnect from the main power source before cleaning or if any issues arise.

7. TROUBLESHOOTING

If you encounter any issues with your Bestier Fish Tank Stand, refer to the following common solutions:

- **Stand Wobbles:** Adjust the leveling feet at the bottom of the stand until it is stable on all four corners. Ensure all assembly screws are tightened.
- **Power Outlet Not Working:** Check if the main power cord is securely plugged into the wall outlet. Verify that the wall outlet itself is functional by testing with another device. If issues persist, discontinue use and contact customer support.
- **Missing Parts:** If any parts are missing upon unboxing, please contact Bestier customer support for assistance.

8. WARRANTY AND SUPPORT

For warranty information, product support, or to order replacement parts, please contact Bestier customer service. Refer to the contact details provided in your product packaging or visit the official Bestier website.

Seller: Bestier USA

Return Policy: 30-day refund/replacement (as per Amazon's buybox winner information).
