

GDFStudio 320178

GDFStudio King Size Upholstered Platform Bed with Tall Headboard Instruction Manual

Model: 320178

1. SETUP AND ASSEMBLY

This section provides detailed instructions for assembling your GDFStudio King Size Upholstered Platform Bed. Please ensure all components are present before beginning assembly.

1.1 Unpacking and Component Check

Carefully unpack all parts from the single box. Lay out all components on a clean, soft surface to prevent scratches. Verify that all hardware and parts listed in the included assembly guide are present.

The bed ships conveniently in one box, carefully packed to protect all components during transit.

1.2 Assembly Tools

A ratcheting wrench is provided to assist with faster assembly. No additional tools are typically required.

1.3 Assembly Steps

Assembly is designed to be straightforward and typically takes approximately 30 minutes for two adults. Follow the step-by-step instructions provided in the physical assembly guide included with your product.

For visual assistance, an assembly video may be available from the manufacturer's website or product page. Refer to the provided instructions for specific details.

Image: Close-up view of how the wooden slats attach to the bed frame, showing the Velcro or similar fastening mechanism for secure placement.

2. OPERATION AND USAGE

This section outlines the operational aspects and proper usage of your GDFStudio Platform Bed.

2.1 Mattress Support System

The bed features a durable metal base with wooden slats, eliminating the need for a box spring. The slats provide robust support for your mattress.

The bed frame is designed to support a King size mattress. A recommended mattress thickness of 9 inches or greater is suggested for optimal comfort and aesthetics.

Fits One King Size Mattress

(not included)

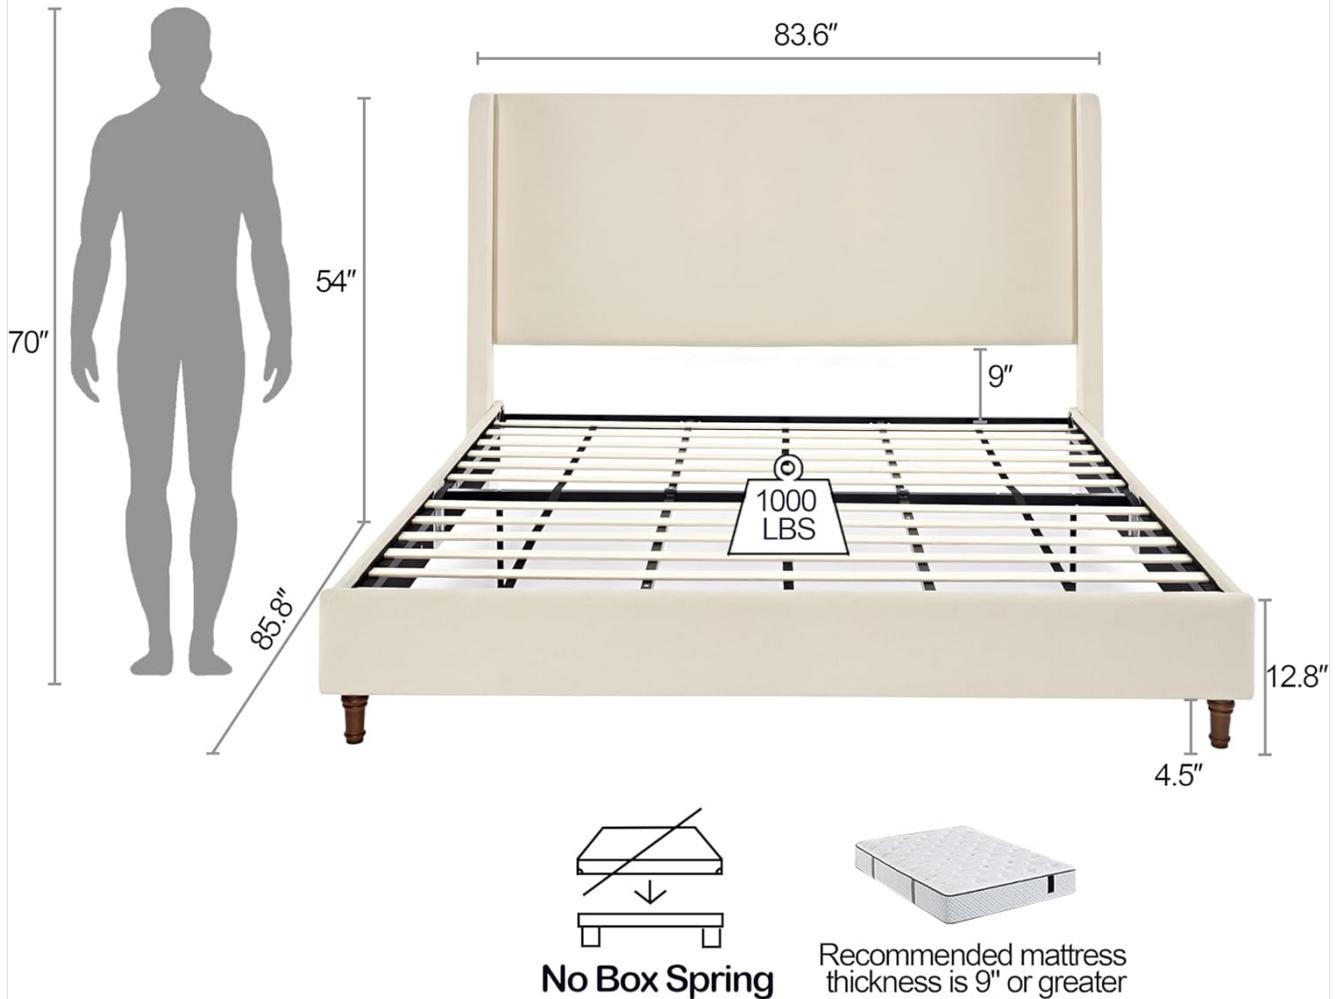

Image: A diagram illustrating the overall dimensions of the King size bed frame (85.8"L x 83.6"W x 54"H headboard height, 12.8" bed height) and indicating that no box spring is needed. It also shows a recommended mattress thickness of 9 inches or greater.

2.2 Weight Capacity

The sturdy construction and wooden slat system are tested to support up to 1000 lbs. Do not exceed this total weight limit on the bed.

Image: A detailed view of the wooden slats resting on the metal frame, highlighting the robust support system designed to hold the

mattress without a box spring.

3. CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your upholstered platform bed.

3.1 Upholstery Care

The fabric upholstery should be spot cleaned only. Use a clean, damp cloth with a mild detergent for any spills or stains. Blot gently; do not rub vigorously. Test any cleaning solution on an inconspicuous area first.

Image: A close-up photograph of the Ivory Boucle fabric, showing its textured weave. This detail is important for understanding the material's care requirements.

3.2 Frame and Legs

Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary to maintain stability. The solid wood feet with a walnut finish can be wiped clean with a dry cloth.

4. TROUBLESHOOTING

This section addresses common issues you might encounter with your bed frame.

4.1 Squeaking Noises

If the bed frame produces squeaking noises, check the following:

- **Loose Connections:** Ensure all bolts and screws are securely tightened. Over time, connections can loosen, causing movement and noise.
- **Slat Placement:** Verify that all wooden slats are correctly positioned and securely fastened to the frame. Misaligned or loose slats can cause friction and noise.
- **Mattress Compatibility:** Ensure your mattress is compatible with a slat-based platform bed and is not causing undue stress on the frame.

4.2 Instability or Wobbling

If the bed feels unstable or wobbles, re-examine the assembly steps. Ensure all parts are correctly installed and all hardware is fully tightened. Uneven flooring can also contribute to instability; consider using furniture pads or shims under the legs if necessary.

4.3 Damaged or Missing Parts

If you discover any damaged or missing parts during unpacking or assembly, do not proceed with assembly. Contact GDFStudio customer support immediately for assistance.

5. PRODUCT SPECIFICATIONS

Below are the technical specifications for the GDFStudio King Size Upholstered Platform Bed, Model 320178.

Feature	Detail
Model Number	320178
Size	King

Product Dimensions (L x W x H)	85.8" x 83.6" x 54"
Color	Ivory Boucle
Material	Fabric, Metal
Finish Type	Upholstered
Special Feature	No Box Spring Needed
Included Components	Headboard, Platform
Compatible Mattress Size	King
Headboard Material	Fabric
Item Weight	119.5 pounds
