

## VITCOCO JP-500ML

# VITCOCO Portable Travel Bidet User Manual

Model: JP-500ML

### 1. INTRODUCTION

---

Thank you for choosing the VITCOCO Portable Travel Bidet. This device is designed to provide convenient and hygienic personal cleaning on the go. Its compact, rechargeable, and waterproof design makes it ideal for travel, postpartum care, and daily hygiene needs. Please read this manual thoroughly before use to ensure proper operation and maintenance.

## 2. SAFETY INFORMATION

---

- Do not immerse the charging port in water. Ensure the rubber stopper is tightly sealed before cleaning the device.
- Before storing the main device inside the water bottle, ensure the bottle is completely dry to prevent damage from residual water.
- Use only clean water for operation. For cleaning, warm water between 40-60 degrees Celsius (104-140 degrees Fahrenheit) can be used.
- Keep out of reach of children.
- Do not attempt to disassemble or repair the device yourself. Contact customer support if issues arise.

## 3. PRODUCT COMPONENTS

---

The VITCOCO Portable Travel Bidet consists of the following main components:

- Main Bidet Unit (with retractable nozzle and control buttons)
- 200ML Water Bottle/Reservoir
- USB Charging Cable (Type-C)
- Carrying Pouch

## 4. SETUP

### 4.1 Initial Charging

1. Locate the USB charging port on the main bidet unit.
2. Connect the provided USB charging cable to the bidet unit and to a compatible USB power source (e.g., mobile phone charger, power bank, car USB charger, laptop USB port).

3. Charge the device for approximately 1.5 hours for a full charge. A full charge provides up to 60 uses.

## 4.2 Assembling the Bidet

1. Ensure the main bidet unit is fully charged.
2. Fill the 200ML water bottle with clean water.
3. Attach the main bidet unit securely to the top of the filled water bottle by screwing it on.

## 5. OPERATING INSTRUCTIONS

### 5.1 Using the Bidet

1. Once assembled and filled with water, extend the nozzle by rotating it up to 180 degrees.
2. Position the bidet as needed for personal cleaning.

3. Press the power button (switch) once for the first gear (gentle spray).
4. Press the power button a second time for the second gear (stronger spray).
5. Press the power button a third time to turn off the device.
6. After use, retract the nozzle and empty any remaining water from the bottle.

## **6. MAINTENANCE**

### **6.1 Cleaning the Device**

- The entire body of the bidet is IPX7 waterproof and can be washed.
- Before washing, ensure the rubber stopper for the charging port is tightly sealed to prevent water ingress.
- For thorough cleaning, the device can be placed in warm water (40-60 degrees Celsius / 104-140 degrees Fahrenheit).
- Do not use harsh chemicals or abrasive cleaners. Use mild soap and water if necessary.
- Rinse thoroughly and allow to air dry completely before storage.

# IPX7

## Waterproof

Image: The VITCOCO Portable Travel Bidet partially submerged in water, illustrating its IPX7 waterproof rating, which allows for easy cleaning.

### 6.2 Storage

- Before storing the main device inside the water bottle, ensure the bottle is completely dry to avoid damage to the device caused by residual water.
- Store the bidet in its carrying pouch in a cool, dry place away from direct sunlight.
- The compact design allows for space-saving storage in backpacks or suitcases.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on.	Battery is low or depleted.	Charge the device for 1.5 hours using the provided USB cable.
Weak water spray.	Low battery or insufficient water in the bottle.	Recharge the device or refill the water bottle. Ensure the nozzle is fully extended.
Water leakage.	Main unit not securely attached to the bottle or rubber stopper not sealed.	Ensure the main unit is screwed tightly onto the bottle. Check that the charging port's rubber stopper is firmly in place.

Problem	Possible Cause	Solution
Device makes unusual noise.	Possible obstruction or internal issue.	Ensure the water path is clear. If the issue persists, contact customer support.
