YAUWOH YXM02OG01-YWS

YAUWOH Metal Bathroom Storage Cabinet (Model YXM02OG01-YWS) Instruction Manual

1. INTRODUCTION

Thank you for choosing the YAUWOH Metal Bathroom Storage Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read it thoroughly before beginning assembly and retain it for future reference.

This versatile freestanding metal cabinet, model YXM02OG01-YWS, features two doors and two adjustable shelves, offering practical storage solutions for various rooms including bathrooms, living rooms, dining rooms, and entryways. Its robust metal construction ensures durability and stability.

2. SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- **Anchoring:** Ensure the cabinet is securely anchored to the wall using the provided hardware to prevent tipping over, especially in households with children or pets.
- **Weight Limit:** Do not exceed the maximum weight capacity of 60 pounds per shelf. Overloading can compromise stability and cause damage.
- **Handling:** Use caution when handling heavy items during assembly and placement. It is recommended to have two people for lifting and moving the cabinet.
- **Placement:** Place the cabinet on a flat, stable surface. Uneven surfaces can lead to instability.
- **Sharp Edges:** Some metal edges may be sharp. Wear gloves during assembly to protect your hands.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or

damaged, please contact customer support.

Part	Description	Quantity
Top Panel	Cabinet top surface	1
Bottom Panel	Cabinet base	1
Side Panels	Left and Right sides	2
Back Panels	Rear support panels	2
Doors	Front access doors	2
Adjustable Shelves	Internal storage shelves	2
Legs	Base support legs	4
Hardware Kit	Screws, connectors, hinges, door knobs, wall anchor kit	1 set
Tools	Screwdriver, gloves	1 set

4. SETUP AND ASSEMBLY

Assembly is straightforward. All parts are labeled, and necessary tools (screwdriver, gloves) are included. Follow the steps below or refer to the assembly video for visual guidance.

- 1. Prepare the Base:** Attach the adjustable feet to the bottom of the leg frames (H*2).
- 2. Assemble the Frame:** Connect the side panels (A*1) to the leg frames. Secure them with screws (R*4).
- 3. Install Top Panel:** Place the top panel (C*1) onto the assembled frame and secure it with screws (R*4).
- 4. Attach Back Panels:** Slide the back panels (B*2) into the grooves on the rear of the cabinet. Secure them with screws (J*2).
- 5. Insert Shelf Supports:** Place the shelf support clips (O*8) into the desired height holes on the side panels.
- 6. Position Shelves:** Carefully place the adjustable shelves (D*3) onto the installed shelf supports.
- 7. Attach Doors:** Mount the doors (F*1) using the provided hinges. Ensure they swing freely.
- 8. Install Door Magnets:** Attach the magnetic catches (Q*2) to the cabinet frame and the corresponding metal plates (Z*2) to the inside of the doors to ensure secure closure.
- 9. Attach Door Knobs:** Secure the door knobs (T*2, U*2) to the front of the doors.
- 10. Wall Anchoring:** For safety, use the included anchor hardware to secure the cabinet to a wall.

5. OPERATING INSTRUCTIONS

The YAUWOH Metal Bathroom Storage Cabinet is designed for ease of use and adaptability.

- Adjustable Shelves:** The cabinet features two adjustable shelves. To change a shelf's height, remove all items from the shelf, lift the shelf, reposition the shelf support clips to the desired height,

and then reinsert the shelf. This allows customization for items of varying sizes, such as tall bottles or small appliances.

- **Door Operation:** The two doors open and close smoothly. Magnetic catches ensure the doors remain securely shut when not in use.
- **Multipurpose Use:** This cabinet is suitable for organizing toiletries in a bathroom, storing condiments in a kitchen, holding books as a bookcase, or providing extra storage in a living room or dining room.

6. MAINTENANCE

To ensure the longevity and appearance of your YAUWOH Metal Bathroom Storage Cabinet, follow these maintenance tips:

- **Cleaning:** The electrostatic powder coating and anti-rust treatment make the cabinet easy to clean. Use a soft, damp cloth with mild soap and water. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Rust Prevention:** The cabinet is designed to be waterproof and rust-proof. However, promptly wipe away any standing water to maintain its condition, especially in high-humidity environments like bathrooms.

- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your cabinet, please refer to the following common solutions:

- **Wobbly Cabinet:** Ensure the cabinet is placed on a level surface. Adjust the leveling feet at the bottom of the legs to stabilize the unit. Check that all assembly screws are tightened.
- **Doors Not Closing Properly:** Verify that the magnetic catches are correctly aligned and securely installed. Check hinges for proper attachment and adjustment. Ensure no items inside the cabinet are obstructing the doors.
- **Difficulty Adjusting Shelves:** Make sure the shelf support clips are fully inserted into the holes on the side panels. Ensure the shelf is level before placing items on it.

If problems persist, please contact YAUWOH customer support for assistance.

8. SPECIFICATIONS
