

Lucyd Moonrise

Lucyd Lyte (2025 Version) Moonrise Smart Glasses User Manual

Model: Moonrise (LCD006-190)

INTRODUCTION

Welcome to the Lucyd Lyte (2025 Version) Moonrise Smart Glasses user manual. These smart glasses combine timeless eyewear design with advanced technology, offering Bluetooth connectivity, open-ear audio, and AI-powered features. This manual provides essential information for setting up, operating, and maintaining your new smart glasses.

WHAT'S IN THE BOX

Your Lucyd Lyte Moonrise Smart Glasses package includes the following items:

- Lucyd Audio Glasses
- Slip Case
- Cleaning Cloth
- User Manual (this document)
- Quick Start Guide

SETUP

1. Charging Your Glasses

Before initial use, fully charge your Lucyd Lyte glasses. Connect the charging cable to the charging port on the glasses and to a USB power source. The LED indicator will show charging status.

2. Bluetooth Pairing

1. Ensure your glasses are charged and powered on.
2. Activate Bluetooth on your smartphone or other device.
3. Search for available devices and select "Lucyd Lyte Moonrise" from the list.

4. Confirm pairing if prompted. The LED indicator on the glasses will confirm successful connection.

3. Lucyd App Installation

For full functionality, including AI features and advanced settings, download the official Lucyd app from your device's app store. Follow the in-app instructions to connect your glasses.

OPERATING INSTRUCTIONS

Power On/Off

To power on or off your Lucyd Lyte glasses, press and hold the power button located on the temple for approximately 3 seconds until you hear an audio prompt or see the LED indicator change.

Music Playback

Once paired, you can stream audio from your connected device. Use the controls on the glasses (refer to the Quick Start Guide for specific button functions) to play, pause, skip tracks, and adjust volume.

Call Management

When a call comes in, you can answer or end it using the controls on the glasses. The built-in microphone allows for hands-free communication.

Voice Assistant (Siri/AI)

Activate your device's voice assistant (e.g., Siri) or the integrated AI features through the Lucyd app by using the designated voice command or button press. This allows for hands-free commands, note-taking, and information retrieval.

Walkie-Talkie Functionality

If supported by the Lucyd app and another Lucyd Lyte device, you may be able to use a walkie-talkie feature for direct communication. Refer to the app for setup and usage details.

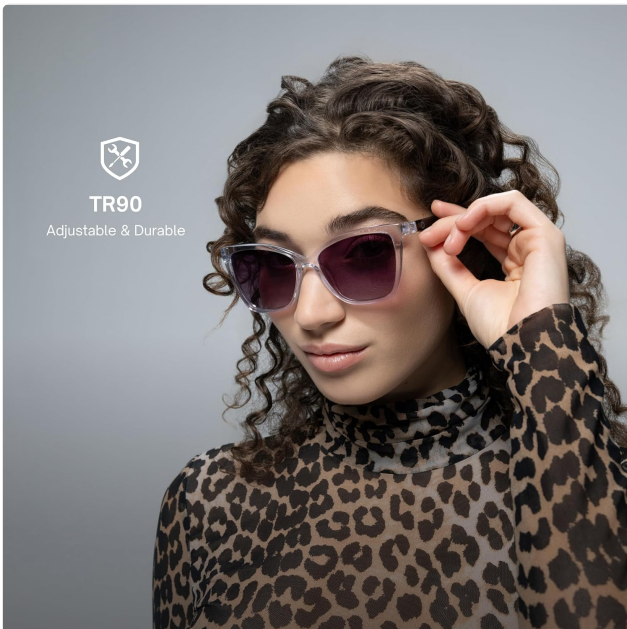

FEATURES OVERVIEW

Overview of Lucyd Lyte Moonrise Smart Glasses highlighting open-air audio, voice assistance, all-day connection, and AI-powered features.

- **Bluetooth Connectivity:** Seamlessly connect to your devices for hands-free calls and wireless music streaming.
- **UV400 Polarized Lenses:** Provides protection against harmful UV rays and reduces glare, enhancing visual clarity for outdoor activities.
- **Open-Ear Speakers and Microphone:** Integrated open-ear speakers deliver audio without blocking ambient sounds, ensuring situational awareness. The built-in microphone allows for clear, hands-free communication.
- **AI-Powered Features:** Connect to advanced AI functionalities, including ChatGPT integration, through the Lucyd app for intelligent assistance.
- **All-Day Connection:** Enjoy up to 12 hours of music or talk time per charge with the rechargeable Lithium-Ion battery.
- **Durable TR90 Frame:** The frames are constructed from TR90 material, known for its flexibility, durability, and lightweight properties, ensuring comfort and longevity.
- **Spring Hinges:** Designed with spring hinges for a comfortable and secure fit for various head sizes.

MAINTENANCE

- **Cleaning:** Use the provided cleaning cloth to gently wipe the lenses and frame. For stubborn smudges, use a lens cleaning solution specifically designed for eyewear. Avoid abrasive materials or harsh chemicals.
- **Storage:** When not in use, store your Lucyd Lyte glasses in the included slip case to protect them from scratches and damage.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge regularly and store in a cool, dry place.
- **Water Resistance:** These glasses are rated IP20, meaning they are protected against solid objects over 12.5mm (like fingers) but are **not water resistant**. Avoid exposure to water or high humidity.

TROUBLESHOOTING

Cannot Pair with Device

- Ensure Bluetooth is enabled on your device and the glasses are in pairing mode.
- Make sure the glasses are charged.
- Move the glasses closer to your device.
- Restart both your device and the glasses.

No Sound or Poor Audio Quality

- Check the volume levels on both the glasses and your connected device.
- Ensure the glasses are properly paired and connected.
- Move away from potential sources of interference (e.g., other wireless devices).

Charging Issues

- Verify the charging cable is securely connected to both the glasses and the power source.
- Try a different USB port or power adapter.
- Ensure the charging contacts on the glasses are clean and free of debris.
