

Razer RZ03-04690200

Razer BlackWidow V4 Full Size Wired Mechanical Gaming Keyboard

MODEL: RZ03-04690200

1. Introduction

The Razer BlackWidow V4 is a full-size wired mechanical gaming keyboard engineered for precision, durability, and comfort. It features Razer Green Mechanical Switches, providing a crisp, tactile, and clicky feedback with every keystroke. Designed for extended gaming sessions and daily tasks, this keyboard offers a responsive feel and robust construction. It includes dedicated macro keys, multi-function media controls, and customizable Chroma RGB lighting, enhancing both functionality and aesthetic appeal.

2. Package Contents

- Razer BlackWidow V4 Full Size Wired Mechanical Gaming Keyboard
- Magnetic Plush Leatherette Wrist Rest
- USB-C to USB-A Cable
- Important Product Information Guide

3. Setup

3.1 Connecting the Keyboard

1. Connect the USB-C end of the provided cable to the USB-C port on the keyboard.
2. Connect the USB-A end of the cable to an available USB-A port on your computer.
3. The keyboard will automatically be detected and installed by your operating system.

3.2 Software Installation (Razer Synapse)

For full customization of lighting, macros, and key assignments, install the Razer Synapse software. Visit www.razer.com/synapse to download the latest version.

4. Operating the Keyboard

4.1 Standard Key Functions

The keyboard features a standard 104-key layout with a numeric keypad, providing all essential keys for

typing and general computer use.

4.2 Macro Keys (M1-M6)

Six dedicated macro keys (M1-M6) are located on the left side of the keyboard. These keys can be programmed using Razer Synapse to execute complex commands, key sequences, or launch applications with a single press.

5. Maintenance

5.1 Cleaning

- **Keyboard Surface:** Use a soft, lint-free cloth lightly dampened with water or a mild cleaning solution. Avoid harsh chemicals.
- **Keycaps:** For deeper cleaning, keycaps can be carefully removed using a keycap puller. Clean with a soft brush or compressed air. Ensure keycaps are completely dry before reattaching.
- **Wrist Rest:** Wipe with a damp cloth. Do not immerse in water.

5.2 Storage

Store the keyboard in a cool, dry place away from direct sunlight and extreme temperatures. When not in use for extended periods, consider covering it to prevent dust accumulation.

6. Troubleshooting

Issue	Possible Solution
-------	-------------------

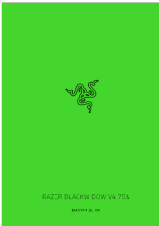

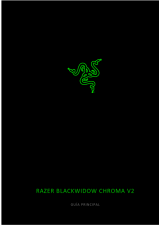

Issue	Possible Solution
Keyboard not responding	Ensure the USB cable is securely connected to both the keyboard and the computer. Try a different USB port. Restart your computer.
Keys not registering or double-typing	Clean under the affected keycaps with compressed air. Ensure Razer Synapse is updated to the latest version. If the issue persists, contact Razer Support.
RGB lighting not working or incorrect	Verify Razer Synapse software is installed and running. Check lighting settings within Synapse. Ensure the keyboard's firmware is up to date.
Macro keys not functioning	Confirm macros are correctly programmed and assigned in Razer Synapse. Ensure Synapse is running in the background.

7. Specifications

Feature	Detail
Brand	Razer
