

INIU P55

INIU 10000mAh 45W PD Fast Charging Portable Charger

Model: P55 | Brand: INIU

1. INTRODUCTION

Experience the safest charging with the INIU 10000mAh 45W PD Fast Charging Portable Charger. Designed for efficiency and portability, this power bank delivers up to 45W output, supporting PD, QC, and other fast-charging protocols. It can power your iPhone 16 to 63% and charge your Samsung S24 Ultra to an impressive 73% in just 25 minutes.

Its incredibly compact body is 27% smaller and 24% lighter than similar devices, making it easy to carry anywhere without feeling bulky or heavy. Built with high-grade materials, INIU provides an industry-leading 3-year INIU Care warranty for peace of mind.

2. PRODUCT OVERVIEW

5. MAINTENANCE

Care and Storage

- Store the power bank in a cool, dry place away from direct sunlight and extreme temperatures.
- Avoid dropping or subjecting the power bank to strong impacts.
- Clean the surface with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- For optimal battery life, fully charge the power bank at least once every three months if not in regular use.

6. TROUBLESHOOTING

Common Issues

Problem	Solution
Power bank not charging.	Ensure the charging cable and wall adapter are functioning correctly. Try a different cable or adapter.
Device not charging from power bank.	Ensure the power bank has sufficient charge. Try a different USB port or cable. Make sure the power bank is turned on (press the power button once).
Slow charging.	Verify that your cable and device support fast charging protocols (PD, QC). Ensure no other devices are drawing excessive power simultaneously.
