ALLJOY Collapsible Foot Spa Bath Massager User Manual

Model: 744316625044 | Brand: ALLJOY

Important Safety Information

Please read all instructions carefully before using the ALLJOY Collapsible Foot Spa Bath Massager. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- Always add water to the foot spa before plugging it in or turning it on.
- Do not operate the foot spa if the power cord or plug is damaged.
- Keep the appliance away from children and pets.
- Do not stand in the foot spa. Sit comfortably while using.
- Unplug the foot spa from the power outlet when not in use and before cleaning.
- Do not immerse the main unit in water or other liquids.
- Consult a doctor before use if you have any medical conditions, including diabetes, heart conditions, or skin conditions.
- Do not use the foot spa for more than 60 minutes at a time. Allow the unit to cool down before next use.
- Ensure the remote control signal light is directed towards the indicator on the tub for proper function.

Product Overview

The ALLJOY Collapsible Foot Spa Bath Massager is designed to provide a relaxing and therapeutic foot massage experience. It integrates heating, massage, oxygen bubbles, and vibration functions to soothe tired feet.

Image: The ALLJOY Collapsible Foot Spa Bath Massager in its open, ready-to-use state, showcasing its blue and white design, control panel, and internal massage rollers.

Key Features:

- **Heating Function:** Maintains water temperature between 105°F-118°F (41°C-48°C).
- **Shiatsu Massage:** Features non-automatic massage rollers and acupressure points.
- **Oxygen Bubbles:** Generates bubbles to stimulate foot acupoints and accelerate water circulation.
- **Vibration Function:** Provides additional soothing relief.
- **Remote Control:** Allows for convenient adjustment of settings without bending.
- **Intelligent Timer:** Adjustable from 10 to 60 minutes.
- **Collapsible Design:** Folds down to 5.5 inches thick for easy storage.

Package Contents

Please check the package contents upon unboxing to ensure all items are present:

- ALLJOY Collapsible Foot Spa Bath Massager Unit

- Remote Control
- Power Cord
- User Manual

Setup

Initial Setup:

1. Place the foot spa on a flat, stable, and dry surface.
2. Unfold the foot spa by gently pulling up the sides until it locks into place.
3. Fill the foot spa with warm or cold water to the indicated maximum fill line. Do not overfill.
4. Plug the power cord into a standard electrical outlet.

Operation

Controls Overview:

The foot spa can be operated using the integrated control panel or the included remote control.

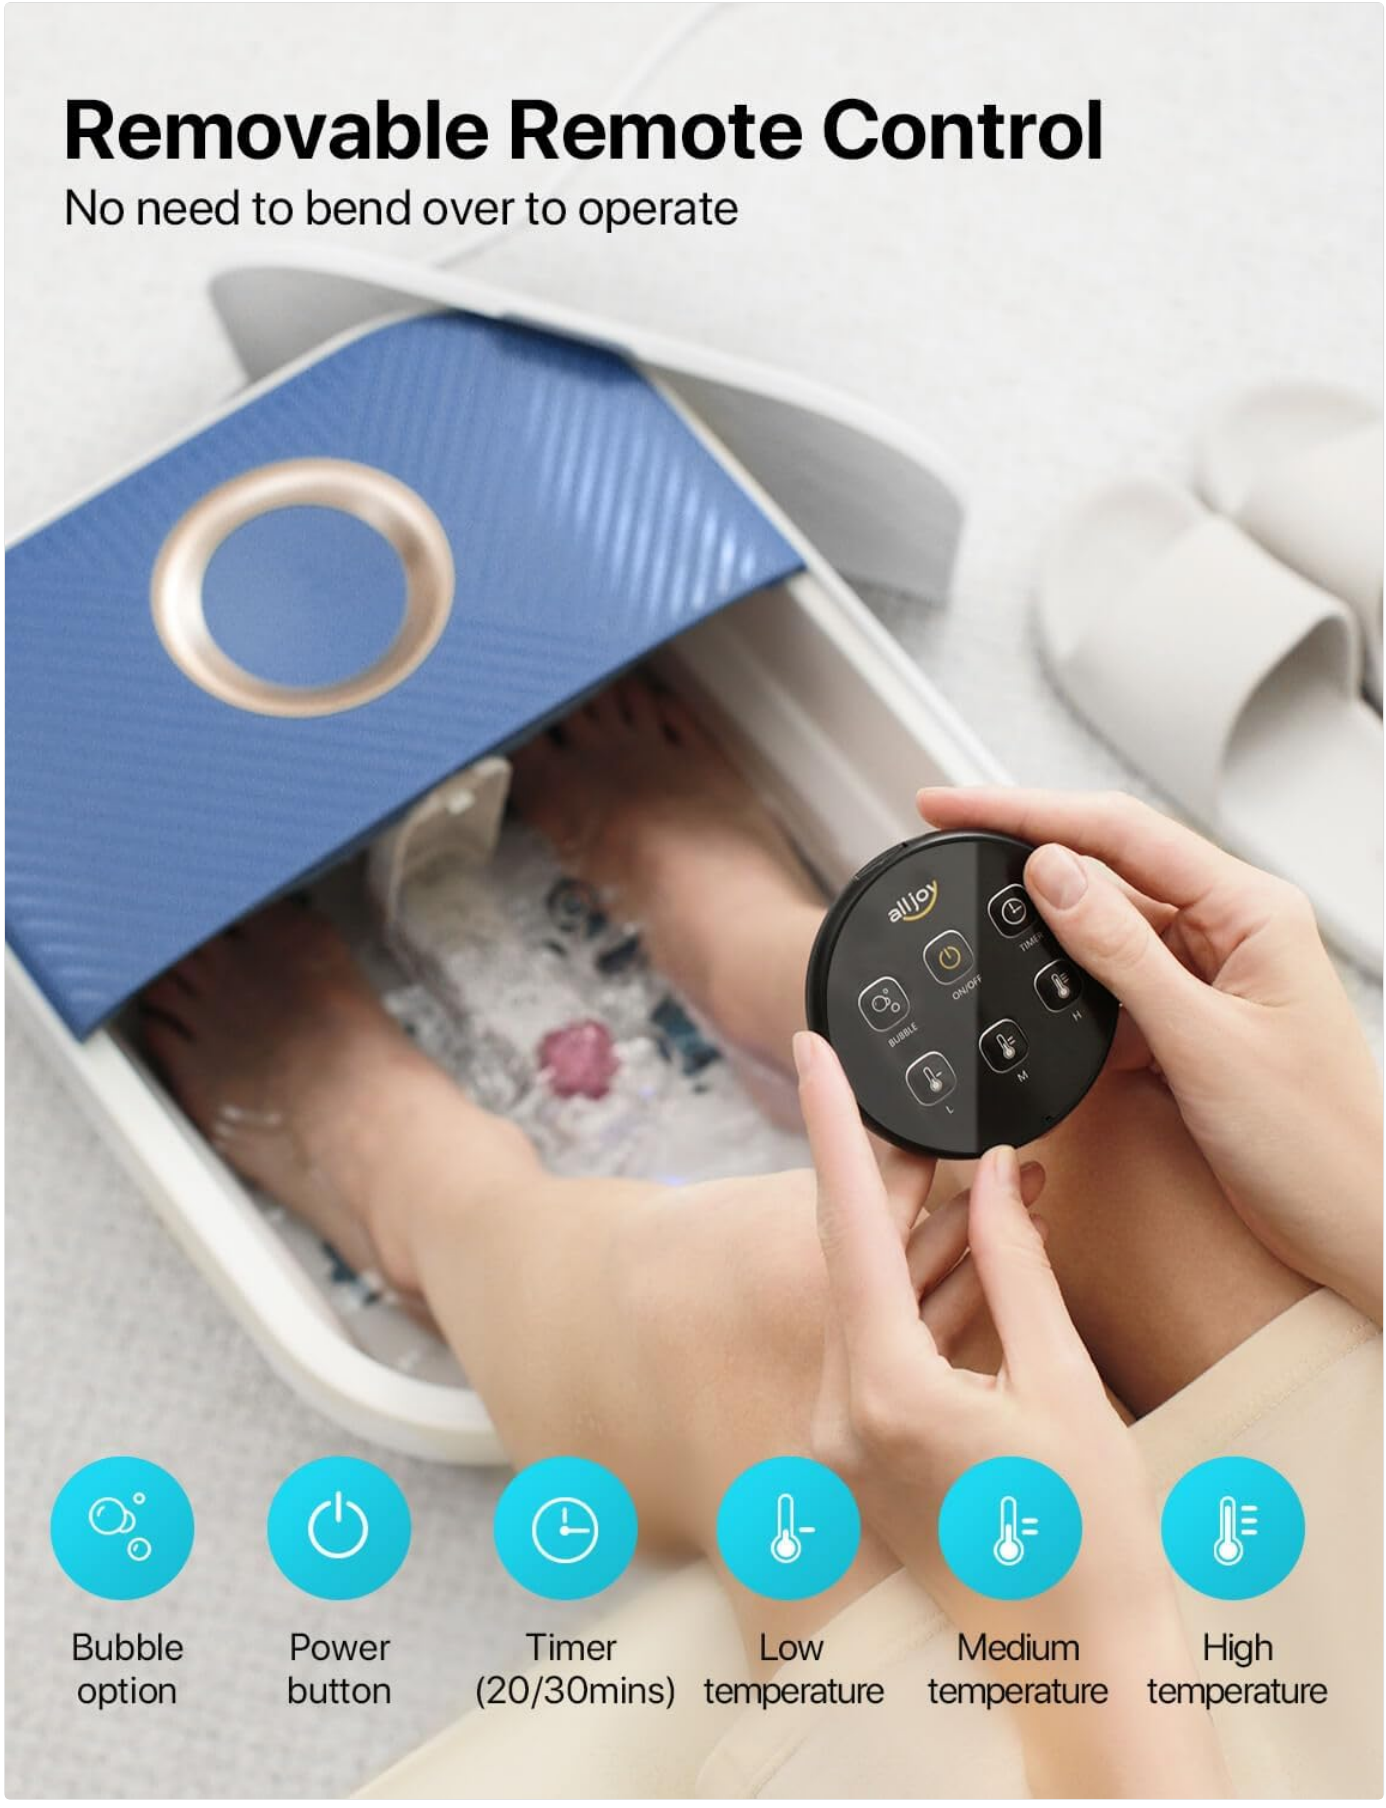

Image: Close-up of the remote control for the ALLJOY Foot Spa, showing buttons for bubble option, power, timer (20/30 mins), low temperature, medium temperature, and high temperature.

Using the Foot Spa:

1. Press the Power button on the control panel or remote to turn on the unit.
2. Adjust the temperature to your preference (105°F-118°F / 41°C-48°C) using the temperature control buttons (Low,

Medium, High) on the remote. The unit will automatically heat and maintain the selected temperature.

Image: A person's feet soaking in the foot spa, illustrating the temperature adjustment feature with icons for temperature range, leakage protection, automatic power off, and improved blood circulation.

3. Activate the Oxygen Bubble function by pressing the Bubble button on the remote.

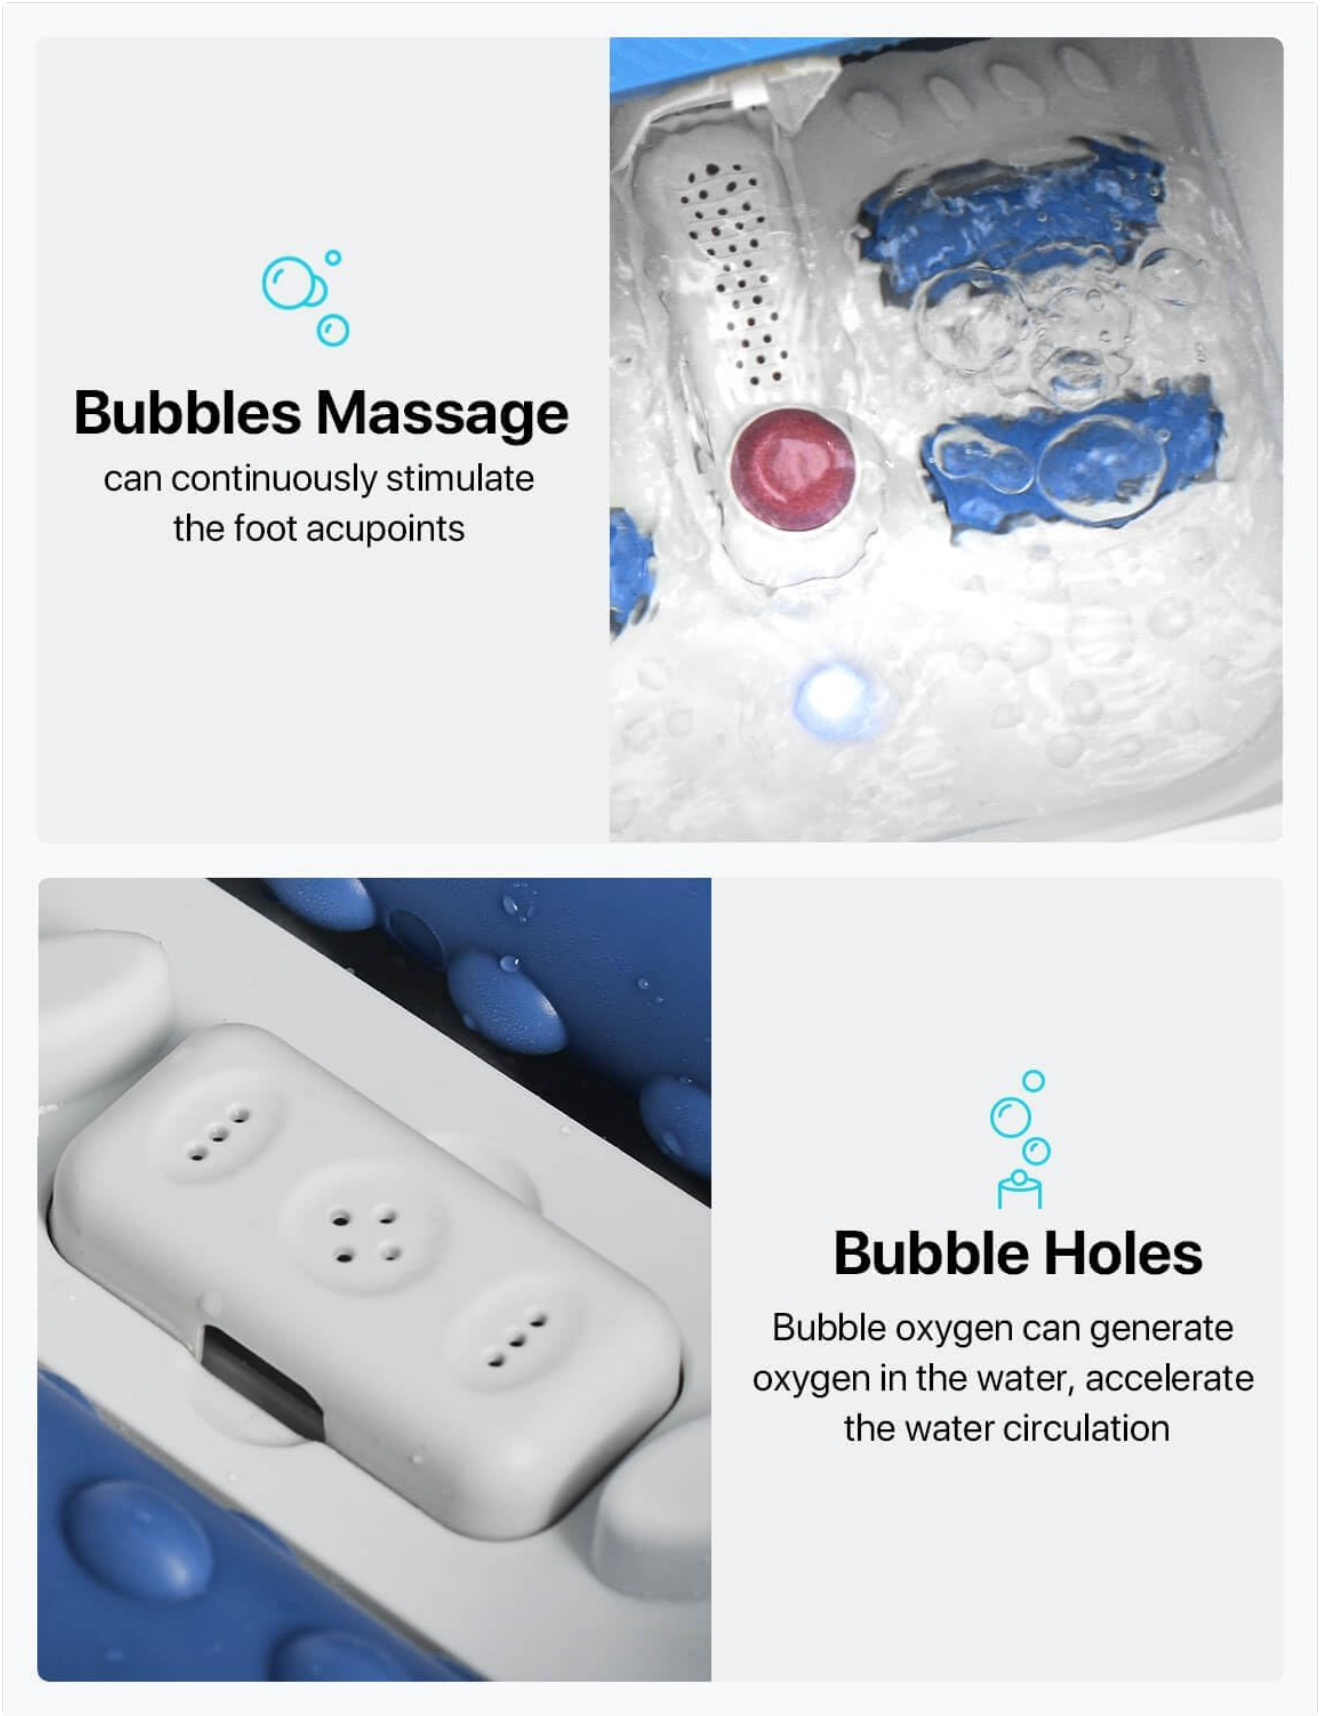

Image: Two panels showing the bubbles massage feature. The top panel shows water bubbling vigorously, and the bottom panel highlights the bubble holes, explaining that bubble oxygen generates oxygen in the water and accelerates circulation.

4. Place your feet into the foot spa. Utilize the non-automatic massage rollers by moving your feet back and forth over them to target specific areas of discomfort.

Image: Close-up of the blue non-automatic massage rollers within the foot spa, with arrows indicating the direction of foot movement for massage. Below are three smaller images showing hands massaging different parts of the foot to relieve pain.

5. Set the desired session duration using the Timer button on the remote (10 to 60 minutes).
6. Enjoy your foot spa experience. The maximum recommended foot size is 11.5M.

Image: A person relaxing on a sofa with their feet in the ALLJOY Foot Spa, holding a cup, demonstrating a typical use scenario. The maximum foot size of 11.5M is indicated.

7. To use the removable medicine box, open its lid, place bath salts or other foot care products inside, and close it. The removable pumice stone can be used for exfoliation.

Maintenance

Cleaning:

1. After each use, unplug the foot spa and drain the water.
2. Wipe the interior and exterior surfaces with a soft, damp cloth. Do not use abrasive cleaners or harsh chemicals.
3. Ensure all components are completely dry before storing.
4. The removable medicine box and pumice stone can be rinsed under running water.

Image: Two panels showing maintenance features. The top panel shows a hand opening the removable medicine box, which contains bath salts (for display only). The bottom panel shows a hand holding a removable pumice stone over the foot spa for easy foot care.

Storage:

1. Once clean and dry, collapse the foot spa by pressing the side buttons and folding it down.
2. Store the collapsed unit in a cool, dry place, such as under a sofa, in a closet, or on a shelf.

Troubleshooting

Problem	Possible Cause	Solution
Unit does not turn on.	Not plugged in; Power outlet issue; Unit damaged.	Ensure power cord is securely plugged in. Test outlet with another device. Contact customer support if unit is damaged.
Remote control not working.	Remote batteries low/dead; Signal not directed correctly.	Replace remote batteries. Ensure the remote's signal light is pointed towards the indicator on the foot spa.
Water not heating.	Heating function not activated; Temperature setting too low.	Ensure heating function is turned on. Adjust temperature to a higher setting.
Bubbles/Vibration not working.	Function not activated.	Press the respective button on the control panel or remote to activate.
