## 1. INTRODUCTION

Thank you for choosing the Maupvit 42.1-inch Farmhouse Shoe Cabinet. This cabinet is designed to provide organized storage for your footwear while enhancing the aesthetic of your entryway, hallway, foyer, or bedroom. Featuring ventilated mesh doors, adjustable shelves, and sturdy metal legs, this unit combines functionality with a rustic design.

This manual provides essential information for the safe assembly, proper use, and maintenance of your new shoe cabinet. Please read all instructions carefully before assembly and retain this manual for future reference.

## 2. SAFETY INFORMATION

To ensure safe use and prevent injury or damage, please adhere to the following safety guidelines:

- **Do not overload shelves:** Exceeding the weight capacity of the shelves can lead to structural failure and potential injury.
- **Ensure proper installation to avoid tipping:** Always use the included anti-tipping hardware to secure the cabinet to a wall, especially in households with children or pets.
- **Keep fingers away from pinch points during assembly:** Exercise caution when handling moving parts to prevent pinching.
- **Assemble on a soft, clean surface:** This prevents scratching the product during assembly.
- **Keep small parts away from children:** Small components can be a choking hazard.

## 3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present. Refer to the detailed parts list provided in the separate assembly instruction booklet included with your product. Typically, the package

includes:

- Cabinet panels (top, bottom, sides, back)
- Ventilated mesh doors
- Adjustable shelves
- Metal legs
- Hardware pack (screws, dowels, hinges, handles, anti-tipping kit)
- Assembly instruction booklet

## 4. ASSEMBLY INSTRUCTIONS

---

The Maupvit Farmhouse Shoe Cabinet is designed for straightforward assembly. A detailed, step-by-step assembly instruction booklet with diagrams is included in your product packaging. Please follow those instructions carefully.

### **General Assembly Tips:**

1. **Preparation:** Clear a spacious area and lay out all components on a soft, clean surface to prevent scratches.
2. **Identify Parts:** Each part is labeled. Match them with the diagrams in the instruction booklet.
3. **Hardware:** Separate and identify all hardware pieces before starting.
4. **Step-by-Step:** Follow the assembly steps in the provided booklet sequentially. Do not skip steps.
5. **Tighten Securely:** Ensure all screws and fasteners are tightened securely, but do not overtighten to avoid damaging the wood.
6. **Anti-Tipping Kit:** Always install the anti-tipping hardware to secure the cabinet to a wall for stability and safety.

## 5. USAGE AND FEATURES

Your Maupvit shoe cabinet offers versatile storage and practical features:

### 5.1. Large Storage Capacity

With dimensions of 31.5" W x 13.9" D x 42.1" H, this cabinet can store approximately 15-25 pairs of shoes. The double mesh door section and the open lower shelf provide ample space for various footwear and other items.

## Spacious Top Space

Decorative items can be placed

Image 5.1: The top surface can be used for decorative items or quick-access essentials.

### 5.2. Adjustable Shelves

The interior features 6 adjustable shelves, allowing you to customize the height of each compartment. This flexibility accommodates different types of shoes, including boots, flats, slippers, high heels, and sneakers.

# Adjustable Panels & Heights

Simply remove shelves to make space for boots or any storage need

Image 5.2: Adjustable panels allow for flexible storage configurations.

## 5.3. Ventilated Mesh Doors

The embedded mesh design on the doors promotes air circulation, helping to reduce odors and keep the interior of the cabinet dry and fresh. The mesh also allows for quick visual identification of contents.

## 5.4. Anti-Tipping Design and Metal Legs

The cabinet is constructed from moisture-proof and wear-resistant MDF wood, ensuring durability. The anti-

tipping design, combined with robust metal legs, provides enhanced stability and strong load-bearing capacity.

## 6. MAINTENANCE

---

To keep your Maupvit shoe cabinet in optimal condition, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to prevent buildup.
- **Spills:** Clean up spills immediately to prevent moisture damage to the engineered wood.
- **Ventilation:** Ensure the mesh doors remain clear of obstructions to maintain proper air circulation.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your shoe cabinet, refer to the following common solutions:

Problem	Possible Cause	Solution
Cabinet feels wobbly or unstable.	Loose fasteners; uneven floor; anti-tipping kit not installed.	Ensure all screws are tightened. Place shims under legs if floor is uneven. Install the anti-tipping kit securely to a wall.
Doors do not close properly or are misaligned.	Hinges are loose or improperly adjusted.	Check and tighten hinge screws. Adjust hinges as per the assembly instructions to align doors.
Shelves are difficult to adjust or insert.	Shelf pins are not fully inserted or are misaligned.	Ensure shelf pins are fully and evenly inserted into the desired holes on both sides before placing the shelf.
Unpleasant odor inside the cabinet.	Lack of ventilation; new product smell.	Ensure mesh doors are not blocked. Allow for air circulation by leaving doors slightly ajar for a period. Place odor absorbers if needed.

If you experience issues not covered here, please contact Maupvit customer support.

## 8. PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Maupvit
Model Number	B0DFLG5PJC
