Giant bean GA20061-new

Giant bean 8-in-1 Wooden Montessori Toys Set Instruction Manual

Model: GA20061-new

INTRODUCTION

This manual provides essential information for the safe and effective use of your Giant bean 8-in-1 Wooden Montessori Toys Set. This educational toy set is designed to support the developmental milestones of babies aged 12-18 months, fostering fine motor skills, cognitive development, and sensory exploration through engaging play activities.

SAFETY INFORMATION

Warning: Avoid choking and suffocation hazards from accidental ingestion. To avoid danger of suffocation, keep plastic bags away from babies and children. Adult supervision required. Keep away from fire.

- Always ensure adult supervision during playtime.
- Inspect all toy components regularly for any signs of wear or damage. Discontinue use if any part is broken or compromised.
- Keep small parts away from infants who may put them in their mouths.
- The toys are made of food-grade silicone and durable, BPA-free wood coated with water-based paint. They have smooth surfaces, round edges, and are sized to prevent choking. All small parts are CPC/CPSIA certified for safety.

SAFE PLAY FOR LITTLE ONES

PRODUCT COMPONENTS

The Giant bean 8-in-1 Wooden Montessori Toys Set includes the following components:

- 1. Explore Box (4-in-1):** This versatile wooden box integrates four distinct activities:
 - Carrot Harvest Game
 - Magnetic Fishing Game
 - Coin Box
 - Color Match Stick Dropping
- 2. Ball Drop and Roll Tower:** A multi-tiered tower for dropping balls.
- 3. Hammering Pounding Bench:** A wooden bench with colorful pegs and a hammer.
- 4. Shape Sorting Cube:** A puzzle board with various geometric shapes.
- 5. Stacking Cups:** A set of colorful, stackable cups.
- 6. Play Guide:** An instructional guide for engaging with the toys.

SETUP

Most components of the Giant bean 8-in-1 Wooden Montessori Toys Set are ready for immediate use. The Ball Drop and Roll Tower requires simple assembly.

Ball Drop and Roll Tower Assembly:

1. Identify the base, central pole, and spiral tracks.
2. Securely attach the central pole to the base.
3. Carefully slide the spiral tracks onto the central pole, ensuring they are properly aligned and stable.
4. Place the bird-shaped top piece onto the uppermost track.
5. Ensure all connections are firm before allowing play.

For visual assembly instructions, refer to the included Play Guide or the video demonstration below.

OPERATING INSTRUCTIONS

1. Explore Box (4-in-1)

This wooden box offers multiple interactive experiences:

- **Carrot Harvest Game:** Insert the wooden carrots into the designated holes. Children can practice pulling them out, developing fine motor skills and hand-eye coordination.
- **Magnetic Fishing Game:** Use the magnetic rod to catch the wooden fish. This activity enhances concentration and dexterity.
- **Coin Box:** Drop the wooden coins into the slot, promoting object permanence understanding.
- **Color Match Stick Dropping:** Insert the colored sticks into corresponding holes, aiding in color recognition and fine motor control.

MONTESSORI WOODEN MAGNETIC FISHING GAME

Develops hand-eye coordination, fine motor skills and concentration.

Image: A child engaged with the magnetic fishing game, with insets showing the carrot harvest and stick dropping activities of the Explore Box.

2. Ball Drop and Roll Tower

Place the included balls at the top of the tower and watch them roll down the spiral tracks. This activity introduces concepts of cause and effect, gravity, and visual tracking.

3. Hammering Pounding Bench

Use the wooden hammer to tap the colorful pegs through the holes. This helps develop hand-eye coordination, strength, and understanding of force.

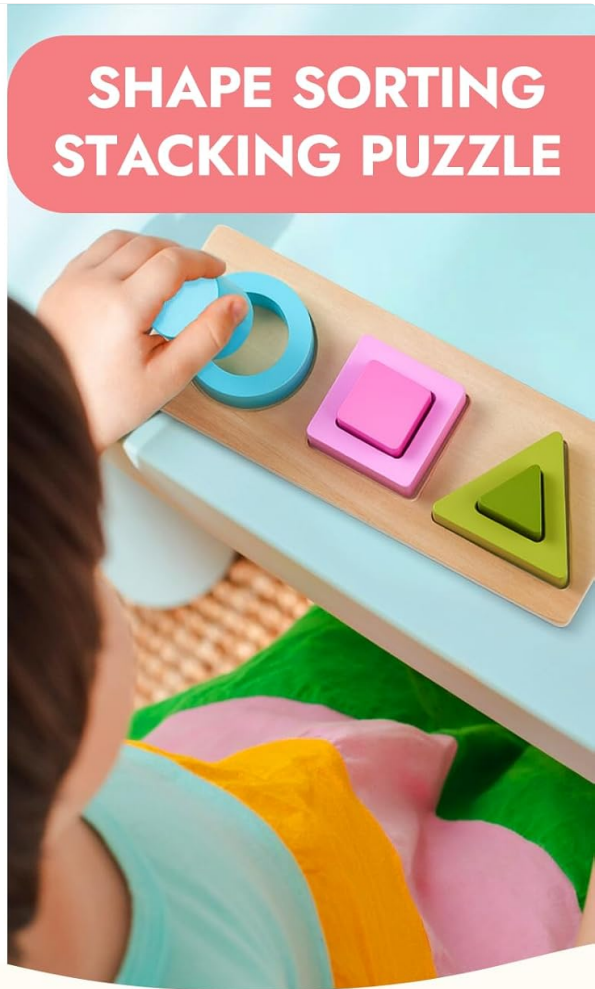

4. Shape Sorting Cube

Match the geometric shapes (circle, square, triangle) to their corresponding slots on the wooden board. This activity promotes shape recognition, problem-solving, and spatial reasoning.

HAMMERING POUNDING BENCH

SHAPE SORTING STACKING PUZZLE

**Fine Motor
Skills**

**Cognitive
Development**

**Hand-Eye
Coordination**

Image: Two children interacting with the hammering bench and the shape sorting puzzle, demonstrating fine motor skill development.

5. Stacking Cups

Stack the colorful cups in ascending or descending order, or nest them together. This activity aids in understanding size relationships, sequencing, and fine motor control.

MAINTENANCE

- **Cleaning:** Wipe toys with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners. Ensure toys are completely dry before storage.
- **Storage:** Store toys in a dry place away from direct sunlight and extreme temperatures to prevent warping or damage to the wood.
- **Inspection:** Periodically check all wooden and plastic components for splinters, cracks, or loose parts.

TROUBLESHOOTING

- **Missing Parts:** If any components are missing upon arrival, please contact the seller or manufacturer for assistance.
- **Damaged Parts:** If a toy component is damaged, discontinue use immediately and contact customer support for replacement or guidance.
- **Assembly Difficulty:** Refer to the detailed assembly instructions in the included Play Guide or the provided video. If issues persist, contact customer support.

SPECIFICATIONS

Feature	Detail
Product Dimensions	5 x 3 x 3 inches
Item Weight	4.29 pounds
Item Model Number	GA20061-new
Manufacturer Recommended Age	12 - 18 months
Manufacturer	Guoli
