FUKUMARU BS04

FUKUMARU Cat Cave Instruction Manual

Model: BS04

INTRODUCTION

This manual provides instructions for the assembly, operation, maintenance, and care of your FUKUMARU Cat Cave, Model BS04. Please read these instructions carefully before assembly and use to ensure proper function and safety for your pet.

SAFETY INSTRUCTIONS

- Ensure all parts are securely connected during assembly.
- Do not exceed the maximum weight capacity of 22 pounds per tier.
- Place the cat cave on a stable, level surface to prevent tipping.
- Keep the product indoors and away from excessive moisture or direct heat sources.
- Regularly inspect the cat cave for any signs of wear or damage. Discontinue use if damaged.
- This product is designed for cats. Keep out of reach of small children to prevent misuse.

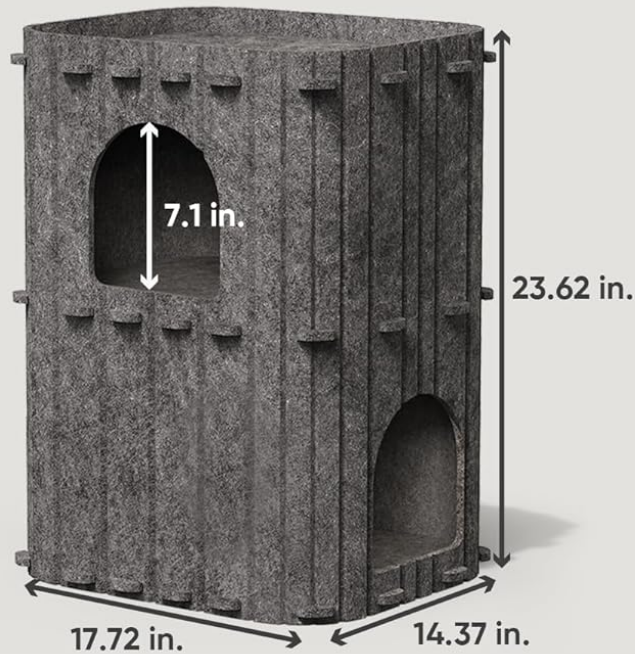

PACKAGE CONTENTS

Verify that all components are present before beginning assembly.

- Felt panels for construction (various shapes)
- Connecting clips/fasteners
- Instruction manual

ASSEMBLY INSTRUCTIONS

The FUKUMARU Cat Cave features a quick plug-in system for effortless, tool-free setup.

- Step 1: Prepare the Base.** Lay out the base panels on a flat surface.
- Step 2: Attach Side Panels.** Connect the side felt panels to the base using the integrated clips. Ensure they are firmly interlocked.
- Step 3: Install Middle Tier.** Insert the middle tier panel, aligning it with the designated slots on the side panels. Secure it in place.

4. **Step 4: Complete the Structure.** Add the remaining side panels and the top panel, ensuring all connections are secure to form the complete 3-layer structure.

Effortless Setup

Modular design for a fast, tool-free setup.

OPERATING INSTRUCTIONS

The FUKUMARU Cat Cave is designed to provide a versatile and comfortable environment for your cat(s).

- **Placement:** Position the cat cave in a quiet, accessible area where your cat feels safe and comfortable.

- **Multi-level Use:** The 3-layer design allows for multiple cats to rest or play simultaneously. Cats can utilize the enclosed levels for privacy or the top surface for lounging.
- **Scratching Surface:** The high-quality felt material serves as a natural scratching surface, promoting healthy claw maintenance.
- **Hiding and Playing:** The enclosed spaces offer ideal spots for hiding, napping, and interactive play.

MAINTENANCE AND CARE

Proper maintenance ensures the longevity and hygiene of your FUKUMARU Cat Cave.

- **Cleaning:** The felt material is easy to clean. Use a vacuum cleaner or a lint roller to remove fur and debris.
- **Spot Cleaning:** For spills or stains, spot clean with a damp cloth and mild detergent. Avoid saturating the felt.
- **Drying:** Allow the product to air dry completely before reassembly or use.

- **Disassembly:** The removable design allows for easy disassembly for thorough cleaning or storage.
- **Storage:** When not in use, store the disassembled cat cave in a dry place.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Cat cave feels unstable.	Panels not fully connected or placed on an uneven surface.	Ensure all clips are securely fastened. Move to a flat, stable surface.
Difficulty assembling panels.	Incorrect alignment of panels or clips.	Refer to the assembly instructions and diagrams. Ensure panels are oriented correctly before applying gentle pressure to connect.
Cat not using the cave.	New environment, unfamiliar scent, or unsuitable location.	Place familiar bedding or toys inside. Try moving the cave to a different, quieter location. Allow time for your cat to adjust.

SPECIFICATIONS

- **Model:** BS04
