## SOUYIE GTX13

# SOUYIE GTX13 Smart Watch Instruction Manual

Model: GTX13

## 1. INTRODUCTION

---

Thank you for choosing the SOUYIE GTX13 Smart Watch. This device is designed to enhance your daily life with advanced health monitoring, fitness tracking, and smart communication features. Please read this manual carefully to ensure proper use and optimal performance.

## 2. WHAT'S IN THE BOX

---

- 1 x SOUYIE GTX13 Smart Watch
- 1 x User Manual
- 1 x TPU Silicone Strap
- 1 x USB Magnetic Charging Cable

## 3. SETUP

---

### 3.1 Initial Charging

Before first use, fully charge your SOUYIE GTX13 Smart Watch. The watch features a 350mAh battery and new fast charging technology, allowing a full charge in approximately 1.5 hours. A full charge provides 10-12 days of normal use.

### 3.2 App Download and Pairing

To unlock all features, download the companion app to your smartphone. The watch utilizes advanced Bluetooth 5.3 technology for stable and fast connection.

1. Charge the smart watch.
2. Download the "VeryFit" app from the Google Play Store or Apple App Store and register.

3. Turn on Bluetooth on your smartphone.
4. Open the "VeryFit" app, scan the QR code displayed on the watch screen, or pair via Bluetooth to connect your watch.
5. Once connected, you can access all features and synchronize data.

## 5. HEALTH MONITORING

The SOUYIE GTX13 Smart Watch is equipped with a fifth-generation optical sensor for comprehensive health tracking.

### **5.1 PPG Blood Pressure Monitoring**

Measure your blood pressure in real-time without a traditional cuff. All data synchronizes to your mobile phone for detailed analysis.

### **5.2 Heart Rate Monitoring**

Continuously monitors your heart rate 24/7 and sends alerts for abnormally high or low rates.

### **5.3 Blood Oxygen Monitoring (SpO2)**

Monitors your blood oxygen level throughout the day.

### **5.4 Sleep and Stress Monitoring**

Tracks sleep patterns (deep sleep, light sleep, awake, REM) and stress levels to help you optimize your lifestyle.

### **5.5 Women's Menstrual Cycle Tracking**

Effectively reminds women of their next menstrual period and provides cycle tracking features.

# 100+ Sports Modes

The running courses in the APP help you exercise

## 6. FITNESS TRACKING

### 6.1 100+ Sports Modes

Supports over 100 sports modes, including running, cycling, swimming, and yoga. Accurately records data such as steps, distance, and calories.

### 6.2 Smart Running Plan

Monitors running progress in real-time, provides personalized guidance, and offers tailored training plans to improve performance.

## 6.3 24/7 Activity Tracking

Stay on top of your daily activities with continuous monitoring of steps, distance, heart rate, and calorie burn.

**3ATM  
Waterproof**

## 9. TROUBLESHOOTING

### 9.1 Watch Stuck on "Wait OTA"

If your watch is stuck on a "Wait OTA" screen and not progressing, ensure the watch is sufficiently charged and connected to the companion app. If the issue persists, try restarting the watch or performing a factory reset via the app settings if accessible. If the app cannot locate the watch, ensure Bluetooth is active on your phone and the watch, and try restarting both devices.

### 9.2 Charging Issues

If the magnetic charger appears finicky or the charging percentage jumps erratically, ensure the charging cable is securely connected to the watch's charging points and a stable power source. Clean the charging contacts on both the watch and the cable to ensure good conductivity.

### 9.3 App Syncing Issues

For consistent data syncing and notifications, the companion app on your smartphone generally needs to be running in the background. If you close the app frequently, it may lose connection. Reopen the app to re-establish the connection and sync data.

## 9.4 How to Reset Your Watch

To reset your SOUYIE GTX13 Smart Watch, navigate to the 'Settings' menu on the watch, then select 'General', and choose 'Reset'. Confirm the action to clear all data and restore factory settings.

Video: Instructions on how to reset the SOUYIE GTX13 Smart Watch.
