Lionelo Thomi Plus 5-in-1 Baby Bed Instruction Manual

Model: Thomi Plus

1. INTRODUCTION

Thank you for choosing the Lionelo Thomi Plus 5-in-1 Baby Bed. This versatile product is designed to adapt to your child's growth, serving as a co-sleeper, independent baby bed, playpen, junior bed, and sofa. Please read this manual carefully before assembly and use to ensure safe and proper operation. Keep this manual for future reference.

2. SAFETY INFORMATION

- **Maximum Weight Capacity:** The co-sleeper and independent bed modes are suitable for infants up to 9 kg. The playpen mode supports children up to 15 kg. The junior bed and sofa modes can support up to 100 kg.
- **Age Range:** Suitable from birth up to 4 years, depending on the configuration.
- **Certifications:** This product complies with safety standards EN 1130 and EN 16890.
- Always ensure all locking mechanisms are engaged before placing your child in the bed.
- Do not use the product if any parts are broken, torn, or missing.
- Ensure the product is placed on a flat, stable surface.
- When used as a co-sleeper, ensure the bed is securely attached to the adult bed using the provided straps and that there is no gap between the two beds.
- Never leave your child unattended.
- Keep small parts and packaging materials away from children to prevent choking hazards.

5. OPERATING INSTRUCTIONS

5.1. 5-in-1 Versatility

The Thomi Plus offers five distinct modes to accommodate your child's needs from infancy through early childhood:

- **Independent Baby Bed:** A standalone crib for safe sleeping.
- **Co-sleeper:** Attach to the adult bed for close proximity during sleep. The zippered side allows for easy access.
- **Playpen:** Lower the mattress base to create a secure play area.
- **Junior Bed:** Convert to a larger bed for toddlers.

- **Sofa:** Transform into a comfortable sofa for older children.

5.2. Co-sleeper Mode

To use as a co-sleeper, lower one side of the bed and secure it to your adult bed using the provided fixation straps. Ensure the height is adjusted to match your bed's mattress level. The mesh sides provide optimal air circulation and visibility.

5.3. Playpen Mode

For playpen functionality, adjust the mattress base to the lowest position. The high mesh walls create a safe and breathable environment for your child to play.

- PARC JUSQU'À 15 KG
- PAROIS HAUTES
- ESPACE SÉCURISÉ POUR LES BÉBÉS PLUS ÂGÉS

5.4. Junior Bed and Sofa Modes

The Thomi Plus can be easily converted into a junior bed or a sofa for older children. This transformation typically involves removing certain side elements and adjusting the frame. Refer to the detailed assembly guide for specific steps. The sofa mode has a robust capacity of up to 100 kg.

- 2 MATELAS EN MOUSSE CONFORTABLES (T25)
- HOUSES AMOVIBLES ET LAVABLES
- MONTAGE FACILE

5.5. Mattress Angle Adjustment

The mattress angle can be adjusted to provide comfort, especially useful for babies with reflux or colds. Consult the assembly guide for instructions on how to safely adjust the mattress tilt.

5.6. Mobility

The integrated wheels allow for easy movement of the bed within your home without scratching floors. Engage the wheel locks when the bed is in its desired position.

6. MAINTENANCE

- **Cleaning:** The removable covers are washable. Hand washing is recommended, or use a delicate cycle on your washing machine.
- **Ironing:** Covers can be ironed on a delicate setting.
- **Frame Cleaning:** Wipe the frame with a damp cloth and mild soap. Do not use abrasive cleaners.
- **Storage:** When not in use, the bed can be disassembled and stored in its travel bag to protect it from

dust and damage.

7. TROUBLESHOOTING

- **Bed not stable:** Ensure all frame elements are fully extended and locked into place. Check that the feet are properly adjusted and the wheels are locked if stationary.
- **Difficulty adjusting height:** Ensure the adjustment buttons are fully depressed and the legs are free to move. Do not force the mechanism.
- **Co-sleeper not securely attached:** Re-check the fixation straps and ensure they are tightly fastened to the adult bed frame. There should be no gap between the two mattresses.
- **Parts missing or damaged:** Contact Lionelo customer support for assistance.
