› ZERTRAN Android Car Stereo Instruction Manual for Mitsubishi Outlander (2006-2013)

## ZERTRAN B0DFM5VXNY

# ZERTRAN Android Car Stereo Instruction Manual

Model: B0DFM5VXNY | Brand: ZERTRAN

## INTRODUCTION

---

This manual provides detailed instructions for the installation, operation, and maintenance of your ZERTRAN Android Car Stereo. This head unit is designed to seamlessly integrate with your Mitsubishi Outlander (2006-2013) and offers advanced features such as CarPlay, Android Auto, GPS navigation, and multimedia playback.

## IMPORTANT COMPATIBILITY NOTE

---

**Before installation, please check your original car radio. If it has a "Rockford" logo, an extra Canbus decoder is required for proper audio functionality. If there is no "Rockford" logo, you can proceed with direct installation.**

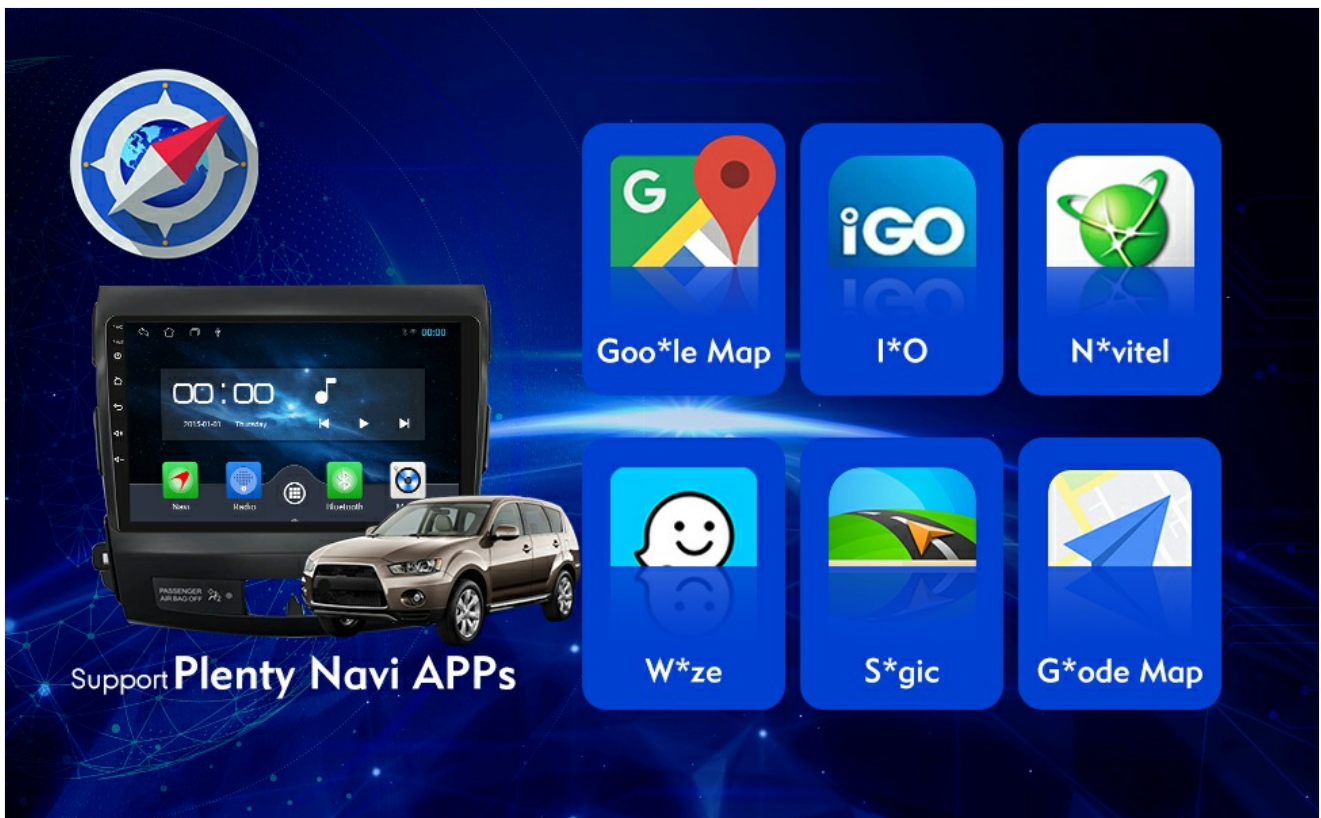

Image: Comparison of original car radio units. The top image shows a standard unit for direct purchase. The bottom image shows units with the "Rockford Fosgate" logo, indicating the need for an additional Canbus decoder.

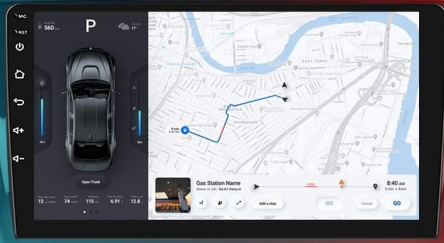

## KEY FEATURES

- **CarPlay/Android Auto:** Seamless integration with iOS and Android devices for navigation, music, calls, and voice assistant control. Enhances convenience and safety by minimizing driver distraction.
- **GPS Navigation:** Built-in satellite GPS for real-time location and navigation, even without an internet connection. Supports various navigation applications.
- **Car Reverser Camera Support:** Connect a rear-view camera to display video on the screen when reversing, aiding in safe parking and maneuvering.
- **WiFi Connectivity:** Browse the internet, access online navigation, stream videos, and download applications directly from the head unit.
- **Dual Screen Display:** Operate different functions simultaneously, such as navigation and video playback, or Wi-Fi browsing and music.
- **Steering Wheel Control (SWC):** Quickly switch functions and control media directly from your car's steering wheel for added convenience and safety.
- **Bluetooth Function:** Built-in Bluetooth for wireless music streaming, hands-free calling, and navigation audio.
- **High-Resolution Display:** Features a 9-inch 2.5D IPS screen with 1280\*720 resolution for ultra-clear and vibrant visuals.
