SETUP

1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Place the earbuds into the charging case. Connect the USB charging cable to the case and a power source. The charging indicator on the case will show the charging status.

Uninterrupted Listening

Nakamichi TW2XS redefine convenience with 240 hours of standby time and up to 10 days of wireless connection on a single charge, providing uninterrupted enjoyment without frequent recharging.

- Approximately 1 hour for a full charge using the charging case.
- The charging case provides up to 15 hours of additional battery life.

2. Pairing with a Device

1. Ensure the earbuds are charged and placed in the charging case.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth.

4. Search for "Nakamichi TW2XS" in the list of available Bluetooth devices.
5. Select "Nakamichi TW2XS" to connect. Once connected, a voice prompt will confirm successful pairing.

The earbuds support dynamic master-slave switching, allowing either earbud to function independently after initial pairing.

3. Wearing the Earbuds

Select the ear tips that provide the best fit and seal for optimal sound quality and comfort. Gently insert the

earbuds into your ears and rotate them slightly to secure them in place.

Comfort Redefined

Experience the ultimate in comfort with our ergonomically designed in-ear headset. Engineered for all-day wear, it ensures a flawless fit and truly comfortable listening experience.

MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Ear Tips:** Remove ear tips and clean them with water if necessary. Ensure they are completely dry before reattaching.
- **Water Resistance:** The Nakamichi TW2XS earbuds are **not waterproof**. Avoid exposure to water,

sweat, and moisture to prevent damage.

- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place.
- **Battery Care:** To prolong battery life, avoid fully discharging the earbuds and charging case frequently. Charge them regularly, even if not in constant use.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Earbuds not pairing	Earbuds not in pairing mode; Bluetooth off on device; previously paired with another device.	Ensure earbuds are in the case, open the lid to activate pairing mode. Turn Bluetooth on your device. Forget "Nakamichi TW2XS" from your device's Bluetooth list and re-pair.
No sound from earbuds	Low battery; volume too low; not connected.	Charge the earbuds. Increase volume on both earbuds and your connected device. Ensure earbuds are properly connected via Bluetooth.
Charging case not charging	Faulty cable; power source issue.	Try a different USB charging cable. Connect to a different power adapter or USB port.
Touch controls unresponsive	Earbuds need a reset; dirty sensor.	Place earbuds in the charging case, close the lid, wait 10 seconds, then open again. Clean the touch sensor area on the earbuds.
