WARCAT Cat Litter Box Enclosure and End Table User Manual

Model: W24-0508 | Brand: WARCAT

Image description: The WARCAT Cat Litter Box Enclosure, shown here in white, serves as a discreet housing for a litter box while also providing a functional surface as an end table.

INTRODUCTION

Welcome to your new WARCAT Cat Litter Box Enclosure. This versatile furniture piece is designed to discreetly house your cat's litter box, reduce litter tracking, and provide a private space for your feline companion. It can also function as an elegant end table or cat house, blending seamlessly with your home decor.

IMPORTANT SAFETY INFORMATION

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children and pets during assembly.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as needed.
- Do not overload the top surface of the enclosure.
- Place the enclosure on a flat, stable surface to prevent tipping.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Enclosure Panels (Side panels, top panel, bottom panel, back panel, door panels)
- Hardware Pack (Screws, dowels, cam locks, magnetic catches, door handles)
- Legs (4 pieces)
- Cat Scratching Pad (1 piece)
- Assembly Instructions (This manual)

PRODUCT DETAILS

Image description: This image highlights key features such as the magnetic catch for secure doors, round accent handles, the integrated cat scratching board at the entrance, and the elevated legs for easy cleaning underneath.

ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your WARCAT Cat Litter Box Enclosure. A Phillips head screwdriver (not included) is required.

1. **Step 1: Attach Legs.** Secure the four legs to the bottom panel using the provided screws. Ensure they are tightened firmly.
2. **Step 2: Assemble Side Panels and Base.** Connect the side panels to the bottom panel using dowels and cam locks. Pay attention to the orientation of the side panel with the cat entrance opening.
3. **Step 3: Install Back Panel.** Slide the back panel into the grooves of the assembled side and bottom panels, then secure with screws.
4. **Step 4: Attach Top Panel.** Place the top panel onto the assembled structure and secure it with screws and cam locks.
5. **Step 5: Install Doors.** Attach the two barn-style doors to the front of the enclosure using the provided hinges. Ensure they swing freely.

- Step 6: Attach Door Handles and Magnetic Catches.** Secure the accent handles to the doors. Install the magnetic catches inside the enclosure to ensure the doors remain closed when desired.
- Step 7: Place Scratching Pad.** Insert the provided cat scratching pad into the designated entrance area.

Assembly is now complete.

OPERATING INSTRUCTIONS

As a Hidden Litter Box Enclosure

Open the front doors and place a standard-sized litter box inside the main compartment. The side entrance allows your cat private access. The integrated scratching pad helps to reduce litter tracking as your cat exits.

Image description: This visual demonstrates the primary function of the enclosure: providing a private space for the litter box, reducing odors, and minimizing litter scatter with its design.

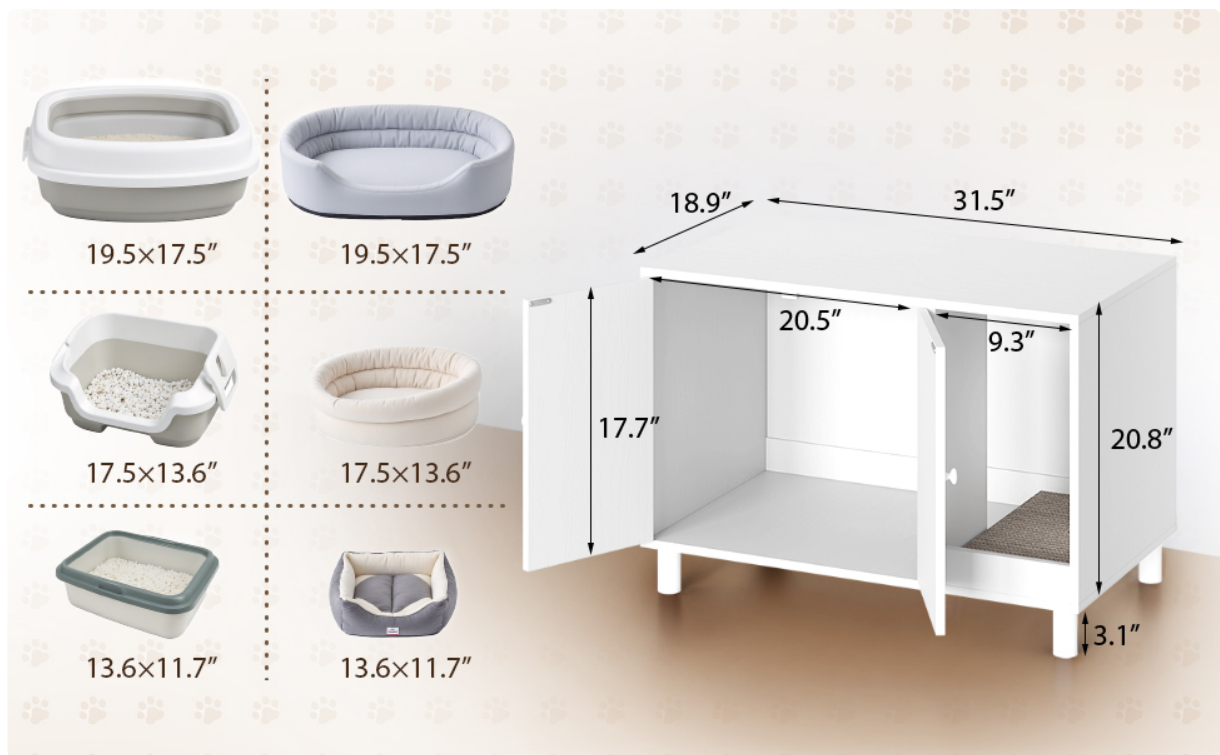

Image description: The enclosure's main compartment is designed to accommodate a standard litter box, offering a discreet and contained environment for your cat's needs.

As a Cat House

Alternatively, place a cat bed or soft cushion inside the main compartment to create a cozy, private resting space for your cat.

Image description: The same image as above, also illustrating the use of the enclosure with a cat bed, transforming it into a private cat house.

As an End Table

The sturdy top surface can be used as an end table to hold decorative items, lamps, or books, seamlessly integrating into your living space.

Image description: The enclosure functioning as an end table, adorned with a plant, radio, and books, showcasing its dual purpose.

MAINTENANCE

Cleaning the Enclosure

- Wipe the exterior and interior surfaces with a damp cloth. Avoid harsh chemicals that may damage the finish or be harmful to your pet.
- For the scratching pad, periodically remove and shake off loose litter or debris. Replace the scratching pad when it becomes worn.

General Care

- Regularly check all screws and connections to ensure they remain tight.
- Keep the enclosure away from direct sunlight and excessive moisture to prolong its lifespan.

TROUBLESHOOTING

Doors do not close properly:

- Check if the magnetic catches are securely installed and aligned. Ensure hinges are properly tightened.

Enclosure feels wobbly:

- Verify that all legs are firmly attached and all assembly screws are tightened. Ensure the unit is on a level surface.

Cat is not using the enclosure:

- Allow your cat time to adjust to the new environment. You may place familiar items or treats inside to encourage use. Ensure the litter box inside is clean and accessible.

PRODUCT SPECIFICATIONS
