1. SAFETY INFORMATION

Please read and understand all safety instructions before assembling and using the IMGadgets Gaming Desk with LED.

- Do not exceed a load capacity of 80 kg (176 lbs) static weight or 69.85 kg (150 lbs) dynamic weight on the desktop.
- Keep LED lights off when disassembling the desk to prevent damage to the wiring.
- Take regular breaks during prolonged use to maintain good posture and prevent discomfort.
- Follow all safety instructions provided in the assembly guide included with your product.

2. SETUP AND ASSEMBLY

The IMGadgets Gaming Desk with LED is designed for straightforward assembly. All necessary tools and hardware are included in the package. It is recommended to assemble the desk with two people for ease and safety.

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the included parts list.
2. **Assemble Frame:** Attach the desk legs to the main support beams using the provided screws and tools. Ensure all connections are secure.
3. **Attach Desktop:** Place the carbon fiber desktop onto the assembled frame and secure it with the designated screws.
4. **Install Accessories:** Attach the headphone hook, cup holder, and cable management grommets to their respective positions as indicated in the assembly guide.
5. **Connect LED Lights:** Connect the LED light strips to the control unit and power source.
6. **Level the Desk:** Adjust the leveling feet at the bottom of the desk legs to ensure stability on uneven surfaces.

For detailed visual instructions, please refer to the assembly guide included in your product packaging.

4. MAINTENANCE

To ensure the longevity and appearance of your IMGadgets Gaming Desk, follow these simple maintenance guidelines:

- **Cleaning the Surface:** The carbon fiber surface is waterproof and scratch-resistant. Wipe the desktop regularly with a soft, damp cloth to remove dust and spills. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **LED Lights:** Periodically check the LED light strips for any dust accumulation. Gently wipe them with a dry, soft cloth if needed.
- **Frame Stability:** Occasionally check all screws and connections to ensure they remain tight.

Retighten if necessary to maintain desk stability.

5. TROUBLESHOOTING

If you encounter any issues with your IMGadgets Gaming Desk, please refer to the following common troubleshooting tips:

- **LED Lights Not Working:**
 - Ensure the power cable for the LED lights is securely plugged into both the control unit and a working power outlet.
 - Check the remote control battery.
 - Verify that all connections between the LED strips and the control unit are firm.
- **Desk Wobbles:**
 - Check that all assembly screws are tightened securely.
 - Adjust the leveling feet on the bottom of the desk legs to compensate for uneven flooring.
- **Missing Parts:** If any parts are missing upon unboxing, please contact customer support immediately.

If the problem persists after attempting these steps, please contact IMGadgets customer support for further assistance.
