LEGO NINJAGO Zane's Dragon Power Vehicles 30674 Polybag Instruction Manual

Model: 30674

INTRODUCTION

This instruction manual provides essential information for the assembly, operation, and care of your LEGO NINJAGO Zane's Dragon Power Vehicles 30674 Polybag building set. This 2-in-1 playset allows you to construct either a Spinjitzu racing car or convert it into a jet, offering versatile play experiences. Designed for children aged 7 and up, this set contains 55 pieces.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.

To avoid danger of suffocation, keep this polybag away from babies and children. Always ensure all small LEGO elements are kept out of reach of very young children to prevent accidental ingestion.

PRODUCT OVERVIEW

The LEGO NINJAGO Zane's Dragon Power Vehicles 30674 set is a compact yet engaging building experience. It features a 2-in-1 design, allowing builders to create two distinct models from the same set of bricks. This set is part of the Dragons Rising Collection, inspired by Season 1 of the Ninjago Dragons Rising TV show.

The set includes 55 pieces, providing a quick and satisfying build for young enthusiasts. It is a battery-free toy, relying solely on a child's imagination for endless fun and creative play.

SETUP AND ASSEMBLY

Your LEGO set comes with detailed, step-by-step visual instructions inside the polybag. Please follow these instructions carefully to ensure correct assembly of your Zane's Dragon Power Vehicle.

1. **Unpack:** Carefully open the polybag and empty all 55 pieces onto a clean, flat surface.
2. **Sort:** It can be helpful to sort the pieces by color or type before beginning assembly.
3. **Follow Instructions:** Refer to the included instruction booklet. Each step shows which pieces are needed and how they connect.
4. **Build the First Model:** Assemble the Spinjitzu racing car first, following the designated steps.
5. **Convert to Second Model:** Once the racing car is built, follow the conversion steps in the manual to transform it into the jet.

Ensure all connections are firm to prevent parts from detaching during play. If you encounter any difficulties, double-check the previous steps in the instruction booklet.

OPERATING AND PLAY

The Zane's Dragon Power Vehicles set is designed for imaginative play, allowing children to recreate scenes from the Ninjago Dragons Rising TV show or invent their own adventures.

- **Racing Car Mode:** Use the vehicle in its racing car configuration for high-speed ground pursuits and thrilling races.
- **Jet Mode:** Transform the vehicle into a jet for aerial battles and flying missions.
- **Role-Play:** Encourage storytelling and role-playing with the vehicle, integrating it with other LEGO NINJAGO sets or characters.
- **Creative Exploration:** Experiment with different ways to play and interact with the 2-in-1 design.

This toy is powered by a child's imagination, fostering independent play and problem-solving skills.

MAINTENANCE

Proper care will ensure the longevity of your LEGO set.

- **Cleaning:** To clean LEGO bricks, use a mild soap solution and lukewarm water (not exceeding 40°C or 104°F). Rinse thoroughly with clear water and air dry at room temperature. Do not use hot water, harsh chemicals, or abrasive cleaners, as these can damage the plastic.
- **Storage:** Store your LEGO set in a cool, dry place away from direct sunlight and extreme temperatures. This helps prevent discoloration and warping of the plastic elements.
- **Handling:** Handle the assembled model with care to avoid accidental disassembly.

TROUBLESHOOTING

While LEGO sets are designed for easy assembly, you might encounter minor issues.

- **Missing Pieces:** In the rare event of a missing piece, please visit the official LEGO Customer Service website to request a replacement part.
- **Assembly Difficulties:** If a step seems unclear or pieces don't fit, re-examine the instruction booklet carefully. Sometimes, a piece may be oriented incorrectly or a previous step might have been missed.
- **Loose Connections:** Ensure pieces are pushed together firmly until they click into place.
