## Redlife MDCWG-01

# Redlife 6 Drawer Black Rattan Dresser (Model MDCWG-01)

Instruction Manual

---

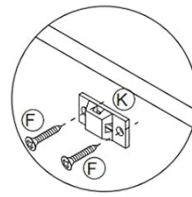

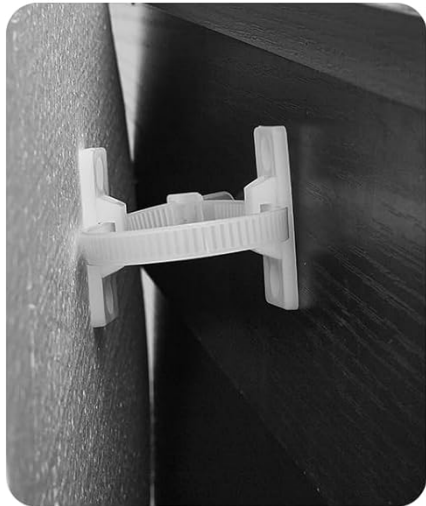

## IMPORTANT SAFETY INFORMATION

---

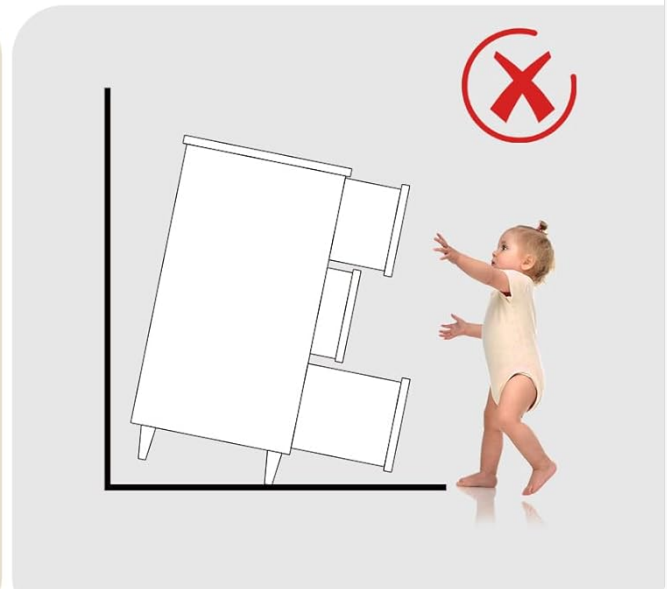

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

**WARNING: To prevent serious injury, this product must be securely attached to the wall using the anti-tipping device provided. Children can be seriously injured by furniture tipping over. Always install the anti-tipping device.**

# Anti-Tipping Device

These accessories are essential for preventing accidents and keeping you, your family, and your pets safe from potential harm.

**Image Description:** This image displays a diagram illustrating the correct installation of the anti-tipping device, showing how to secure the dresser to a wall. Below the diagram, there are two illustrations: one showing a child safely near a wall-anchored dresser (checked green symbol) and another showing a child reaching for an unsecured dresser that is tipping over (crossed red symbol), emphasizing the importance of the anti-tipping device for safety.

Ensure all parts are present and undamaged before beginning assembly. Do not use damaged parts. Keep small parts away from children during assembly.

## PRODUCT OVERVIEW

The Redlife 6 Drawer Black Rattan Dresser (Model MDCWG-01) is designed for versatile storage in various home environments. It features six spacious drawers, each equipped with silent three-section slides for smooth operation. The dresser incorporates woven rattan panels and golden metal handles, complemented by stable integrated support feet.

## 6 Drawers Rattan Dresser

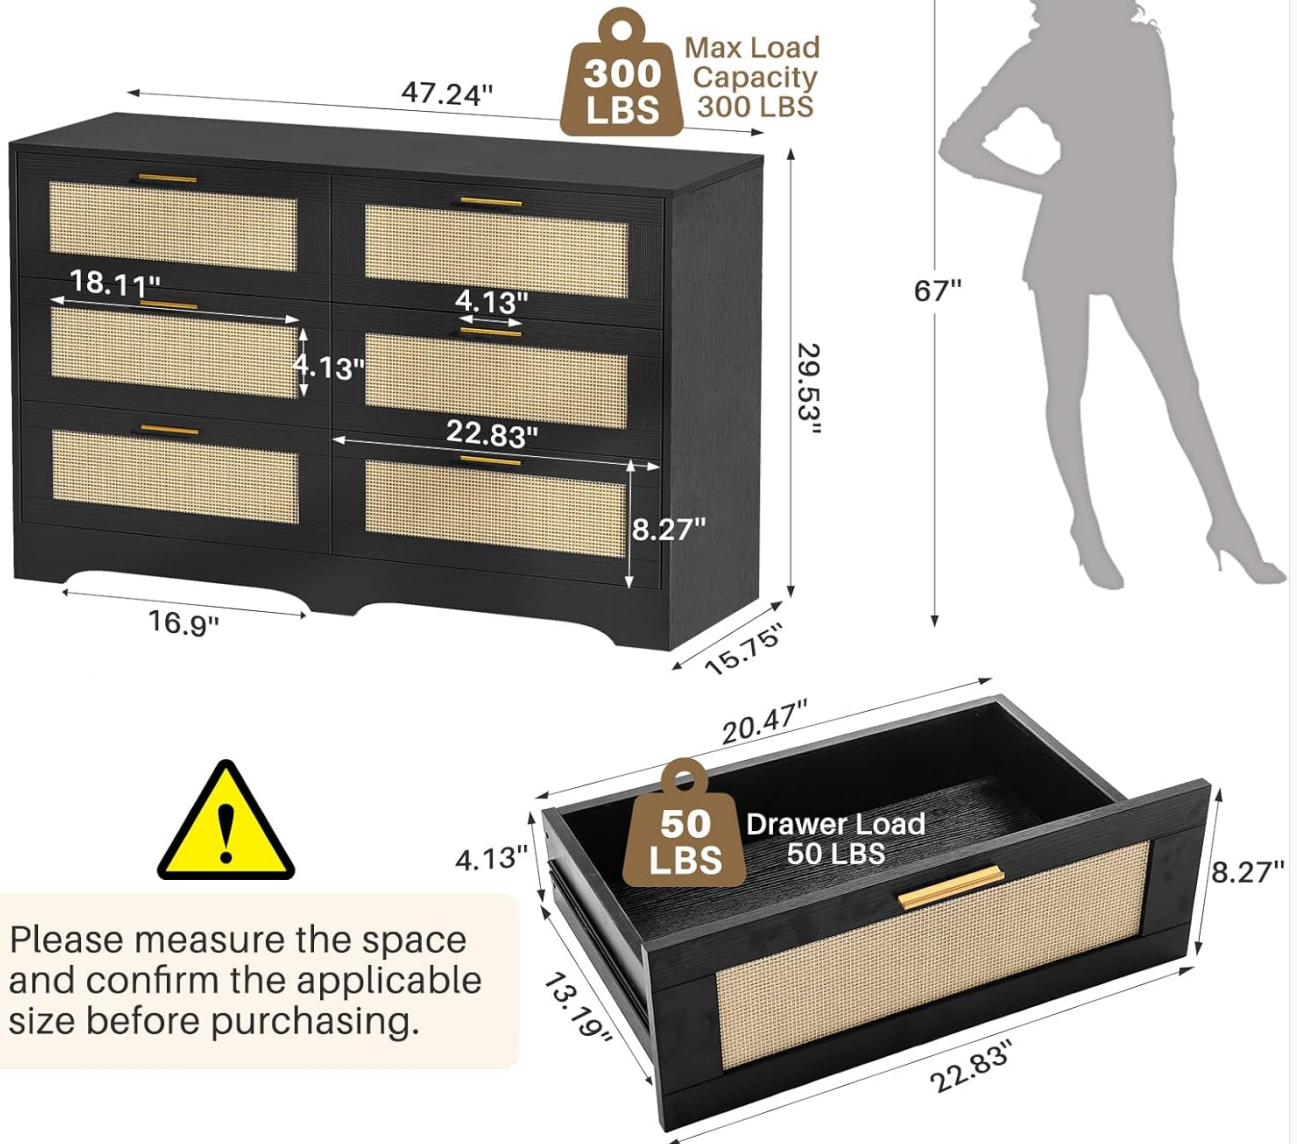

NOT only a dresser, it can also be used as beside table, TV stand, entryway table, accent storage cabinet for living room, etc. Ideal for bedroom, nursery, closet, living room and entryway

**Image Description:** This image provides a detailed view of the Redlife 6 Drawer Rattan Dresser, with callouts pointing to its key features. These include woven rattan panels on the drawer fronts, golden metal handles, ample storage space within the drawers, silent metal slide rails for smooth drawer operation, and stable integrated support feet at the base of the unit. The drawers are shown partially open, revealing items stored inside.

# Product Dimension

**Image Description:** This infographic provides a detailed breakdown of the dresser's dimensions and load capacities. It shows the overall length (47.24 inches), width (15.75 inches), and height (29.53 inches) of the dresser. It also specifies the dimensions of each drawer (20.47 inches length x 13.19 inches width x 4.13 inches deep). Key load capacities are highlighted: the dresser top can hold up to 300 lbs, and each drawer can hold up to 50 lbs. A note advises users to measure their space before purchasing.

## ASSEMBLY INSTRUCTIONS

Your Redlife 6 Drawer Rattan Dresser requires assembly. The package includes labeled accessories and detailed instructions to guide you through the process. We recommend two people for assembly, which typically takes approximately 45 minutes.

1. Unpack all components and verify against the parts list provided in your assembly guide.
2. Follow the step-by-step instructions in the included manual. Pay close attention to diagrams and illustrations.
3. When installing the drawer slides, ensure the 'G fittings' are correctly aligned and parallel. Incorrect installation of these fittings can cause drawers to not operate smoothly.
4. Once the dresser frame is assembled, securely attach the anti-tipping device to the wall as instructed in the safety section.
5. Insert the drawers into their respective slots, ensuring they slide in and out freely.

Note: No official seller installation videos were provided in the product data for embedding. Please refer to the printed instruction manual included with your product for detailed visual guidance.

## USAGE AND PLACEMENT

This dresser is designed for versatile use and can be integrated into various rooms to enhance storage and decor.

- **Bedroom:** Ideal for storing clothes, linens, and personal items. The wide top surface can accommodate lamps, books, and decorative accents.
- **Living Room:** Can serve as an accent storage cabinet for media, books, or decorative displays. It can also function as a TV stand for televisions up to 50 inches.
- **Hallway/Entryway:** Provides convenient storage for keys, mail, and other entryway essentials, while offering a surface for decorative items.
- **Closet:** Offers additional organized storage for clothing, accessories, or lingerie.

Each drawer has a maximum load capacity of 50 lbs. Avoid exceeding this weight to ensure smooth operation and product longevity. The dresser top has a maximum load capacity of 300 lbs.

## Multi-Purpose Use

Bedroom

Living Room

Foyer Entrance

Due to different environmental lighting, there may be minor color differences, please consult us in detail before purchasing.

**Image Description:** This image showcases the Redlife 6 Drawer Rattan Dresser in three different home environments: a bedroom, a living room, and a foyer entrance. This demonstrates the dresser's versatility and multi-purpose functionality as a storage unit and decorative piece in various settings. The bottom portion of the image includes a note about potential minor color differences due to environmental lighting.

## CARE AND MAINTENANCE

---

Proper care will help maintain the appearance and functionality of your dresser.

- **Cleaning:** For general cleaning, wipe the surfaces with a soft, damp cloth. For tougher spots, use a mild soap solution and immediately wipe dry with a clean, dry cloth.
- **Dusting:** Regularly dust the dresser with a dry, soft cloth to prevent buildup.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong detergents, or chemical sprays, as these can damage the finish and rattan material.
- **Spills:** Wipe up spills immediately to prevent staining or damage to the wood and rattan.
- **Sunlight and Heat:** Avoid placing the dresser in direct sunlight or near heat sources, as this can cause fading or warping over time.

## TROUBLESHOOTING

---

If you encounter issues with your dresser, please refer to the following common solutions:

- **Drawers Not Sliding Smoothly:** This is often caused by incorrect installation of the 'G fittings' or drawer slides. Carefully review the assembly instructions for the drawer slides and ensure they are parallel and correctly aligned. Adjust as necessary.
- **Wobbly Dresser:** Ensure all screws and fasteners are tightened securely. If the dresser is on an uneven surface, use furniture levelers if available, or place shims under the feet to stabilize it.
- **Missing Parts or Damage:** If you find any parts missing or damaged upon unpacking, do not proceed with assembly. Contact customer support immediately for assistance.

## WARRANTY AND CUSTOMER SUPPORT

---

Redlife offers a one-year warranty for this product, covering manufacturing defects from the date of purchase.

For any questions, concerns, or warranty claims, please contact Redlife customer service. When contacting support, it is helpful to provide your model number (MDCWG-01) and detailed pictures of any issues.
