HTLNUZD Motorcycle V4 Building Blocks Set Instruction Manual

Model: 883 Red White

1. INTRODUCTION

Thank you for choosing the HTLNUZD Motorcycle V4 Building Blocks Set. This 883-piece model kit allows for the construction of a detailed 1:10 scale motorcycle replica, featuring a classic red and white design. The set is designed to provide an engaging building experience and results in an ornamental display piece.

This manual provides essential information regarding the assembly, care, and specifications of your building block set. Please read it thoroughly before beginning assembly.

2. SAFETY INFORMATION

This product contains small parts and is not suitable for children under 3 years of age due to choking hazards. Adult supervision is recommended during assembly, especially for younger builders.

- Keep all packaging materials away from children.
- Ensure all pieces are handled carefully to avoid accidental ingestion.
- The building blocks are made from high-quality, non-toxic ABS plastic with smooth surfaces and rounded corners for safety.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. The package should contain:

- 883 pieces of building blocks
- 1 x Instruction Manual (printed, color instructions)

If any parts are missing or damaged, please refer to the 'Troubleshooting' section for assistance.

4. ASSEMBLY INSTRUCTIONS

The HTLNUZD Motorcycle V4 Building Blocks Set comes with a detailed, step-by-step color instruction manual. Follow these guidelines for a smooth assembly process:

1. **Preparation:** Unpack all building blocks and organize them by color, size, or type as suggested in the included instruction manual. This will simplify locating specific pieces during assembly.
2. **Follow the Manual:** Refer to the printed color instruction manual provided with your set. Each step is illustrated to guide you through the construction of the motorcycle model.
3. **Piece Placement:** Carefully connect the blocks as indicated in the instructions. Ensure pieces are firmly pressed together to create a stable structure.
4. **Attention to Detail:** Pay close attention to the orientation and placement of smaller, intricate pieces, especially for mechanical components and decorative elements.

5. DISPLAYING YOUR MODEL

Once assembled, your HTLNUZD Motorcycle V4 Building Blocks Set is designed as a display model. To ensure its longevity and aesthetic appeal:

- Place the model on a stable, flat surface to prevent accidental falls.
- Avoid direct sunlight exposure for prolonged periods to prevent potential color fading.
- Keep the model away from high humidity or extreme temperature changes.

6. MAINTENANCE

To keep your building block model clean and in good condition:

- **Dusting:** Gently dust the model regularly with a soft, dry cloth or a soft brush to prevent dust buildup.
- **Cleaning:** For more thorough cleaning, wipe the blocks with a slightly damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive water, as these can damage the plastic or printed details.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss and protect them from dust and damage.

7. TROUBLESHOOTING

Missing Pieces:

- Carefully check all packaging materials, including bags and boxes, as small pieces can sometimes be

overlooked.

- If you confirm that a piece is genuinely missing, please contact HTLNUZD customer support with details of the missing part (as identified in the instruction manual) and your purchase information.

Difficulty with Assembly:

- Double-check the previous steps in the instruction manual to ensure all connections are correct.
- Ensure you are using the correct pieces for each step; some pieces may appear similar but have subtle differences.
