## 2. WHAT'S IN THE BOX

Upon opening your QCOQ Smart Watch P98 package, you should find the following items:

- Instruction manual (this document)
- Magnetic charging cable
- Watch head (main device)
- Watch strap

## Customised Personalised Dials

- 100+ Watch faces
- DIY Your Smartwatch Wallpaper

### 3. SETUP

#### 3.1. Charging the Smart Watch

Before first use, fully charge your QCOQ Smart Watch P98. The watch is equipped with a large-capacity battery and supports fast magnetic charging.

1. Connect the magnetic charging cable to a USB power source (e.g., computer, wall adapter).
2. Align the magnetic end of the cable with the charging contacts on the back of the watch. The cable will snap into place.
3. The watch display will indicate charging status. A full charge takes approximately 2 hours.

Once fully charged, the watch provides 7 to 10 days of normal use and up to 30 days of standby time.

## 3.2. Power On/Off

- **To Power On:** Press and hold the side button until the screen lights up.
- **To Power Off:** Press and hold the side button, then select the 'Power Off' option on the screen.

## 3.3. Connecting to Your Smartphone (Bluetooth)

The QCOQ Smart Watch P98 is compatible with smartphones running iOS 9.0/Android 5.0 or above. To unlock all features, connect your watch to the "GloryFit" App.

1. Download the "GloryFit" app from your smartphone's app store (App Store for iOS, Google Play Store for Android).
2. Open the "GloryFit" app and create an account or log in.
3. Ensure Bluetooth is enabled on your smartphone.
4. In the "GloryFit" app, navigate to the device section and search for your QCOQ Smart Watch P98.
5. Select your watch from the list to pair. Follow any on-screen prompts on both your phone and watch to complete the pairing process.

Your browser does not support the video tag.

## 4. OPERATING THE SMART WATCH

### 4.1. Touch Screen Navigation

The QCOQ Smart Watch P98 features a 1.96" HD TFT full-touch color screen. Navigate the watch by swiping and tapping:

- **Swipe Up/Down:** Scroll through menus and notifications.
- **Swipe Left/Right:** Access quick functions or different widgets.
- **Tap:** Select an item or open an application.
- **Press Side Button:** Return to the home screen or wake the display.

The watch also supports lift-to-wake and wrist-twist-to-wake functions, along with 4-level adjustable brightness for clear visibility in various lighting conditions.

## 1.96" Large Screen

### 100+ Dials & App Customization

Image: The QCOQ Smart Watch P98's large screen displaying customizable watch faces.

### 4.2. Customizing Watch Faces

Personalize your watch with over 100 watch face styles available through the "GloryFit" app. You can

even customize the watch face with your own images.

#### 4.3. Bluetooth Calls and Smart Notifications

Once connected via Bluetooth, you can make and answer calls directly from your watch using its built-in microphone and high-fidelity speaker. The watch also displays message alerts and social media notifications (Facebook, WhatsApp, Instagram, Twitter, etc.) as vibrating alerts on your wrist.

#### 4.4. Health Monitoring

The QCOQ Smart Watch P98 is equipped with advanced sensing chips and high-precision PPG optical sensors to monitor your health metrics:

- **Heart Rate Monitoring:** Real-time monitoring of your heart rate throughout the day.
- **SpO2 Monitoring:** Automatically detects your blood oxygen saturation levels.
- **Sleep Tracking:** Automatically tracks your sleep states (deep sleep, light sleep, and sleep duration) and analyzes your sleep quality. View weekly and monthly data in the "GloryFit" App.
- **Female Menstrual Cycle Tracker:** A practical feature for tracking menstrual cycles.

## Heart Rate Monitor

24 hours real time monitoring of your physical conditions.

## Sleep Monitoring

Accurately record sleep status to escort your sleep quality.

#### 4.6. Additional Features

The QCOQ Smart Watch P98 includes a variety of practical functions:

- Alarms
- Stopwatch
- Timer
- Music control
- Camera control
- Voice assistant
- Weather display
- Sedentary reminders
- Find phone/smart watch
- Breath training
- Calendar
- Calculator

## 5. MAINTENANCE

### 5.1. Cleaning Your Smart Watch

To keep your watch in optimal condition:

- Wipe the screen and strap regularly with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive materials, as these can damage the watch.
- Ensure the charging contacts are clean and dry before charging.

### 5.2. Water Resistance (IP68)

The QCOQ Smart Watch P98 has an IP68 waterproof rating, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for 30 minutes. You can wear it during:

- Handwashing
- Rain
- Sweat
- Showering (avoid hot water and steam)

**Note:** While IP68 rated, prolonged exposure to water, especially hot water or chemicals, may affect its long-term water resistance. It is not recommended for diving or high-pressure water activities.

### 5.3. Strap Care

The watch comes with a soft, skin-friendly silicone strap. To maintain its condition, clean it regularly and avoid exposing it to harsh chemicals or extreme temperatures.

## 6. TROUBLESHOOTING

If you encounter any issues with your QCOQ Smart Watch P98, please refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the magnetic charging cable and allow it to charge for at least 30 minutes before attempting to power it on again.
- **Cannot pair with smartphone:**
  - Ensure Bluetooth is enabled on your phone and the watch is within range.
  - Make sure the "GloryFit" app is installed and running.
  - Restart both your phone and the watch, then try pairing again.
  - If previously paired, try unpairing the device from your phone's Bluetooth settings and then re-pairing through the app.
- **Notifications not appearing:**
  - Check notification settings within the "GloryFit" app to ensure app notifications are enabled.
  - Verify that your phone's notification settings allow the "GloryFit" app to send notifications.
  - Ensure the watch is connected to your phone via Bluetooth.
- **Inaccurate step count/health data:**
  - Ensure the watch is worn snugly on your wrist, about one finger's width from your wrist bone.
  - Keep the back sensors clean.
  - Calibrate your stride length in the "GloryFit" app if available.
- **Short battery life:**
  - Reduce screen brightness.
  - Disable unnecessary features or continuous heart rate monitoring if not needed.
  - Ensure the watch is fully charged each time.

For further assistance, please contact QCOQ customer support.
