

Aoowow Twin Size Kids House Bed with 2 Drawers, White-with Window

Aoowow Twin Size Kids House Bed with 2 Drawers and Window - Instruction Manual

Model: Twin Size Kids House Bed with 2 Drawers, White-with Window (B0DFQ5S862)

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Aoowow Twin Size Kids House Bed with 2 Drawers and Window. Please read all instructions carefully before assembly and use to ensure safe and proper functionality. Keep this manual for future reference.

SAFETY INFORMATION

Always follow the included user manual for safe assembly. Do not exceed the maximum weight capacity of 300 pounds. Be cautious when handling sharp edges during assembly and use.

- Ensure all components are securely fastened before use.
- Regularly check all bolts and screws to ensure they remain tight.
- Do not allow children to climb on the roof structure or side rails unsupervised.
- Place the bed on a flat, stable surface.
- Keep small parts away from young children during assembly to prevent choking hazards.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Bed Frame Components (Plywood, Pine Wood, MDF)
- Roof Structure
- Window Nook Panel
- Guardrails

- Headboard
- Wooden Slats (10 pieces)
- 2 Storage Drawers (components for assembly)
- Hardware Pack (screws, bolts, dowels, Allen wrench)
- Assembly Instruction Manual

Twin Size House Bed for Kids

SETUP AND ASSEMBLY

Assembly is required for this product. It is recommended that two adults assemble the bed. Please follow the step-by-step instructions provided in the separate assembly manual included in your package. Ensure you have adequate space and all tools (typically an Allen wrench, which is provided, and a screwdriver) before starting.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface (like a rug or blanket) to prevent scratches. Identify each part using the provided parts list and diagrams.
2. **Assemble the Main Bed Frame:** Connect the side rails, headboard, and footboard using the designated hardware. Do not fully tighten screws until all major frame components are aligned.

3. **Install the Slats:** Place the wooden slats across the bed frame. Secure them according to the instructions to create a stable mattress support.
4. **Attach Roof and Window Structures:** Secure the roof frame and the window nook panel to the main bed frame.
5. **Assemble and Insert Drawers:** Follow the specific instructions for assembling the two storage drawers. Once assembled, slide them into the designated space under the bed frame.
6. **Final Tightening:** Once all components are in place and aligned, securely tighten all screws and bolts. Do not overtighten.

OPERATING INSTRUCTIONS

The Aowow Twin Size Kids House Bed is designed for comfortable and functional use in a child's bedroom.

- **Mattress Placement:** This bed is designed for a twin-size mattress. A mattress thickness of 6-8 inches is suggested for optimal fit and safety with the guardrails. (Mattress not included).
- **Storage Drawers:** The two integrated drawers provide convenient storage for toys, bedding, or other items. Pull them out gently using the cut-out handles.
- **Weight Capacity:** The bed frame is designed to support a maximum weight of 300 pounds. Do not

exceed this limit.

- **Ventilation:** The semi-enclosed design with roof and window features promotes air circulation for a comfortable sleeping environment.

Figure 3: Recommended mattress thickness and design features.

MAINTENANCE

Proper care will extend the life and appearance of your house bed.

- **Cleaning:** Wipe the bed frame with a dry cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners, which can damage the painted finish.
- **Hardware Check:** Periodically inspect all screws, bolts, and fasteners to ensure they are tight. Retighten as necessary to maintain stability.
- **Drawer Care:** Keep the drawer tracks clean and free of debris to ensure smooth operation.

TROUBLESHOOTING

If you encounter any issues with your Aowow Kids House Bed, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose hardware.	Check and tighten all screws and bolts. Ensure the bed is on a level surface.
Drawers do not slide smoothly.	Debris in tracks, misaligned drawer.	Clean drawer tracks. Re-check drawer assembly and alignment with the bed frame.
Missing or damaged parts upon arrival.	Shipping damage or packaging error.	Do not proceed with assembly. Contact Aowow customer support immediately for replacement parts.
Difficulty aligning pre-drilled holes.	Minor manufacturing variance or incorrect orientation of parts.	Ensure parts are oriented correctly as per the assembly manual. If necessary, gently adjust alignment or contact support.
