› Electight White Noise Machine with Night Light and App Control (Model: FRHHSM1-US) - User Manual

## Electight FRHHSM1-US

# Electight White Noise Machine with Night Light and App Control

Model: FRHHSM1-US

### INTRODUCTION

The Electight White Noise Machine is designed to enhance sleep quality and create a calming environment for adults and babies. It features 34 soothing sounds, a 7-color adjustable night light, and convenient Wi-Fi connectivity for app control. This manual provides comprehensive instructions for its setup, operation, and maintenance.

### WHAT'S IN THE BOX

- White Noise Machine \*1
- USB-C Charging Cable \*1
- User Manual

### PRODUCT OVERVIEW

The Electight White Noise Machine combines a sound machine and a night light into a compact, user-friendly device. It offers both physical button controls and smart app control via Wi-Fi.

Image: Overview of the Electight White Noise Machine highlighting its key features such as app control, timer, rechargeable battery, night light, 34 sounds, child lock, sleep programs, and customizable scenarios.

### Control Buttons

The device features intuitive buttons on its base for direct control of various functions.

Image: Detailed diagram illustrating the functions of each control button on the base of the device, including volume up/down, power/play/pause, sound selection, light color/brightness adjustment, and timer.

- **Volume +/-:** Adjusts the sound volume.
- **Power / Play/Pause:** Turns the device on/off and plays/pauses sounds.
- **Sound Selection:** Cycles through the available sound categories.
- **Light Color / Brightness:** Changes the night light color and adjusts brightness.
- **Timer:** Sets the auto-off timer.
- **Top Touch Sensor:** Taps the top of the device to switch scenario modes or adjust light.

## SETUP

### 1. Power Connection

Connect the provided USB-C charging cable to the device and a suitable power adapter (not included). The device can be used while charging, or operate on its internal battery.

### 2. Initial Power On

Long press the Power button on the base to switch the device on. The night light will illuminate, and a default sound may begin playing.

### 3. App Download and Wi-Fi Connection

For smart control features, download the dedicated app to your mobile phone. Refer to the instruction manual included in the box for specific app download details and QR codes. Ensure your Wi-Fi network is 2.4G, as 5G Wi-Fi is not compatible. Follow the in-app instructions to connect your device to Wi-Fi.

## OPERATING INSTRUCTIONS

### App Control

Once connected to Wi-Fi, use the mobile app for full control over your Electight White Noise Machine. The app allows you to:

- Select from 34 soothing sounds (white noises, fan sounds, lullabies, nature sounds).
- Adjust volume levels precisely.
- Choose from 7 night light colors and adjust brightness (1%-100%).
- Set custom auto-off timers and auto-wakeup programs.
- Create and customize scene modes combining specific sounds and lighting effects.
- Enable or disable child lock.

Image: A child sleeping with the white noise machine on a bedside table, illustrating its use for sleep. The image also shows the app interface for setting sleep programs and timers.

## Manual Control

You can also operate the device using the physical buttons on its base:

- **Power On/Off:** Long press the power button.
- **Play/Pause Sound:** Short press the power button.
- **Adjust Volume:** Use the '+' and '-' buttons.
- **Change Sound:** Press the sound selection button to cycle through sound categories.
- **Change Light Color:** Press the light color/brightness button to cycle through 7 colors.
- **Adjust Light Brightness:** Long press the light color/brightness button to dim or brighten the light.
- **Set Timer:** Press the timer button to set an auto-off duration.
- **Scenario Mode Switching:** Tap the top of the device to switch between pre-set or customized scenario modes.

# Soft Night Light

Provides sufficient but not harsh light

Long press button "C" or use mobile phone to adjust 1%-100% Brightness Dimmer

Image: A hand interacting with the device's control panel, specifically demonstrating how to adjust the soft night light's brightness using the physical buttons or the mobile app.

## Sound Selection

The device offers 34 authentic sleep sounds, categorized as:

- 11 White Noises
- 3 Fan Sounds
- 8 Lullabies
- 12 Nature Sounds

# High-quality sound for a cosy atmosphere

Just like being in nature.

**11** White Noises

**8** Lullabies

**3** Fan Sounds

**12** Nature Sounds

Image: A visual representation of the sound categories available, including white noises, fan sounds, lullabies, and nature sounds, suggesting a high-quality sound experience for a cozy atmosphere.

## Night Light Features

The integrated night light provides soft, natural illumination with 7 soothing colors. It can be used as a bedside lamp, nursery light, or for creating ambient lighting. Brightness is adjustable from 1% to 100%.

Image: A visual demonstration of the night light's capabilities, showcasing different colors and a brightness scale from 10% to 100%.

### Timer and Sleep Programs

Set an auto-off timer for the device to automatically turn off after a specified duration. You can also create personalized sleep programs via the app, combining specific sounds, lights, and timings for wake-up and sleep routines.

# Auto Off Timer and Auto Wakeup

Regulate your sleep

## MAINTENANCE

To ensure the longevity and optimal performance of your Electight White Noise Machine, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the device with a soft, dry cloth. Do not use abrasive cleaners, solvents, or immerse the device in water.
- **Storage:** When not in use for extended periods, store the device in a cool, dry place away from direct sunlight.
- **Battery Care:** To maintain battery health, avoid fully discharging the battery frequently. Charge the device regularly.

## TROUBLESHOOTING

If you encounter any issues with your Electight White Noise Machine, please refer to the following common solutions:

- **Device Not Turning On:** Ensure the device is charged or connected to a power source using the USB-C cable. Try a different power adapter or outlet.
- **No Sound/Light:** Check if the device is powered on and not in pause mode. Adjust volume and brightness settings.
- **App Connectivity Issues:** Verify your mobile device's Wi-Fi is enabled and connected to a 2.4G network. Ensure the white noise machine is within range of your Wi-Fi router. Restart both the device and the app.
- **Buttons Unresponsive:** If the physical buttons are not responding, try restarting the device by holding the power button for 10 seconds.
- **Sound Quality Issues:** Ensure the device is placed on a stable surface. If using app control, check your phone's volume settings.

If the problem persists, please contact customer support for further assistance.

## SPECIFICATIONS

Feature	Detail
Brand	Electight
Model Name	USHHSM1 (FRHHSM1-US)
Product Dimensions	4.44"D x 4.44"W x 6.1"H
Item Weight	10.4 ounces
Material	Acrylonitrile Butadiene Styrene, Polypropylene
Power Source	Battery Powered (1 Lithium Ion battery included)
Voltage	3.7 Volts
Light Source Type	LED
Light Color	7 Colors Adjustable
Number of Sounds	34 Soothing Sleep Sounds
Control Method	App, Push Button
Special Features	Wi-Fi Connection, App Control, Timer
Indoor/Outdoor Usage	Indoor
Water Resistance Level	Not Water Resistant
