SEVERIN HV7966

Severin HV7966 Stick Vacuum/Electric Broom User Manual

Model: HV7966

1. PRODUCT OVERVIEW

The Severin HV7966 is a versatile cordless stick vacuum cleaner designed for efficient cleaning of various surfaces. It features a powerful Li-Ion battery, a high-speed electric brush, and a detachable handheld unit for enhanced flexibility.

Image 1.1: The Severin HV7966 stick vacuum in its complete assembled form, ready for floor cleaning.

2. SETUP AND ASSEMBLY

Before first use, ensure all components are present and the battery is fully charged.

2.1. Charging the Battery

- Connect the charging adapter to the vacuum cleaner's charging port.
- Plug the adapter into a suitable power outlet.
- Allow the battery to charge completely before initial use. The 22.2V Li-Ion battery (2200 mAh) provides approximately 40 minutes of runtime on a full charge.

2.2. Assembling the Vacuum

1. Attach the main body (handheld unit) to the extension tube.
2. Connect the Soft Slide electric nozzle to the other end of the extension tube. Ensure all connections click securely into place.
3. For handheld use, detach the main body from the extension tube and attach desired accessories directly.

Image 2.1: Included accessories: a crevice tool for narrow spaces and a brush tool for delicate surfaces or upholstery.

3. OPERATING INSTRUCTIONS

3.1. Powering On and Off

- Press the power button located on the handle to turn the vacuum cleaner on.
- Press the power button again to turn the vacuum cleaner off.

3.2. Using the Stick Vacuum

The electric high-speed brush with LED lighting is suitable for both sensitive hard floors and carpets, effectively picking up fine dust and larger debris.

Image 3.1: The electric high-speed brush head, featuring LED lights for improved visibility during cleaning.

3.3. Using as a Handheld Vacuum

Detach the main unit to use it as a handheld vacuum for cleaning upholstery, car interiors, or hard-to-reach areas.

Image 3.2: The vacuum configured for handheld use, demonstrating its compact form for targeted cleaning.

Image 3.3: Using the handheld unit with an attachment to clean upholstery on a chair.

Image 3.4: The handheld vacuum being used to clean the interior of a car, specifically a car seat.

Image 3.5: The handheld unit attached to the extension tube, reaching a high corner for dust removal.

4. MAINTENANCE

4.1. Emptying the Dust Reservoir

- The dust reservoir has a capacity of 0.5 liters.
- To empty, press the release button on the dust reservoir.
- Carefully remove the reservoir and empty its contents into a waste bin.
- Reattach the reservoir securely until it clicks into place.

4.2. Cleaning the Filter

- The vacuum uses a cyclonic filter system.
- Regularly check and clean the filter to maintain optimal suction performance.
- Refer to the detailed instructions in the full product manual for specific filter cleaning procedures.

4.3. Cleaning the Electric Brush

- Periodically inspect the electric brush for tangled hair or debris.
- Turn off the vacuum and remove the brush head.

- Carefully cut and remove any tangled hair or fibers from the brush roller.
- Reassemble the brush head after cleaning.

5. TROUBLESHOOTING

If you encounter issues with your Severin HV7966, please refer to the following common solutions:

- **No Power:** Ensure the battery is fully charged. Check that the charging adapter is properly connected.
- **Reduced Suction:** Empty the dust reservoir. Clean or replace the filter. Check for blockages in the nozzle, extension tube, or main unit.
- **Brush Not Rotating:** Ensure the brush head is properly attached. Check for obstructions or tangled debris in the brush roller.
- **Short Runtime:** Ensure the battery is fully charged. Battery performance may decrease over time with extensive use.

For more complex issues or if troubleshooting steps do not resolve the problem, please contact Severin customer support.

6. SPECIFICATIONS

Feature	Specification
Brand	SEVERIN
Model Number	HV 7966
Voltage	22.2 Volt
Battery Type	Li-Ion
Battery Capacity	2200 mAh
Runtime	Up to 40 minutes
Dust Reservoir Capacity	0.5 Liters
Filter Type	Cyclonic
Surface Recommendation	Carpet, Hard Floor
Power Source	Battery
Wireless	Yes
Item Weight	3.94 Kilograms
Form Factor	Stick
