Maupvit Vanity Desk with Mirror and Lights User Manual

Model: model

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your Maupvit Vanity Desk with Mirror and Lights. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

2. SAFETY INFORMATION

Always adhere to the following safety guidelines:

- Ensure all electrical appliances connected to the vanity's charging station are within the specified voltage and amperage limits (120V/12A for AC outlets, 5V/2A for USB ports).
- Do not overload the electrical outlets.
- Keep liquids away from electrical components.
- The vanity desk and drawer unit are designed to be placed adjacent to each other. The desk portion is not physically connected to the drawer unit by screws. For enhanced stability and safety, especially in households with children, it is highly recommended to use the provided wall mounts to secure both the vanity desk and the drawer unit to a wall.
- Assemble the vanity on a soft, clean surface to prevent scratches.
- Periodically check all fasteners to ensure they remain tight.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. Refer to the included assembly diagram for a complete list of parts and hardware.

Typical components include:

- Vanity Desk Top with Mirror and LED Lights
- Legs for Vanity Desk
- Drawer Unit (with 8 drawers)
- Charging Station (pre-installed or separate unit)
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Wall Mounting Hardware
- Tools for Assembly (e.g., Allen wrench)

4. SETUP AND ASSEMBLY

Assembly is required for this product. Follow the step-by-step instructions provided in the separate assembly guide included with your package. The process typically involves:

1. **Unpacking:** Carefully unpack all components and lay them out on a protected surface.
2. **Assembling the Drawer Unit:** Construct the main drawer unit according to the instructions.
3. **Assembling the Vanity Desk:** Attach the legs to the vanity desk top.
4. **Positioning the Units:** The vanity desk and drawer unit can be arranged in an L-shape configuration, allowing for flexible placement in your room. The width can be adjusted between approximately 61 to 65 inches.

Image: Illustration of the vanity desk's flexible L-shape configuration, showing how the dresser can be positioned on either the left or right side, with an adjustable overall width.

5. **Securing the Units:** As noted in the safety section, the desk and drawer unit are not physically joined. Use the provided wall mounting hardware to secure both pieces to a wall for stability.
6. **Connecting Electrical Components:** If the charging station is not pre-installed, follow instructions to integrate it. Plug the vanity's power cord into a wall outlet.
7. **Adjusting Feet:** The vanity features adjustable feet to ensure stability on uneven surfaces. Rotate the feet at the bottom of the legs to level the unit.

Image: Detail of the adjustable feet on the vanity desk, designed to provide stability on various floor types.

Note: Assembly can be time-consuming. It is recommended to have two people for assembly, and to allocate sufficient time (e.g., 2-6 hours) for completion.

5. OPERATING INSTRUCTIONS

5.1 LED Illuminated Mirror

The vanity mirror features integrated LED lighting with adjustable settings.

- **Power On/Off:** Lightly touch the touch switch on the mirror to turn the lights on or off.
- **Change Color Mode:** Short press the touch switch to cycle through the three available color modes:
 - Warm Yellow (3000K)
 - Warm White (4000K)
 - Cold Light (6000K)
- **Adjust Brightness:** Long press the touch switch to adjust the brightness level within the selected color mode. Release when the desired brightness is achieved.

3 lighting Effects & Adjustable Brightness

Dark 3500k 4500k 6500k Bright

Long press to adjust the brightness
Short press to adjust the lighting mode

Warm Yellow deal for dating and parties makeup

WARM WHITE deal for hanging out and indoor makeup

COLD LIGHT deal for daily, office and indoor makeup

Tactile switch

5.2 Built-in Charging Station

The vanity desk includes a built-in charging station for convenience.

- **AC Outlets:** Two standard 120V/12A AC outlets are available for powering devices such as hair dryers, curling irons, or other small appliances.
- **USB Ports:** Two 5V/2A USB ports are provided for charging mobile phones, tablets, or other USB-powered devices.
- Ensure the vanity's main power cord is plugged into a wall outlet for the charging station to function.

5.3 Storage Features

The vanity desk offers extensive storage options:

- **8 Large Drawers:** Utilize the eight spacious drawers for organizing makeup, accessories, and personal items.
- **3-Tier Storage Shelves:** The open shelves around the mirror provide easy access and display space for frequently used items or decorative pieces.
- **Spacious Tabletop:** The main tabletop offers ample surface area for daily routines.
- **Hair Dryer Holder:** A dedicated holder is included for convenient storage of a hair dryer.

Image: A close-up of the vanity desk showing the convenient, integrated holder for a hair dryer, located on the side of the mirror unit.

6. MAINTENANCE

- **Cleaning the Surface:** Wipe the vanity surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning the Mirror:** Use a glass cleaner and a lint-free cloth for the mirror. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the electrical components.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If needed, clean dust and debris from the tracks.
- **Electrical Components:** Ensure the charging station and mirror lights are kept dry. Do not attempt to service electrical components yourself.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
LED mirror lights do not turn on.	Vanity not plugged in. Power outlet malfunction. Touch switch issue.	Ensure the main power cord is securely plugged into a working wall outlet. Test the outlet with another device. Contact customer support if the touch switch is unresponsive after verifying power.
Charging station (AC/USB) is not working.	Vanity not plugged in. Device not properly connected. Overload/short circuit.	Verify the vanity is plugged in. Ensure devices are correctly plugged into the AC outlets or USB ports. Unplug all devices, then plug them back in one by one. Avoid exceeding the specified load.
Vanity desk feels unstable or wobbly.	Uneven floor. Loose assembly hardware. Not secured to wall.	Adjust the leveling feet at the bottom of the legs. Check and tighten all assembly screws. Ensure the vanity desk and drawer unit are properly secured to the wall using the provided anti-tip hardware.

8. SPECIFICATIONS

Feature	Detail
Brand	Maupvit
Model Number	model
Material	Wood
Color	White
Product Dimensions (L x W x H)	61.37 x 15.75 x 51.94 inches (Adjustable width 61-65 inches)
Item Weight	98 pounds
Assembly Required	Yes
Mirror Lighting	3 Color Modes (Warm Yellow, Warm White, Cold Light), Adjustable Brightness
Charging Station	2 x 120V/12A AC Outlets, 2 x 5V/2A USB Ports
Power Cord Length	4.9 feet
