OPERATING INSTRUCTIONS

Using Pockets and Compartments

- **Main Compartment:** Use the double zipper pullers to open the main compartment for larger items like books, tablets, or a small change of clothes.
- **Front Zippered Pockets:** Store frequently accessed items such as keys, wallets, or small notebooks in the two large front pockets and the one small front pocket.
- **Anti-Theft Back Pocket:** For enhanced security, place valuables like your phone or passport in the zippered pocket located on the back of the backpack, against your body.
- **Side Pockets:** Ideal for small water bottles, compact umbrellas, or other quick-access items.

Utilizing the Luggage Belt

The integrated luggage belt allows you to secure the backpack to the handle of a rolling suitcase, freeing your hands and

making travel more convenient.

1. Locate the horizontal strap on the back of the backpack.
2. Slide the handle of your rolling luggage through this strap.
3. Ensure the backpack is securely seated on top of your luggage before moving.

MAINTENANCE AND CARE

Washing Instructions

Proper care will extend the life of your backpack. Follow these guidelines for cleaning:

- For small stains, wipe clean with a damp cloth.
- It is recommended to wash by hand.
- Hang to dry in the shade.
- Iron at a low temperature if necessary.
- Do not rinse thoroughly or wring excessively (partial squeezing is allowed).
- Do not use bleach or harsh detergents.

TROUBLESHOOTING

- Stuck Zipper:** If a zipper becomes stiff, try rubbing a small amount of graphite (from a pencil) or a zipper lubricant along the teeth.
- Minor Stains:** For light stains, a gentle spot clean with mild soap and water is often effective. Avoid scrubbing vigorously to prevent damage to the fabric or print.
- Odor:** If the backpack develops an odor, air it out in a well-ventilated area. You can also place a sachet of baking soda inside for a few hours to absorb odors.
