## PAOFIN 1300 cabinet-White

# PAOFIN Metal Kitchen Pantry Storage Cabinet

Model: 1300 cabinet-White

Your Guide to Assembly, Use, and Care

## 1. INTRODUCTION

Thank you for choosing the PAOFIN Metal Kitchen Pantry Storage Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new storage unit. Designed for durability and versatility, this cabinet features a high-quality metal construction and adjustable shelving to meet various storage needs in your kitchen, living room, dining room, or other areas.

Please read this manual thoroughly before beginning assembly or use, and retain it for future reference.

## 2. SAFETY INFORMATION

- **Always secure the cabinet to the wall or floor** using the provided anti-tipping device to prevent accidental tipping, especially in households with children or pets.
- **Do not overload the shelves.** Distribute weight evenly to maintain stability. Refer to the specifications for weight capacity if available.
- **Keep the area around the cabinet clear** to prevent accidents and ensure proper door operation.
- During assembly, ensure all parts are correctly aligned and fasteners are tightened securely.
- Use caution when handling metal components to avoid pinching or cuts.

## 3. PRODUCT FEATURES

- **High-Quality Metal Construction:** Crafted from premium metal materials, ensuring exceptional durability and sturdiness for long-lasting use.
- **Adjustable Shelves:** Features three adjustable shelves, allowing for flexible customization of storage space to accommodate items of various heights.
- **Sleek and Stylish Design:** A minimalist and fashionable aesthetic that seamlessly integrates into diverse interior settings, including kitchens, pantries, bathrooms, and garages.
- **Easy Assembly and Maintenance:** Designed for straightforward assembly with smooth surfaces that facilitate easy cleaning and hassle-free upkeep.

- **Anti-Tipping Device:** Equipped with a safety device to enhance stability and prevent accidental tipping.
- **Ample Storage Space:** Measuring 11.81"D x 23.62"W x 47.24"H, it provides generous storage capacity for organizing various belongings.
- **Adjustable Leveling Feet:** Includes leveling feet to ensure stability on uneven surfaces and assist with door alignment.

Color	White
Product Dimensions (D x W x H)	11.81"D x 23.62"W x 47.24"H
Material	Metal
Number of Shelves	3 (Adjustable)
Item Weight	44 Pounds
Mounting Type	Floor Mount
Assembly Required	Yes

## 5. SETUP AND ASSEMBLY

The PAOFIN Storage Cabinet requires assembly. While designed for ease of assembly, it is recommended to have two people for the process due to the weight and size of the components. A power drill may be helpful for faster and more secure fastening, though manual tools are typically sufficient.

### Assembly Steps (General Guidance):

1. **Unpack and Verify:** Carefully unpack all components and hardware. Compare them against the parts list provided in your assembly instructions to ensure all pieces are present and undamaged.
2. **Prepare Workspace:** Choose a clean, flat, and spacious area for assembly. Lay down a blanket or cardboard to protect both the cabinet parts and your floor.
3. **Assemble Frame:** Follow the step-by-step instructions to connect the main frame components. Ensure all connections are secure before proceeding.
4. **Install Shelves:** Insert the adjustable shelf clips into the desired slots on the cabinet frame. Place the shelves onto the clips.
5. **Attach Doors and Handles:** Secure the doors to the cabinet frame using the provided hinges. Attach the handles to the doors.
6. **Install Leveling Feet:** Screw the adjustable leveling feet into the base of the cabinet. Adjust them as needed to ensure the cabinet is stable and level on your floor.
7. **Secure Anti-Tipping Device:** Crucially, attach the anti-tipping device to the back of the cabinet and

secure it to a wall stud or appropriate anchor point. This step is vital for safety.

## 6. OPERATING INSTRUCTIONS

### Adjusting Shelves:

The cabinet features three adjustable shelves. To adjust a shelf's height:

1. Empty the shelf you wish to move.
2. Carefully lift the shelf and remove the shelf clips from their current positions.
3. Reinsert the shelf clips into the desired slots on the cabinet's side panels, ensuring they are at the same height on both sides.
4. Place the shelf back onto the newly positioned clips, ensuring it is stable before placing items on it.

### General Use:

This cabinet is suitable for storing a variety of items, including kitchen supplies, pantry essentials, office supplies, or bathroom necessities. The magnetic door design ensures the doors close securely.

## 7. MAINTENANCE

Maintaining your PAOFIN storage cabinet is simple due to its smooth, powder-coated metal surfaces.

- **Cleaning:** Wipe down the cabinet surfaces with a soft, damp cloth. For stubborn marks, a mild, non-abrasive cleaner can be used. Dry thoroughly with a clean cloth to prevent water spots.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or harsh chemical solvents, as these can damage the finish.
- **Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Leveling Feet:** Occasionally check the leveling feet to ensure the cabinet remains stable and level. Adjust as needed.

## 8. TROUBLESHOOTING

### Common Issues and Solutions:

- **Cabinet is Wobbly/Unstable:**
  - Ensure all assembly screws are fully tightened.
  - Adjust the leveling feet at the base of the cabinet. Turn them clockwise or counter-clockwise until the cabinet sits firmly on the floor without wobbling.
  - Verify the anti-tipping device is securely installed to the wall.
- **Doors Do Not Close Properly or Are Crooked:**
  - First, ensure the cabinet itself is perfectly level by adjusting the leveling feet. An unlevel cabinet can cause door misalignment.

- Check the door hinges for proper installation and tightness. Adjust hinge screws if necessary.
  - In some cases, a slight, gentle bend of the metal frame near the door hinges or edges may be required to achieve perfect alignment. Proceed with extreme caution to avoid over-bending or damaging the finish.
- **Missing Parts or Damaged Components:**
    - Refer to the original parts list. If parts are missing or damaged upon arrival, contact PAOFIN customer support for assistance.

## 9. WARRANTY AND SUPPORT

---

PAOFIN is committed to providing high-quality products and excellent customer service. While specific warranty details are not provided in this manual, PAOFIN aims to quickly resolve customer issues and provides one-on-one professional services to meet customer needs.

If you encounter any issues with your product, require replacement parts, or have questions not covered in this manual, please contact PAOFIN customer support through the retailer where you purchased the product or visit the official PAOFIN store page for contact information.

PAOFIN maintains a stock of easily damaged accessories to ensure prompt resolution of customer concerns.
