Vabches J5V004

Vabches J5V004 4-Drawer Lateral File Cabinet Instruction Manual

Brand: Vabches | Model: J5V004

1. PRODUCT OVERVIEW

The Vabches J5V004 Lateral File Cabinet is designed to provide organized storage for your home or office. Featuring a farmhouse style with X-shaped accents and a weathered finish, this cabinet offers both aesthetic appeal and practical functionality. It includes four drawers, with specific capacities for various document sizes and general storage.

2. PRODUCT DIMENSIONS

The overall dimensions of the Vabches J5V004 Lateral File Cabinet are 15.75 inches (D) x 33.27 inches (W) x 28.94 inches (H). The drawers are designed to accommodate various file sizes as detailed below.

Product Size

Image: Diagram illustrating the overall dimensions of the file cabinet and the internal dimensions of its various drawers.

- Overall Dimensions: 15.75"D x 33.27"W x 28.94"H
- Large File Drawer (bottom): Suitable for Letter, A4, and Legal size documents. Internal dimensions: 30.67"W x 11.61"D x 11.61"H.
- Small File Drawer (top right): Suitable for Letter and A4 size documents. Internal dimensions: 15.28"W x 11.61"D x 11.61"H.
- Regular Drawers (middle right): For general storage. Internal dimensions: 15.28"W x 11.61"D x 5.75"H.

3. ASSEMBLY INSTRUCTIONS

This file cabinet requires assembly. Please follow the included illustrated instructions carefully. It is recommended to sort all pieces by their lettered labels and hardware by their numbered labels before beginning assembly to streamline the process.

The assembly process involves attaching drawer slides, constructing the drawer boxes, and then assembling the main cabinet frame. Ensure all screws and fasteners are securely tightened for stability.

Assembly Video Guide

4. USAGE AND STORAGE

This lateral file cabinet is designed for versatile storage. The large bottom drawer is equipped with hanging rods to organize Letter, A4, or Legal size documents. The top right drawer also supports Letter and A4 size files with hanging rods. The two smaller drawers are ideal for office supplies, personal items, or other small accessories.

The spacious top surface of the cabinet can function as a printer stand, holding office equipment, or as a display area for decorative items.

5. SAFETY INFORMATION

For your safety, this file cabinet is equipped with an anti-tipping device. It is crucial to install this device according to the instructions provided to prevent accidental tipping, especially when drawers are open or the cabinet is heavily loaded. The sturdy engineered wood construction and thick leg base contribute to its overall stability.

6. SPECIFICATIONS

Feature	Detail
Brand	Vabches

Feature	Detail
Model Name	J5V004
