PAOFIN 1300 cabinet-Black

PAOFIN Metal Kitchen Pantry Storage Cabinet User Manual

Model: 1300 cabinet-Black | Brand: PAOFIN

INTRODUCTION

Thank you for choosing the PAOFIN Metal Kitchen Pantry Storage Cabinet. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new storage cabinet. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

IMPORTANT SAFETY INFORMATION

To ensure safe use of your PAOFIN storage cabinet, please adhere to the following safety guidelines:

- **Anti-Tipping Device:** Always secure the cabinet to the wall using the provided anti-tipping device to prevent accidental tipping, especially in households with children or pets.
- **Handling:** Be cautious when handling metal components to avoid cuts or pinches. Wear gloves if necessary.
- **Assembly:** Follow all assembly instructions carefully and completely. Do not skip steps or use unauthorized parts. It is recommended to have two people for assembly due to the weight and size of the cabinet.
- **Weight Capacity:** Do not overload shelves. Distribute weight evenly. Refer to the specifications section for individual shelf weight limits.
- **Placement:** Place the cabinet on a flat, stable, and level surface. Use the adjustable leveling feet to ensure stability.

- **Maintenance:** Regularly inspect the cabinet for loose parts or damage. Tighten fasteners as needed.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact PAOFIN customer support.

Part	Description	Quantity
Cabinet Panels	Side panels, back panel, top panel, bottom panel	Various
Doors	Two front doors with magnetic closure design	2
Adjustable Shelves	Metal shelves for interior storage	3
Hardware Kit	Screws, bolts, nuts, shelf pins, anti-tipping kit	1 Set
Handles	Metal handles for doors	2
Leveling Feet	Adjustable feet for cabinet base	4

ASSEMBLY INSTRUCTIONS

Please follow these steps carefully for proper assembly. It is recommended to assemble the cabinet on a soft, clean surface to prevent scratches.

1. **Prepare the Area:** Clear a spacious area for assembly. Lay out all components and hardware.
2. **Attach Leveling Feet:** Securely attach the adjustable leveling feet to the bottom panel of the cabinet. Ensure they are tightened but allow for future adjustment.
3. **Assemble Base Frame:** Connect the side panels to the bottom panel using the provided hardware.
4. **Install Back Panel:** Slide or attach the back panel into the designated grooves or fasteners on the side and bottom panels.
5. **Attach Top Panel:** Secure the top panel to the assembled frame.

6. **Install Doors:** Attach the two doors to the cabinet frame using the hinges. Ensure the magnetic door design aligns for proper closure. Adjust hinges if necessary for proper door alignment.
7. **Attach Handles:** Secure the metal handles to the exterior of the doors.
8. **Insert Shelf Pins:** Place the shelf pins into the desired slots on the interior side panels.
9. **Place Adjustable Shelves:** Carefully place the three adjustable shelves onto the installed shelf pins.
10. **Secure Anti-Tipping Device:** Position the cabinet in its final location. Secure the anti-tipping device to the top rear of the cabinet and firmly attach it to a wall stud using appropriate wall anchors (not always included, but recommended).
11. **Level the Cabinet:** Adjust the leveling feet at the base of the cabinet to ensure it is stable and level on your floor. This is crucial for proper door alignment and stability.

OPERATING INSTRUCTIONS

The PAOFIN storage cabinet is designed for versatile storage in various rooms.

- **Opening/Closing Doors:** Gently pull the metal handles to open the doors. The magnetic closure ensures the doors remain securely shut when closed.
- **Adjusting Shelves:** To adjust the height of a shelf, carefully remove all items from the shelf. Lift the shelf slightly and remove the four shelf pins supporting it. Reinsert the shelf pins into the desired slots at the new height, ensuring they are level. Then, place the shelf back onto the pins.
- **Storage:** Utilize the three adjustable shelves to organize kitchen supplies, pantry essentials, office supplies, or other household items. The cabinet's design allows for efficient use of vertical space.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your PAOFIN storage cabinet.

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as they may damage the finish. Dry immediately with a clean cloth.
- **Inspection:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary.
- **Rust Prevention:** The cabinet features a water-proof/rust-proof coating. However, avoid prolonged exposure to excessive moisture to maintain its integrity.
- **Door Alignment:** If doors become misaligned, gently adjust the hinges or re-level the cabinet using the adjustable feet.

MATERIAL AND COATING TECHNIQUES

**Heavy Gauge
Cold-Rolled**

**Electrostatic
Powder Coated**

**Durable
Longevity**

**Water-Proof
/Rust-Proof**

TROUBLESHOOTING

If you encounter any issues with your cabinet, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Cabinet is wobbly/unstable	Uneven floor; leveling feet not adjusted; loose fasteners.	Adjust the leveling feet until the cabinet is stable. Ensure all assembly fasteners are tightened.
Doors do not close properly or are misaligned	Cabinet is not level; hinges are loose or misaligned; magnetic catch not engaging.	Ensure the cabinet is perfectly level using the adjustable feet. Check and tighten hinge screws. Adjust hinges if they allow for alignment. Gently bend the metal if necessary, as mentioned in some customer reviews, but proceed with extreme caution.
Shelves are not level	Shelf pins not inserted correctly or into matching slots.	Remove the shelf and shelf pins. Reinsert pins into corresponding slots on both sides at the same height.
Missing parts after unboxing	Packaging error or loss during transit.	Contact PAOFIN customer support immediately with your purchase details and a list of missing parts.

SPECIFICATIONS

Model: 1300 cabinet-Black
