4. SETUP

Follow these steps for initial setup of your BSIMB Digital Picture Frame:

1. **Unpack and Connect Power:** Carefully remove all components from the packaging. Connect the power adapter to the DC IN port on the frame and plug it into a power outlet. The frame will power on automatically.
2. **Install Stand or Mount:** Attach the included stand for tabletop use, or use the provided screws and wall anchors for wall mounting. The frame supports both vertical and horizontal orientations.
3. **Connect to Wi-Fi:** On the touchscreen, navigate to the settings menu and select Wi-Fi. Choose your network and enter the password to connect. A stable Wi-Fi connection is essential for app-based sharing.
4. **Download VPhoto App:** Download the "VPhoto" app from your smartphone's app store (available for iOS and Android).
5. **Pair the Frame:** Open the VPhoto app and create an account. Follow the in-app instructions to add your frame using its unique frame ID. This ID is typically found in the frame's settings.
6. **Upload Your First Photos/Videos:** Once paired, you can start uploading pictures and videos directly from your phone via the VPhoto app. You can also use a Micro SD card or USB drive.

6. MEDIA MANAGEMENT

The BSIMB Digital Picture Frame provides several convenient methods for uploading and managing your photos and videos.

Uploading Media:

- **VPhoto App:** The primary method for sharing. Once the frame is paired with the app, you can instantly upload photos and videos from your smartphone.
- **Email:** Share photos and videos directly to your frame's unique email address.
- **Micro SD Card (TF Card):** Insert a Micro SD card into the designated slot to display media stored on it.
- **USB Drive:** Connect a USB drive to the frame's USB port to access and display media.

Sharing with Family and Friends:

The VPhoto app allows you to share your frame's unique code with loved ones, enabling them to upload their own photos and videos to your frame, no matter where they are. This creates a shared album of precious moments.

8. MAINTENANCE

To ensure the longevity and optimal performance of your digital picture frame, please follow these maintenance guidelines:

- **Cleaning the Screen:** Use a soft, lint-free cloth to gently wipe the screen. For stubborn smudges, slightly dampen the cloth with water or a screen-safe cleaner. Avoid harsh chemicals or abrasive materials.
- **Cleaning the Frame:** Wipe the frame's exterior with a soft, dry cloth.
- **Avoid Liquids:** Do not spray liquids directly onto the frame or screen. Prevent water or other liquids from entering the device.
- **Ventilation:** Ensure the ventilation holes on the back of the frame are not blocked to prevent

overheating.

- **Storage:** When not in use for extended periods, store the frame in a cool, dry place away from direct sunlight and extreme temperatures.

9. TROUBLESHOOTING

If you encounter any issues with your BSIMB Digital Picture Frame, please refer to the following common solutions:

Problem	Possible Solution
Frame does not power on.	Ensure the power adapter is securely connected to both the frame and a working power outlet. Try a different outlet.
Cannot connect to Wi-Fi.	Check if your Wi-Fi router is on and within range. Verify the Wi-Fi password. Restart the frame and your router.
Photos/Videos not displaying.	Ensure media files are in supported formats (JPEG, PNG for photos; MP4 for videos). Check if the storage (internal, SD card, USB) is properly inserted and recognized. Verify files were uploaded correctly via the VPhoto app.
Touchscreen is unresponsive.	Restart the frame. Ensure the screen is clean and free of debris.
Remote control not working.	Check if AAA+ batteries are correctly inserted and not depleted. Ensure there are no obstructions between the remote and the frame's IR receiver.
Slideshow not changing photos.	Check slideshow settings for interval duration. Ensure there are multiple photos in the selected album/folder.

If these solutions do not resolve the issue, please contact BSIMB customer support for further assistance.
