OffiGo U Shaped Electric Standing Desk with Keyboard Tray - 55 Inch User Manual

Model: 1946c956-d86b-4ba1-88f5-89f81116b47a

INTRODUCTION

Thank you for choosing the OffiGo U Shaped Electric Standing Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new desk. Please read these instructions thoroughly before use and retain them for future reference.

IMPORTANT SAFETY INFORMATION

For your safety and to prevent damage to the product, please observe the following:

- Always ensure the desk is placed on a stable, level surface before and during operation.
- Follow all manufacturer's instructions carefully for height adjustment and assembly.
- Do not operate the desk if any electrical components are damaged, frayed, or malfunctioning. Contact customer support immediately.
- Keep the desk away from direct heat sources, open flames, and liquids to prevent damage and potential hazards.
- Ensure there are no obstructions above or below the desk during height adjustments to avoid collisions.
- Keep children and pets away from the desk's moving parts during operation.
- Do not sit or stand on the desk. The desk is designed to support office equipment and materials, up to its specified weight capacity.

PRODUCT FEATURES

- **U-Shaped Desktop:** Provides an expansive workspace with a dual corner design for enhanced organization.
- **Electric Height Adjustment:** Seamlessly adjust desk height from 28.4 inches to 46.5 inches with three programmable preset buttons.
- **Integrated Power Outlets:** Equipped with 3 AC outlets and 2 USB ports for convenient device charging.
- **LED Lighting:** Features an LED light strip with 10 static colors and 20 dynamic modes to customize your workspace ambiance.

- **Full-Size Monitor Stand:** Ergonomically designed to accommodate multiple monitors, optimizing viewing angles and saving desktop space.
- **Keyboard Tray:** A dedicated pull-out tray for comfortable keyboard and mouse placement.
- **Storage Hooks:** Two integrated hooks provide additional storage for headphones or bags.
- **Sturdy Construction:** Built with a robust steel frame, supporting up to 154 lbs.

SETUP AND ASSEMBLY

The OffiGo U Shaped Electric Standing Desk is designed for straightforward assembly. All necessary parts are clearly labeled, and detailed instructions are included in the packaging. A screwdriver is recommended for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the included parts list.
2. **Assemble Frame:** Follow the step-by-step instructions to connect the steel frame components. Ensure all screws are tightened securely.
3. **Attach Desktop Sections:** Secure the U-shaped desktop sections to the assembled frame. Pay attention to alignment for a seamless surface.
4. **Install Monitor Stand:** Mount the full-size monitor stand according to the instructions.
5. **Install Keyboard Tray:** Attach the keyboard tray to its designated position.
6. **Connect Electrical Components:** Route and connect the power outlets, USB ports, and LED light strip as instructed. Ensure all connections are firm.
7. **Position Desk:** With assistance, carefully flip the desk upright and place it in its desired location on a stable surface.
8. **Initial Power-Up:** Plug the desk into a grounded electrical outlet.

OPERATING INSTRUCTIONS

Electric Height Adjustment

The desk's height can be adjusted using the digital control panel located on the front edge of the desk. The height range is from 28.4 inches (sitting) to 46.5 inches (standing).

- **Up/Down Buttons:** Press and hold the up or down arrow buttons to continuously adjust the desk height. Release the button to stop at your desired height.

- **Preset Buttons (1, 2, 3):** The control panel features three memory preset buttons.
 - To save a height: Adjust the desk to your preferred height, then press the "S" (Save) button followed by one of the number buttons (1, 2, or 3). The height is now saved to that preset.
 - To recall a height: Simply press the corresponding number button (1, 2, or 3), and the desk will automatically move to the saved height.

LED Lights Operation

The integrated LED light strip offers customizable lighting options.

- **Static Color Button (C):** Press to cycle through 10 different static color options.
- **Dynamic Mode Button (M):** Press to select from 20 dynamic lighting modes.
- **Speed & Brightness Adjustment:** Use the dedicated buttons (often labeled with sun/brightness icons or arrows) to adjust the intensity of the lights or the speed of dynamic modes.
- **Power On/Off:** A dedicated button (often labeled "ON/OFF") controls the LED lights.

Charging Station

The desk includes a built-in charging station for your convenience.

- **AC Outlets:** Three standard 125V/12A AC outlets are available for powering laptops, monitors, and other devices.
- **USB Ports:** Two 5V/2A USB ports are provided for charging smartphones, tablets, and other USB-powered accessories.

MAINTENANCE

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Electrical Components:** Regularly inspect power cords and connections for any signs of wear or damage. Do not attempt to repair damaged electrical parts yourself.
- **Moving Parts:** Ensure the lifting mechanism operates smoothly. If you notice any unusual noises or resistance, discontinue use and consult the troubleshooting section or contact customer support.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 154 lbs to prevent damage to the desk and potential injury.

TROUBLESHOOTING

If you encounter any issues with your OffiGo Electric Standing Desk, please refer to the following common solutions:

Problem	Possible Cause	Solution
Desk does not move.	Power cord disconnected; motor overload; control panel error.	Check power connection. Unplug for 30 seconds and plug back in. Reduce weight on desk. Perform a reset (refer to specific reset instructions in the full manual if available, or contact support).
Uneven height adjustment.	Obstruction; uneven weight distribution.	Clear any obstructions. Redistribute weight evenly on the desktop.
LED lights not working.	Power issue; light strip connection.	Ensure the desk is powered on. Check the connection of the LED light strip. Press the power button for the LED lights.

Problem	Possible Cause	Solution
Power outlets/USB ports not working.	Desk not powered; internal connection issue.	Verify the desk is plugged in and receiving power. Check if the power strip is securely connected internally (if accessible).

If these solutions do not resolve the issue, please contact OffiGo customer support for further assistance.
