OLEVS King Bed Frame Instruction Manual

Model: FBA-OLE-BF-K-009 | Brand: OLEVS

PRODUCT OVERVIEW

The OLEVS King Bed Frame is a modern platform bed designed for comfort and convenience. It features an integrated RGB LED headboard, a 2-tier storage headboard, and a built-in charging station. The sturdy metal frame eliminates the need for a box spring and is engineered for noise-free sleep. This manual provides detailed instructions for assembly, operation, and maintenance.

SAFETY INFORMATION

- Ensure your mattress is compatible with this platform bed frame.
- Do not exceed the maximum weight capacity of 1000 pounds.
- Follow assembly instructions carefully to prevent instability.
- Keep the product away from young children and pets to avoid potential choking hazards.

PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. The package should include:

- Headboard components (including upholstered panels and frame)
- Bed frame side rails and footboard
- Metal slats and support legs

- Integrated charging station unit (pre-installed in headboard)
- LED light strip and remote control
- All necessary hardware (screws, bolts, washers, Allen wrench)
- Instruction manual

SETUP AND ASSEMBLY

The OLEVS King Bed Frame is designed for straightforward assembly. All parts are clearly labeled, and detailed instructions are provided in the included manual. While assembly can be completed by a single person, having a second individual may simplify the process.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all parts using the provided parts list in the separate assembly guide.
3. Follow the step-by-step diagrams and instructions in the assembly guide to connect the headboard, side rails, and footboard.
4. Install the metal slats securely onto the frame. Ensure the mute sponge bar on the central beam is correctly positioned to reduce friction and noise.
5. Connect the LED light strip and charging station power cable as instructed.
6. Ensure all screws and bolts are tightened securely before placing the mattress.

Note: No box spring is required for this platform bed frame.

Built-in Charging Station with 5 Sockets

2 AC Outlets

2 USB Ports

1 Type-C Ports

6.6ft Power Cord

OPERATING INSTRUCTIONS

LED Light Operation

The integrated RGB LED headboard can be controlled via the included remote or a compatible mobile application. This allows for customization of your room's ambiance.

- **Power On/Off:** Use the designated button on the remote control to turn the LED lights on or off.
- **Color Selection:** Choose from a wide range of colors (over 60,000 options) using the color palette on the remote or app.
- **Brightness Adjustment:** Increase or decrease the light intensity to your preference.
- **Dynamic Modes:** Explore various pre-set modes such as flash, strobe, dynamic, music sync, and mic mode to create different lighting effects.

Charging Station Usage

The headboard features a convenient charging hub to keep your electronic devices powered.

- Plug your devices into the 2 AC outlets, 2 USB ports, or 1 Type-C charger located on the headboard.
- Ensure the bed frame is properly connected to a power source for the charging station to function.

MAINTENANCE

- **Cleaning:** Wipe metal surfaces with a soft, damp cloth. For upholstered headboard sections, use a fabric cleaner suitable for the material, testing on an inconspicuous area first.
- **Tightening Hardware:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent squeaking.
- **Noise Reduction:** The bed frame includes a mute sponge bar on the middle beam. Ensure it remains in place to

minimize friction and noise.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame makes noise (squeaking/creaking)	Loose hardware; friction between metal parts.	Ensure all bolts and screws are securely tightened. Verify the mute sponge bar on the central beam is correctly positioned.
Mattress slides on the frame	Lack of friction between mattress and slats.	Consider using a non-slip mattress pad or rubber grippers between the mattress and the slats.
LED lights or charging station not working	Power connection issue; damaged component.	Check that the bed frame's power cord is securely plugged into a working outlet. Ensure all internal connections for the LED lights and charging station are firm. If issues persist, contact customer support.

SPECIFICATIONS

- **Size:** King
- **Product Dimensions (L x W x H):**86"L x 76"W x 40.5"H
- **Under-Bed Clearance:** 10.6 inches
- **Max Weight Capacity:** 1000 lbs
- **Color:** Black
- **Finish Type:** Powder Coated
- **Material:** Metal frame with upholstered headboard and wood-look shelves
- **Charging Station:** 2 AC outlets, 2 USB ports, 1 Type-C charger
- **Special Feature:** RGB LED Headboard, 2-Tier Storage, Squeak Resistant Design
- **Assembly Required:** Yes
- **Model Number:** FBA-OLE-BF-K-009
- **Item Weight:** 72 pounds
