GGSTOPWATER JM13

GGSTOPWATER JM13 Open Ear Headphones User Manual

Model: JM13 | Brand: GGSTOPWATER

1. INTRODUCTION

Thank you for choosing the GGSTOPWATER JM13 Open Ear Headphones. These innovative earbuds are designed for comfort and safety, allowing you to enjoy high-quality audio while remaining aware of your surroundings. Their non-intrusive design reduces ear fatigue, making them ideal for extended wear during various activities.

OPEN EAR HEADPHONES

2. WHAT'S IN THE BOX

Your GGSTOPWATER JM13 package includes the following items:

- True Wireless Bluetooth Headphones (2 units)
- Headset Charging Compartment (1 unit)
- Type-C Charging Cable (1 unit)
- User Manual (1 unit)
- Silicone Lanyard (1 unit)

Figure 2: All components included in the package.

3. SETUP GUIDE

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The case features a Type-C charging port for convenient power input.

- Place the earbuds into their respective slots in the charging case. They are magnetized to ensure proper placement.
- Connect the provided Type-C charging cable to the charging case and a power source.
- The indicator lights on the case will show charging status. Once fully charged, the lights will indicate completion.

Large Capacity Battery Endurance

3.2 Bluetooth Pairing

The JM13 headphones utilize advanced Bluetooth 5.4 technology for a fast and stable connection.

- Ensure the earbuds are charged and removed from the charging case. They will automatically enter pairing mode.
- On your device (smartphone, tablet, laptop), go to Bluetooth settings and turn Bluetooth on.
- Search for available devices and select "JM13" from the list.
- Once connected, a voice prompt will confirm successful pairing.

Bluetooth Connection

The headset supports the connection of most Bluetooth devices, such as common devices such as IOS/ Android /window systems, and is simple to operate

IOS

Android

Windows

4. OPERATING INSTRUCTIONS

4.1 Touch Controls

The JM13 earbuds feature intuitive touch controls for managing calls and music:

Action	Command
Play/Pause Music	Single touch (either earbud)
Previous Song	Double touch (Left earbud)
Next Song	Double touch (Right earbud)
Volume Down	Triple touch (Left earbud)

Action	Command
Volume Up	Triple touch (Right earbud)
Answer/End Call	Click to answer, then click to hang up
Reject Call	Long press 2 seconds
Power On	Long press 3 seconds
Power Off	Long press 5 seconds

4.2 Usage Scenarios

The open-ear design and secure fit make these earbuds suitable for a variety of activities:

- **Sports & Fitness:** The flexible ear hooks and IPX5 waterproof rating ensure they stay secure and protected during workouts, running, and other physical activities.
- **Outdoor Activities:** Maintain spatial awareness to hear approaching vehicles or people, enhancing safety during outdoor sports or walks.
- **Office & Daily Use:** Enjoy audio content or take calls comfortably without blocking out important ambient sounds.

OWS OPEN EAR EARBUDS

Whether you're exercising, working or playing,
you can enjoy the music while being aware of your surroundings.

Your browser does not support the video tag.

Video Description: This video demonstrates the physical product, its open-ear design, and how to use the touch controls for music playback and call management. It also highlights the secure fit and portability of the earbuds.

5. MAINTENANCE AND CARE

5.1 Waterproof and Dustproof

The JM13 earbuds are rated IPX5 waterproof, meaning they are protected against low-pressure water jets from any direction. They are also dustproof.

- Wipe the earbuds clean with a soft, dry cloth after each use, especially after workouts or exposure to moisture.
- Do not submerge the earbuds in water or expose them to high-pressure water jets.
- Avoid exposing the charging case to water or excessive dust, as it is not waterproof.

IPX5 WATERPROOF AND DUSTPROOF

Adaptable to a variety of different environments,
effective protection against sweat rainwater

Figure 7: IPX5 waterproof and dustproof protection.

5.2 Storage

Store the earbuds in their charging case when not in use to protect them from dust, damage, and to keep them charged.

6. TROUBLESHOOTING

If you encounter issues with your GGSTOPWATER JM13 headphones, please refer to the following common solutions:

- **No Sound/Low Volume:** Ensure the earbuds are properly connected to your device. Check the volume levels on both the earbuds (via touch controls) and your connected device.
- **Cannot Pair:** Make sure the earbuds are in pairing mode (alternating flashing white and green lights). Turn off and on your device's Bluetooth, then try searching again. Ensure no other devices are currently connected to the earbuds.

- **Charging Issues:** Verify that the Type-C cable and power source are working correctly. Ensure the earbuds are correctly seated in the charging case and that the case itself has power. Clean the charging contacts on both the earbuds and the case if necessary.
- **Voice Prompts Not in English:** If voice prompts are in an unexpected language, refer to the full instruction manual (included in the box) for language setting adjustments, or perform a factory reset if available.
- **Intermittent Connection:** Move closer to your connected device to reduce signal interference. Ensure there are no major obstructions between the earbuds and your device.

If the problem persists, please contact customer support.
