Hetoy PTO_0Z2NAVQP-G-HJX-HT-2-V

Hetoy 24V 3-in-1 Kids Ride-On Tractor Instruction Manual

Model: PTO_0Z2NAVQP-G-HJX-HT-2-V

INTRODUCTION

This manual provides essential information for the safe operation, assembly, and maintenance of your Hetoy 24V 3-in-1 Kids Ride-On Tractor. This versatile electric vehicle offers a customizable experience as a bulldozer, excavator, or tractor, complete with a shovel bucket, digging bucket, and detachable trailer. It features user-friendly controls, robust safety measures, and integrated entertainment options for an engaging play experience.

The ride-on tractor is equipped with a 24V power system, dual motors, and durable EVA wheels designed for various flat surfaces. Children can operate it manually using a pedal, or parents can utilize the included 2.4G remote control for assisted play. Built-in music, stories, LED lights, and USB/MP3 ports enhance the overall experience.

WHAT'S IN THE BOX

- Ride-On Tractor components
- Detachable Trailer
- Shovel Bucket attachment
- Digger/Excavator attachment
- Remote Control
- Charger
- User Manual
- 2 x 12V Batteries (included)

SAFETY INFORMATION

Important: Always ensure the battery is fully charged at least once per month to maintain optimal performance and battery life. Failure to do so may affect the product's functionality.

This product is recommended for children aged 3-8 years. Adult supervision is required at all times. Ensure the safety belt is securely fastened when the child is operating the vehicle. Avoid operating on uneven or steep terrain to prevent tipping. Always follow local regulations regarding ride-on toy usage.

SETUP AND ASSEMBLY

Before first use, ensure all components are present and undamaged. Follow the step-by-step instructions provided in the included user manual for proper assembly. It is recommended to fully charge the battery before initial operation.

PRODUCT FEATURES

- **Versatile 3-in-1 Design:** This ride-on toy transforms into a bulldozer, excavator, or tractor with interchangeable shovel bucket, digging bucket, and trailer.
- **Dual Control Modes:** Children can drive manually using the pedal, or parents can use the 2.4G remote control for guidance.
- **Enhanced Safety:** Features 4 non-slip, shock-absorbing EVA wheels, a soft start function, and a safety belt for secure and comfortable rides.
- **Interactive Entertainment:** Equipped with built-in stories and music, USB and MP3 ports for external music, bright LED headlights, and a power display.

Detailed Feature Overview

OPERATING INSTRUCTIONS

Driving the Tractor

1. Insert the key and turn to the ON position to start the tractor.
2. Select desired speed (high/low) using the speed switch.
3. Choose forward or reverse direction using the gear lever.
4. Press the foot pedal to accelerate. Release the pedal to brake.

Using Attachments

- **Shovel Bucket:** Use the mechanical arm levers to raise, lower, and tilt the front shovel bucket for loading and unloading materials.
- **Digging Bucket:** Operate the digging handle to control the movement of the rear digging bucket for excavation tasks.
- **Trailer:** Attach the trailer to the rear hitch. Load materials into the trailer and use the manual dump feature to unload.

Remote Control Operation

The 2.4G remote control allows parents to steer, control speed, and stop the vehicle. This is ideal for younger children or for guiding the tractor in specific areas. Refer to the remote control section in the full user manual for pairing instructions.

MAINTENANCE

To ensure the longevity and optimal performance of your ride-on tractor, follow these maintenance guidelines:

- **Battery Care:** Keep the battery fully charged at least once per month, even during periods of non-use.
- **Cleaning:** Wipe down the vehicle with a damp cloth after use. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the tractor in a dry, sheltered area away from direct sunlight and extreme temperatures.
- **Inspection:** Regularly check all screws, nuts, and moving parts to ensure they are secure.

TROUBLESHOOTING

If you encounter any issues with your Hetoy 24V 3-in-1 Kids Ride-On Tractor, please refer to the following common solutions:

- **Vehicle Not Moving:**
 - Check if the battery is fully charged.
 - Ensure all electrical connections are secure.
 - Verify the forward/reverse switch is in the correct position.
 - Confirm the power button is ON.
- **Reduced Power/Speed:**
 - The battery may need recharging.
 - Operating on soft or uneven surfaces can reduce speed.
 - Ensure the weight limit is not exceeded.

- **Remote Control Not Working:**

- Check the batteries in the remote control.
- Re-pair the remote control with the vehicle according to the user manual.
