2. SAFETY INFORMATION

Please read and adhere to the following safety guidelines to ensure safe use and prevent injury or damage:

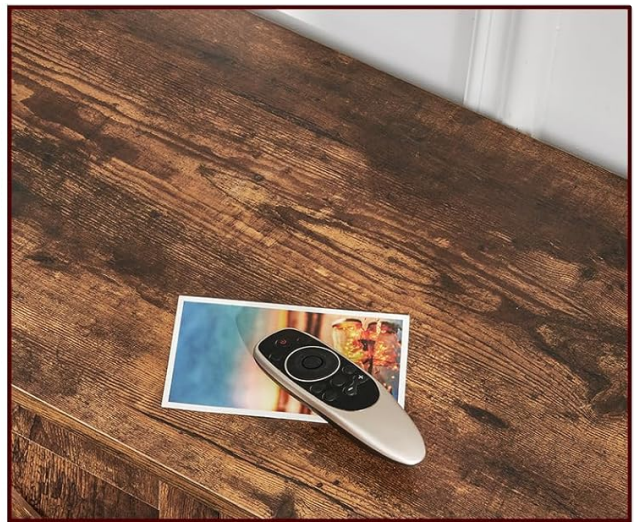

- Always assemble the TV stand strictly according to the instructions provided in the included manual.
- To prevent tip-over, especially when a television is placed on it, ensure the TV stand is properly secured to the wall using the anti-tip hardware provided.
- Keep the area around the TV stand clear of items that could pose a tip-over hazard or obstruct ventilation.
- Do not overload shelves or cabinets beyond their recommended weight capacity.
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.

3. COMPONENTS AND HARDWARE

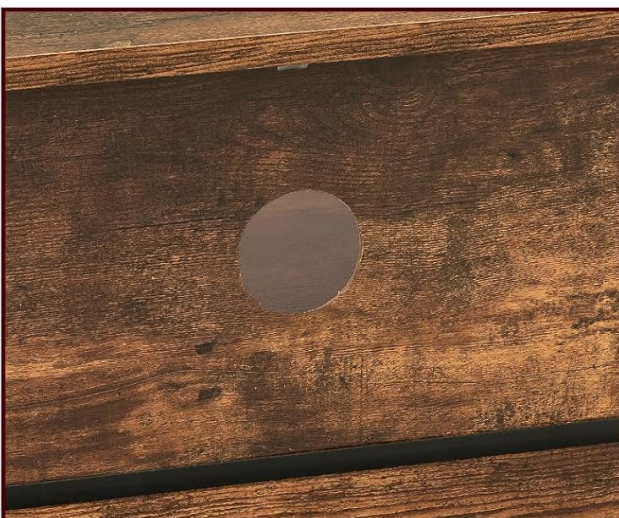

Before beginning assembly, please verify that all components and hardware listed in the separate assembly instructions are present and undamaged. Carefully unpack all parts and lay them out on a soft, clean surface to prevent scratches.

Note: For a complete list of parts and hardware, please refer to the detailed assembly manual included in your product packaging.

4. SETUP AND ASSEMBLY

The FIONESO Farmhouse TV Stand is designed for straightforward assembly. An average assembly time is approximately 30 minutes for individuals with prior experience, and slightly longer for first-time assemblers. All necessary accessories and detailed instructions are included in the packaging. The only tool required is a screwdriver.

General Assembly Steps:

1. **Preparation:** Clear a spacious area for assembly. Lay out all components and hardware on a soft, clean surface to prevent damage.
2. **Frame Assembly:** Begin by assembling the main metal frame structure as indicated in the step-by-step diagrams.

3. **Panel Attachment:** Attach the engineered wood panels to the frame, ensuring all screws are tightened securely but do not overtighten.
4. **Shelf Installation:** Insert the central shelf into its designated slots.
5. **Cabinet Door Installation:** Install the barn-door style cabinet doors, ensuring they slide smoothly along their tracks.
6. **Final Adjustments:** Attach the adjustable feet to the bottom of the stand and adjust them to ensure the stand is level and stable on your floor.
7. **Safety Securing:** Secure the TV stand to the wall using the provided anti-tip hardware to prevent accidental tipping.

For detailed, step-by-step visual instructions, please refer to the assembly manual included with your product.

5. OPERATING INSTRUCTIONS

The FIONESO Farmhouse TV Stand is designed for practical use in your living space.

- **Television Placement:** Place your television centrally on the top surface. Ensure the TV base fits within the stand's dimensions and does not overhang significantly. This stand is suitable for TVs up to 60 inches.
- **Storage Cabinets:** Utilize the two large capacity barn door storage cabinets on either side for discreet storage of items such as DVDs, remote controls, gaming accessories, or other household items. The sliding doors allow for easy access and a clean aesthetic.
- **Open Shelf:** The open central shelf is ideal for housing media devices like cable boxes, gaming consoles, soundbars, or decorative items.
- **Cable Management:** Use the two cable holes located on the back panel of the central shelf to route and organize power cords and audio/video cables, helping to keep wires neat and out of sight.

6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your FIONESO Farmhouse TV Stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent moisture damage or staining.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood finish.
- **Heat and Moisture:** Keep the stand away from direct heat sources and areas of high humidity. Use coasters under hot or wet items.
- **Hardware Check:** Periodically check and retighten all screws and fasteners to ensure the stand remains stable and secure.

7. TROUBLESHOOTING

If you encounter any issues with your FIONESO Farmhouse TV Stand, please refer to the following common solutions:

Problem	Possible Cause	Solution
Stand is wobbly or uneven.	Uneven floor; loose fasteners; adjustable feet not properly set.	Adjust the leveling feet at the bottom of the stand. Ensure all assembly screws are tightened securely.
Cabinet doors do not slide smoothly.	Tracks are obstructed; doors are misaligned.	Check tracks for debris. Ensure doors are correctly installed on their hangers and tracks.
Missing parts or hardware.	Packaging error; parts overlooked during unpacking.	Carefully re-check all packaging materials. Contact FIONESO customer service for replacement parts.
Surface scratches or minor damage.	Accidental impact; abrasive cleaning.	For minor scratches, a wood repair marker or furniture polish matching the finish may be used. Avoid abrasive materials for cleaning.

If you experience issues not covered here, please contact FIONESO customer support for assistance.
