Super Sparrow 500ml Vacuum Insulated Water Bottle

Super Sparrow 500ml Vacuum Insulated Water Bottle User Manual

Model: 500ml Vacuum Insulated Water Bottle

1. INTRODUCTION

Thank you for choosing the Super Sparrow 500ml Vacuum Insulated Water Bottle. This manual provides essential information for the proper setup, operation, maintenance, and safety of your new water bottle. Please read these instructions carefully before first use and retain them for future reference.

2. PRODUCT OVERVIEW

The Super Sparrow 500ml Vacuum Insulated Water Bottle is designed for daily hydration, featuring double-wall insulation to maintain beverage temperature. It is constructed from durable stainless steel and is BPA-free.

Key Features:

- **Ergonomic Design:** Features an ergonomic handle and a straw for comfortable and secure gripping, making it easy to carry.
- **Double-Wall Insulation:** Maintains the temperature of your beverages for extended periods.
- **BPA-Free & Leak-Proof:** Ensures pure taste and prevents spills.
- **Dishwasher Safe:** Designed for easy cleaning and long-lasting color retention.

Components:

- Stainless Steel Water Bottle Body
- Straw Lid (with integrated straw)
- Instruction Manual

3. SETUP

Initial Cleaning:

1. Before first use, wash all parts of the water bottle (bottle body, lid, and straw) with warm, soapy water.
2. Rinse thoroughly with clean water.
3. Allow all components to air dry completely before assembly.

Assembling the Straw Lid:

1. Ensure the silicone gasket inside the lid is properly seated to prevent leaks.
2. Insert the straw firmly into the designated opening on the underside of the lid.
3. Screw the lid onto the bottle body until it is securely tightened.

4. OPERATING INSTRUCTIONS

Filling the Bottle:

Unscrew the lid and fill the bottle with your desired beverage. Do not overfill; leave some space at the top to prevent spills when closing the lid.

Using the Straw Lid:

1. To drink, simply flip up the straw spout.
2. After drinking, push the straw spout back down to seal the bottle and prevent leaks.

5. MAINTENANCE AND CLEANING

Regular cleaning is essential to maintain hygiene and the longevity of your water bottle.

Dishwasher Cleaning:

The Super Sparrow water bottle and its components are dishwasher safe. Place them on the top rack of your dishwasher for best results.

Hand Washing:

1. Wash the bottle body with warm, soapy water using a bottle brush.
2. Clean the lid and straw thoroughly with warm, soapy water. A small brush may be helpful for cleaning the straw.
3. Rinse all parts thoroughly and allow them to air dry completely before reassembly or storage.

To prevent the accumulation of residue and odors, especially after consuming carbonated or fruit drinks, ensure the bottle

is thoroughly washed immediately after use.

6. SAFETY INSTRUCTIONS

- **Hot Beverages:** Avoid drinking hot beverages through the straw to prevent burns. The straw is primarily designed for cold or room-temperature liquids.
- **Carbonated/Fruit Drinks:** After consuming carbonated beverages or fruit drinks, thoroughly wash the bottle to prevent residue buildup, which can lead to bacterial growth and odors.
- **Microwave Use:** Do not place the water bottle in a microwave oven.
- **Freezing:** Do not place the water bottle in a freezer, as this can damage the insulation and bottle structure.
- **Children:** Keep out of reach of small children, especially when containing hot liquids.

7. TROUBLESHOOTING

Leakage:

- Ensure the lid is securely tightened onto the bottle.
- Check that the silicone gasket inside the lid is properly seated and free from debris or damage.
- Make sure the straw spout is fully pushed down to seal the lid.

Poor Temperature Retention:

- Verify the lid is tightly closed and sealed.
- Ensure the bottle has not been damaged, as dents can compromise vacuum insulation.

Difficulty Drinking Through Straw:

- Check if the straw is properly inserted into the lid.
- Ensure the straw is not clogged or damaged. Clean the straw thoroughly.

8. SPECIFICATIONS

BPAフリー・ピュアな味わい

風味が移らず、飲み物本来の味を楽しめます。

食洗機対応

簡単に清潔を保て、カラーも長持ち。

漏れ防止構造

しっかり密閉、傾けても漏れません。
